1. Max Ferdinand

Name: Max Ferdinand

Birth Date: October 20th

Age: 22

Height: 5 feet 7 inches

Info: On New Years Eve in 1999, Max Ferdinand's little brother became the owner of the Underworld (pending name XD), the area of land under the world's crust. However, this underworld is commonly mistaken for Hell. I shall make it clear that I am not talking about Hell, I'm talking about the area of land under Earth's crust. The underworld is a low-budget cheap, deserted place, so it gets attacked often. Max is just any normal young adult, a bit of a loser, hates his job, but how many people have a superhero as a best friend...? He was an average teenager until that fateful day 5 years ago when his little brother Adam spilled bleach all over him. Max got really pissed and started chasing Adam around the house, and Adam was so scared that he lost his control of his ability to open portal into other worlds for a second. He bumped his dad into another world, and they haven't seen him ever since. Their mother died of cancer 2 years earlier, so they had to live with their great-aunt until Max turned 18.

Max works for the Micoh company, and he fixes copy machines, fax machines, ect. He dresses nice for work, and wears a tuxedo commonly. Max has a fierce temper and throws around swear words randomly. His best friend, Abigail (Abby), met him when she was protecting Adam when he first became owner. Although he always says he doesn't "give a crap," he's the first to lend a helping hand, and it's been suggested that he has a crush on Abby. Unfortunately, Adam and Ethan, Abby's little brother, have figured that out and love to make them look like idiots around each other.

Random facts you didn't need to know:

- Has singing and dancing talent
- Wears Contact lenses
- Hated by boss for no apparent reason
- never went to college, but graduated high school with straight A's

4 words to describe Max:

- stubborn
- tempermental
- smart
- caring

Max Quotes:

"You call ME a loser? You ever see the posters in your room? Yeah, shut up."

"Dadadada, I don't care."

"I never thought my life would be quite the same the day I met face-to-face with a living, breathing, superhero. And she was a girl at that."

2. Abigail Skarb

Name: Abigail "Abby" Skarb

Age:22

Height: 5 feet 5 inches

Weight: Now that's just rude right there.

