1. The Beginning

Kyo looked out his window watching the rain pound the glass. He wasn't in a good mood to start with and this was making it worse. He was thinking about going for a jog in the afternoon but he plans were being washed away. He stared at the sky for a little longer when he heard a young woman's voice calling him from behind his door. He turned his head towards to door to Tohru Honda walking in with her school uniform on.

"Kyo get up it's almost time to go to school," She says with a wide grin on her face which made Kyo wonder what's wrong with her.

Kyo gives her a look that asks why are you in my room but he doesn't get it. She walks up to his bed and pulls the covers off of him. She stumbles back when she sees what was under the covers. Her face goes bright red and she runs out of the room. Kyo looks down to see he forgot to put cloths on after he took a shower last night. He quickly dresses and goes down stairs.

"Fo . . . foods o . . . on the table," Tohru stutters out not looking at him.

Kyo notices that her face is still red as he eats the she made. Bacon and fish made just the way he liked it. He puts the plate into the sink telling himself that he would clean it when he gets back. He starts to walk up stairs when he hears the water in sink turn on. He turns to see Tohru scrubbing the plate he just put there. He walked up behind her and grabbed her wrist. She jumped when she felt his hand grab hers. Tohru stated to blush as she felt his breath on her neck. She realized how close they were and she started to fidget. She jumped again when he spooked.

"You don't have to do this," he mumbles. "I'll do it."

"N . . . no I'll do this. You got get ready for school," Tohru says noticing that her fame is still red.

"Really I can do it. You've done so much," Kyo says as he notice how warm she is.

When Tohru hears she gets a feeling that it means more than just cooking breakfast, but before she could thing more about she feels herself being turned around and then next thing she know Kyo has his forehead on hers. She didn't know what to do. She didn't dare hug him for fear he would turn into a cat. She started to calm down when she notices to serious look on his face.

"Ah Kyo what's the matter?"

"I'm checking to see if you have a fever, but it doesn't seem like it," He says as he steps away.

While doing this Kyo hears someone coming down stairs. He turns to see Shigure at the bottom of the stairs smiling at them.

"Good morning Ms. Honda," He says in an upbeat voice. "I hope that Kyo hasn't been bothering you and where is Yuki?"

"Oh no he's been helping," she says as she puts the plate into the dish washer. "Yuki's at school already for student council."

"Well that's great," Shigure says as he starts to walk to his offices.

"Kyo you better hurry up we are about to leave for school," she says as she runs up stairs.

Kyo started to follower her when Shigure grabs his arm.

"Don't get to close if you don't want to get hurt," he says in a serious tone.

"Yah whatever," Kyo replies as he forces his arm out of Shigure's grip.

"Just be careful," he says as he walks off.

2. The Coat

"Kyo come on. We're going to be late if we don't go now."

"Ok Tohru I'm coming," Kyo say as he walks down stairs.

Tohru opens the front door and a gust of cold wind comes inside the house.

"Burr it's cold today," Tohru says as she put on her coat.

Kyo stare at the coat. It's a simple brown coat that buttoned all the way up. He remembers when she got it. It was the day before Christmas and he was walking around town, when he saw the coat in a store window. When he saw he knew that Tohru should have it. He rushed in the store and bought it. The next day Tohru opened his present and starts to cry. Kyo blushes.

"If you don't like you can return it.

"No I love it," Tohru says as she wipes the tears away. "Thank you. I really do love it."

Tohru starts to cry again. She gets so happy that she hugs him. He transforms.

"I . . . I'm so sor . . . sorry," Tohru say as she starts to laugh.

That night she slept in it. Kyo stared at her and smiled. From that day she wore it every time it got cold.

"Kyo! Kyo!"

"Ya sorry. I'm coming."

"Are you ok?"

"Ya I am. Come on we are going to be late," Kyo says as take and her hand and rushes out the door to school.

Tohru and Kyo walk in silence all the way to school. Kyo and Tohru walk into the homeroom just in time. The bell rings as Tohru. The teacher walks in to start the day.

