Much Thanks,
AmmyK aka, Shoko Kinamoto.

2. School's Back!

Ok, the chapter is FINALLY UP!!!!!!!!!!!!!!

Shoko was in her bed as her alarm was blaring through the house.

Everybody was up at the sound except her. Her brother, Suichi, came in shut off the alarm, and hit Shoko in head with it.

Shoko: What the hell is your problem, Suichi? God!

Suichi: The problem is your lazy, deaf @\$\$, that's what! Everybody in the frickin' house wakes up at the alarm, EXCEPT YOU!!!!!!!!!!!!!!

Shoko: Shut up! And get out of my room!

Shoko was about to throw her pillow at him when she remembered. Today was August 25, the first day of high school! She looked at the alarm clock, and almost fainted. 7:35. That meant she had only 25 minutes to get ready. She jumped out of bed, and ran straight to the bathroom, then she hurried downstairs for breakfast, where her older brothers, Suichi and Satoshi sat.

Suichi: *looks up* Wow, a new record, and an amazing one at that! From 3 hours in the bathroom to ten minutes, but sadly that face will never change.

Shoko: Suichi, I swear, one more crack out of you and I'll re-arrange your face.

Satoshi: *gets up* Shoko, you'd better get a move on, here. *hands her a slice of toast, then turns to Suichi* Shut up or I'll re-arrange your face.

Shoko: Thanks Satoshi!

With that Shoko burst out the door, with her bag slung around her shoulder, the slice of toast hanging out of her mouth, with Sumera trailing after her. She was feeling a bit down, but immediately lightened up when she saw Selina Her friend who was only a year older than her. She was moody, but she tolerated Shoko.

Shoko: Hi Selina!

Selina: *stares* ...you look like an idiot.

Shoko: Good Morning to you too.

They both ran to school, and on their way, they met a familiar face, it was Leo Lovely. He, as usual, was wearing a white shirt and the casual denim jacket. They had met him a year ago, when he had transferred to Konoha...from somewhere else, but came here to be with the rest of the Hyuuga Clan. They both thought he would be an emotionless being, but it turned out the exact opposite! In truth, he is the BIGGEST flirt anyone could ever meet. But, people like Selina or Shoko, would not fall for it....especially Selina.

Selina: *rolls her eyes* Oh, great, just what I need to start the morning.

Shoko: *waves frantically* Hi Leo!

Leo: *waves back* Hey Shoko, *then turns to selina, with wagging eyebrows* Heeeey, Selina,

How ya doin'

Selina: *looks at him with disgust* Get a life and get away, dork. (for lack of a nicer word)

Shoko looked at her wristwatch and realized they had 10 minutes left. And they had already arrived at the school.

Shoko: Wow! It's so big!

Selina: All I see is a building full of things to learn to get stronger.

Leo: Are you kidding? I see a building full of hot girls!

Both Shoko and Selina shot him death glares. You see, WOMEN ARE NOT OBJECTS THAT ARE PLAYED WITH!!! They all walked into the building took out their schedules, and looked at them. Shoko looked at her's and got confused.

They looked at hers and looked at theirs.

Leo: Hey Shoko, you and I have the same classes! The exact same ones.

Selina: Oh, hell no! I have the same one...I am gonna ask for a schedule change.

Shoko: Why?

Selina: I don't wanna have to see that *points to Leo* all through the day!

Shoko: That's kinda mean.

Leo: Ouch...but OH WELL!!!!

Ok, i know I didn't add all of you, but I didn't want to just throw you in the story, so the second

chap will be up soon, and hopefully, and probably, I'll get ALL of you guys in it!

NO FLAMES PLEASE!!! I am VERY SORRY!!!!
