# 1. Jeffery Nero Hardy

Jeffery Nero Hardy

They call him Dare-Devil  
High-flyer, risk taker  
He jumps off those ropes  
Not afraid to meet his maker

Lives life to the fullest  
Lives to the extreme  
Takes chances and tries  
to be the best he can be

Lives for his fans  
He lives of their screams  
Climbs up 20 ft ladders  
And beat 3 different teams

Yes he is awesome,  
And like to fight fair  
He is known as the enigma  
With bright colored hair

His long blue hair  
Fly's, twirls and spins  
It brings a smile to my face  
Every time that he wins

<333333 I love Jeffery Nero Hardy...He is what makes me happy, adn maks my week complete ....