"Good morning class."

3. The Big Announcement (Tohru)

"Hey Tohru why did you come here with hot head so late," Arisa asks.

"Oh we just got out of bed late this morning," Tohru says with a smile.

"So you two slept with each other," Hanajima says as she brads Arisa's hair.

"Oh no that's not it," Tohru says as she shakes her head.

Her face is red.

"I know. I was just joking," Hanajima says as she lets go of Arisa's hair.

"That's not funny Hana-chan. You could have given Tohru a heart attack," says Arisa.

Arisa hugs Tohru. Tohru is about to say something when the announcements come on.

"Good morning students. I hope you are ready for another great day," says the principle.

"What so good about today," some guy yells.

"As some of you have heard. In two weeks we are having a dance. It will be at 7 o clock on Saturday and will end at midnight. So guys ask the lady of your dreams out and ladies get those dresses ready. That is all."

The class starts talking about the dance. Girls are talking about who they want to go with and what they're going to wear. Most of the guys are quietly thing of who they're going to ask to the dance.

"So Tohru are you going to the dance," Arisa asks.

"I don't know Uo-chan. Maybe not. Why should I. No one's going to ask me out.

"Oh shut up Tohru. I know a couple of guys that will ask you out," Arisa says as she looks at Kyo and Yuki.

"Really Arisa," Tohru asks.

Arisa nodes and Hana-chan hugs Tohru.

"Don't worry Tohru someone will ask you out," Hana says as she lets go of her."

The bell rings and every one leave for their next class. As Tohru leaves the class room her eye's meet with someone else's. She blushes a deep red.

~HAHAHAHAHAHAHAHAHAHAHA!!!!!!!1 I'm not going to tell you who it is yet. *Runs away from angry mob with pitchforks* Ok I'll tell you who it is. It's *Passes out.*~

4. The After Shock (Yuki)

Yuki enters the last class of the day. He see's Arisa and sits next to her.

"Hey Arisa have you noticed that Tohru has been acting strange today."

"Ya. I have noticed. I wonder if she is ok."

Just then Tohru comes in the class humming. She sits down behind Arisa and stairs off into space.

"Ok I've been Tohru's friend for a very long time but I've never seen her like this before. We'll there was this one time but she drank five coups of coffee think that it was a new kind of soda. She wouldn't do it again. I think."

Arisa starts to mumble about stuff that happened in the past to her self. The bell rings and class starts. During the whole class period Yuki could not stop thing about Tohru. He was asking himself questions like does she has a fever or is there a problem that she's trying to hide. Yuki was so into his thoughts that he didn't notice that the bell rang and everyone was packing up until Tohru called his name.

"Yuki come on we have to go home," Tohru says from the doorway.

"I'm coming," Yuki says as he starts to pack up.

They reach there lockers and Yuki gets his stuff. He turns around about to ask Tohru if she is ok but he finds out that she is gone. He looks around and finds her down the hall near the front doors. He walks up to her to see her blushing.

Yuki stares where she is looking at to see a group of guy. He get's angry to see Kyo in the group. Yuki feels something wet in his right. When he looks down he see's blood falling from his fist to the floor. He raises his hand to see that his palm is covered with blood and glass from his science project. Tohru happens to see this.

"Oh my god! Yuki what happened are you ok?"

Tohru grabs his hand and leads him to a water fountain and rinses off the blood and glass. She takes the ribbon that is holding her hair up and wraps his hand up.

"Thanks," Yuki says as he moves his hand away from her and turns away from her.

"No problem," Tohru says as she kisses him on the cheek.

Yuki's face turns red. Tohru starts to walk away. Yuki is starts to go after her when he falls onto his face.

~I got you think that it was Kyo that Tohru like's then I got you thinking it was Yuki. You're not going to find out who it is until I say so. *Hides behind bodyguard.* Don't hurt me again. ~

6. Someone New (Kyo, Tohru, Yuki, Kagura)

Tohru

Tohru feels the sun on her face. She can feel the wind blowing in her face. It smelled like wild flowers. She can also feel the soft grass under her. But she also feels like someone is watching her. She gets up to see Kyo staring at her. Well not looking at her. More like he's looking over at her but his mind is else were. He seems angry.

