1. lullaby for Past

Lets go sleep, lets go sleep
To Atemu's past
There where Yugi hadn't been
To Atemu's past.

Lets go sleep, lets go sleep
There where Kaiba is dreaming
He looks happy and this means
He has millennium rod.

Lets go sleep, lets go sleep
There where gods each other killing
There where Yugi hadn't been
To Atemu's past.

Lets go sleep, lets go sleep
To Bakura and Ryou
There where Yugi hadn't been
To Atemu's past.

Lets go sleep, lets go sleep
To Ishizu and Malik
There where Marik hate to be
To Atemu's past.

Lets go sleep, lets go sleep
Where Atemu is dying
That what Marik always dreams
To Atemu's past.