Birth Date: April 11th

Info: Abby Skarb became the defender of the underworld one new year's eve in 1999, and at exactly 12:00 at night, she was sucked into the underworld along with her little brother Ethan. There she learned that she would be the Underworld Defender for the 2000-3000 millenium, and Ethan would take healthy hearts from criminal who have violated their right to live and he gives them to everyday heroes whose live have been fataly threatened. That next day, they discussed the "dream" they both had, and learned it was real when Ethan opened a portal to the underworld. That was when they met Adam, the owner of the underworld. He came off a feminine pre-teen to her. The underworld has ne real defense system except for Abby and Ethan, so it's a vulnerable area.

~~~

In the first year that she was the Defender, she thought she needed to prtect Adam, so she followed him wherever he went. Adam spotted this once and for all, but he didn't know it was Abby doing it. He begged Max to find his "stalker" so while Abby was birthday shopping for Ethan, Max found Abby and...well, didn't leave a very good first impression there. He figured out that she was the underworld defender, and apoligized about a thousand times, and at that moment there was a report of a supernatural being wreaking havoc in the underworld. It was on the other side of the underworld, and Abby didn't have her car. So Max drove her there, and he explained that Adam was freaked out by her stalking. She was hit into the air, and Max cught her for the first time, thus sparking the everlasting friendship that they have today. They've been BFF's ever since.

She witnessed the birth of Ethan when she was 10 yrs old. Once she was 18, she moved into an apartment, and Ethan begged to go with her. One night, their mom and her boyfriend got into a feirce fight, and Abby, who's seen this many time sbefore, broke down, and took Ethan with her. Abby doesn't like swear words, violence, or grudges, and she has a calm, caring, forgiving personatily. She can't really get mad at someone. Abby is sensitive, and also never went to college, however, passed with the highest grades in her class.

4 words to decribe Abby:

- Bashful
- friendly
- sensitive
- loving

Random facts you didn't need to know:

- allergic to cats
- has broken her wrist before
- left-handed

"My biological dad was a great man. Smart, kind, dedicated, so I looked up to him. I got good grades, I was athletic, I didn't use the words I heard on TV."

### 3. Adam Ferdinand

Name: Adam Ferdinand

Age: 16

Birth Date: February 26th

Height: 5 feet 6 inches

Info: At first glance, it's hard to believe that Adam, a cocky, flirty teen became owner of the underworld on new years eve 1999. He is labled as a pervert by some, although his sexual preferences can be ambiguous at times. In new years eve in 1999, at exactly 12:00 AM, he was sleeping until he was sucked into the underworld and learned that he was the new owner of it. There he met Ethan and Abby, two siblings who have also been given roles in the undeworld. He has no real powers, and even if he did, he'd probably be too cowardly to use them. Adam is hyperactive, and claims he has ADHD. He met Lisa Macfloski at school one day when she was assigned his science project partner, and she had all the same classes as him. She constantly calls him a fruit loop, and always points out the fact that he may be gay. In return, Adam always cal;ls Lisa "Mona Lisa," and she hates his guts.

Random facts you didn't need to know about Adam:

- Ambidextrous
- veeeeery paranoid
- failed kindergarten
- hipster doofus (in other words, he uses hip hop lingo from the 90's)

4 words to describe Adam:

- fruity
- trustworthy
- loud
- goofy

Adam Quotes:

"Drop it like it's hawt. Yeah. I'm sexy like dat."

"Catch YOU cats on the flip flop!"

"It ain't easy being leader. Especially when you and only a select few other people know about it, and one of them just happens to got to your school."

## 4. Ethan Endemein/EOS

Name: Ethan Endemein

Age: 12

Height: 5 feet

Birth Date: July 26th

Info: Ethan always speaks his mind, no matter what kind of impact it leaves on others. He is the stepbrother of Abby Skarb, and his father is Andrew Endemein. His mother even drove him out too. Ethan has another side that can come out at night, and he takes healthy souls or hearts from undeserving criminals and he gives them to everyday heroes whose lives have been threatened. Since his mother didn't raise him and Abby properly, Abby took the time to raise Ethan mostly herself. They've always been close. Ethan's school is a big hybrid building thingy, it's an elementary school, junior high, and a high school. However, since there is a limited amount of teachers, the gym classes are lumping together various students regardless of their grade level. So, Ethan has gym class with Adam and Lisa. Ethan can be a smart alec at times, and is dubbed the Smartass Kid by Max. Ethan loves to ride scooters, and his blue Razor scooter nearly kills him at times.

~

Ethan's other side takes healthy souls or hearts from undeserving criminals and he gives them to everyday heroes whose lives have been threatened. When he transforms, Ethan drops 2 inches off his height. I call Ethan's other side EOS for short. EOS is loosely based on JT Woodruff from Hawthorne Heights, hence the double H on his shirt. Dark and mysterious, a local journalist caught a few glimpses of EOS at night and put the pictures in a local newspaper, threatening Ethan's other identity. However, nobody believed the reporter, and EOS was saved...! The headline? "Emo-Like Figure Sweeps Over Town in Dead of Night!"

4 words to describe Ethan:

- cynical
- honest
- smart-alec
- jumpy

Random facts about Ethan and EOS:

- Ethan: manga freak
- Ethan: based on somebody I know but I won't say who

- EOS: Only transforms at night
- EOS: Rarely smiles

## 5. Lisa Macfloski

Name: Lisa Macfloski

Age: 15

Height: 5 feet 2 inches

Birth date: November 20th

Info: No relation to the underworld, Adam met Lisa the first day that she came to his school. He was dubbed her tour guide, and they had all the same classes, but she had no clue where her classes were. Adam was her assigned science project partner, so she had to come to his house to work on it.

And that's how she found out about the whole underworld story.

Max burst through the door, rambling something about a "supernatural hot dog coming to life and wreaking havoc," disregarding Lisa. Adam shushed him until he realized that she was there. Lisa didn't believe Adam's explanation, and yet insisted that he take her there if it's so true. Adam turned to Max, and surprisingly, he nodded ("If you're gonna be a couple, she's gonna find out anyway!"). Lisa knows karate, so she can fight a little. She's a vegetarian, but has an even hotter temper than Max. Lisa has her own style, and doesn't care what anybody thinks. She moved from San Diego.

Random facts about Lisa:

-yaoi fangirl

-despises animals and children

-loves hoodies

Lisa quotes:

"Yezzir."