Kyo

Kyo stares at Tohru as she lies on the grass. He stares at her chest going up and down as she breathes. He looks up and down her body. He wants her. He wants to hold her close. So close that he could hear her heart beat. He wants to kiss her lips. She turns her head to the right. Kyo can now see her neck. Oh he wants to kiss her neck. He wants to nibble on it for hours. He wanted to tell her how he feels. Right now . . . but she would never says yes to someone like . . . like him. Someone so weak and even if she says yes he could never do all those things. Not with. . . with this curse. Every time he tries to get close to her he transform in to the cat. The fucking cat. He notices that Tohru is looking at him. His face turns red. He gets and starts to walk away.

"Kyo where are you going," Tohru asks.

"I'm going for a walk," He says coldly.

"Oh," Tohru says sounding a little hurt.

Kyo flinches when he hears her voice. He filches when he noticed what he just did. With out another word he runs off. Kagura gets up and runs after him.

"Kkkkkkkoooooyyyyyy cccccooooommmmmeeeeee bbbaaacckkkk, she yells after him.

Yuki

"Stupid cat," Yuki mumbles.

He looks at Tohru to see that she is upset. He get up and walk over to her. he lifts her head up and looks into her beautiful eyes. Those beautiful eyes.

"Don't be upset. He doesn't know better."

He looks into her eyes again. He leans in a kiss her lips softly. As he backs away he notices that Tohru's face is bright red.

"Sorry but your face is so cut."

Her face becomes redder. Yuki notices this and takes advantage of this. He takes her hand and kisses it.

"Tohru you are beautiful. Don't ever thing of yourself any less. Your eyes, I could stare into then forever."

Tohru just looks at him with disbelief. He get up and starts walking away.

"I'm going to help Kagura find Kyo," he says as he walks away.

Tohru watches him until he was no more. She raises her hand to her lips and pink blush. Behind her hand was a smile.

Kagura

"Damn it Kyo. Taking off all of a sudden. Making me worry," Kagura says.

She had followed Kyo into the woods next to the park but she lost sight of him. She knew what he was thing about that made him run away. It was that damn Tohru. He's in love with her but she is too dense to see that. But it made it better for her. She gets Kyo. All she has to do is convince him that she'll never notice him like that. Then she'll have what she has wanted for a long time. Kyo's love.

"Kyo where are you!!!!!!!"

Tohru

Tohru gets up a little while after Yuki leaves. She looks to the left to see a little play ground near the woods. She starts to walk to it. When she gets there she sees a pair of swings and sits in one. She starts to swing back and forth thinking about what Yuki had said.

"Does he really mean it? No. He was just being nice. But that kiss. He would never kiss me if he didn't mean it. I think. I don't"

Tohru looks up when she hears something coming out of the woods.

Kyo

Kyo finally stops running and start walking a steady pace. He couldn't hear Kagura calling after him. His heart was pounding and his face is wet with sweat.

He's angry at himself he couldn't believe that he was cold to Tohru. The one he lo . . . loves. He looks around and sees an opening to his left. He walks over there into a play ground. He stops he sees Tohru sitting in front of him on a swing. Tohru suddenly gets up and starts walking away. Kyo runs in front of her and stops her. Tohru looks at him.

"Tohru look I'm sorry," he says as he looks down at the grass. "I didn't mean to hurt you. I'm sorry. If you want you can hit me. You can hit me every time i do something mean to you."

He looks up at her. He is about to say that he is sorry but Tohru stops him by putting her finger on his lips.

"It's ok. I forgive you," she says as she takes his hand leads him to the swings.

They sit down and swing back and forth. They say nothing for a while. Tohru is the one who breaks the silence.

"It's really is a beautiful day," She says as she looks at the clouds.

"Ya beautiful," he says but he wasn't look at the sky.

Tohru notices this and looks at him.

"A day like this anything can happen," as she leans close to him.

"Ya," he says as he leans close to her.

His heart is pounding fact. He knew what was going to happen. What he wanted for so long. To kiss those lips. He now only inches away from her lips. He get ready. He is about to kiss her when something comes running out of the woods yelling.

"Kkkkkkkkkkyyyyyyyyyoooooo!!!!!!!"

They back away from each other.

Kagura

Kagura is running through the woods when she hears something. It's coming from her left. She starts running in that direction. The noise is coming from a clearing a little away. It sounds like Kyo. She runs through yelling his name. She stops. She can't believe what she saw. Kyo was about to kiss Tohru. She looks at Tohru.

"I'M GOING TO KILL YOU," Kagura says as she runs towards Tohru. She jumps onto Tohru. They fall off the swing. Kagura starts chocking her. By the time she stops Tohru is dead. She gets up off the ground and wipes the dirt off her pants. She turns and starts walking towards Kyo.

"Kagura," he says.

She slaps him.

"How dare you kiss another woman. You're suppose to love me and only me," she says as tears start coming down her cheek.

She tries to slap him again but Kyo grabs it.

"Let go!"

"Kagura."

"I said let go!"

Kyo kisses her lips.

"Kagura I do love you and I always will"

Kagura kisses him. Kyo brings her into a huge. She lays her head on his shoulder and closes her eyes.

"Kagura."

"Yes Kyo?"

"Kagura! Kagura," Kyo says.

Kagura snaps out of it. She sees that Kyo and Tohru are right in front of her.

"Kagura are you ok," Tohru asks.

"Ya, just fine," she says as she grabs kyo and kisses him.

She adds a little tounge. Kyo notices this and pushes away. His whole face turns red. Yuki comes out of the woods wonder what just happen.

"I think it's time to go home. The sun is starting to go down," Tohru says.

They all agree and walk back to the picnic spot and pack up. On the way back home everyone was a bit to quite. Each in their own thoughts.

~Ya I finished my first long chapter. Now if I could only do that with one character. Well it's a start. Comment! If you don't I'll find you and make you. Have a nice day. ~

7. Getting Ready (Kyo)

Kyo is laying in bed thinking about what happened yesterday. He was so close to finally kissing her. He throws his pillow at the wall.

"Kyo lets go it's time for school," Tohru yells from down stairs.

Kyo get up and slowly walks down stairs.

"Tell me why we're going so early again," Kyo asks.

"We promesed Arisa that we watch her band pratice."

The whole way to school Kyo could not stop thing about yesterday. He's wonder if Tohru is thinking about the same thing. When they got to school Arisa's band was playing "In the Hall of the Mountain King" by Peer Gynt. When they finish Tohru runs to Arisa and gives her a hug.

"That was great," Tohru says. "Right Kyo?"

"Ya," Kyo says not really listening.

"Hey Tohru have you told him yet," Arisa asks in a wisper.

"No not yet," she wipsers back.

"Tell me what," Kyo asks.

"Oh nothing," Arisa and Tohru say in unshion.

Kyo was about to push on when the bell rings. Tohru grabs his and walks to class. Kyo forgot what he was about to say and what they where talking about. The day pass by with a flash. Kyo is passing the art department when he sees a sign up sheet for people to volenter to help out with getting the dance ready. He looks at the list to see who is stuped anouf to volenter. He sees Arisa, Tohru, and himself. He takes another look and his name is there in pen. He runs off to find the one person who would do this.

"Tohru," Kyo yells through the hall.

Tohru happens to be near by and hears her name. Kyo finds her in the library looking for a book.

"Why did you sign me up to help on the dance," he yells.

"Shhhhhh," the libraion says.

"I thought you would like to spend some time with me," Tohru wispers into his ear.

Kyo's face turns read.

"Ok I'll help out at the dance."

"Oh thank you Koy. I'm so happy that i could hug you but i wont . . . beacuse well you know," Tohru says as she walks away.
