(Announcer announces that it is time to board the ship.)

St. Sebby: It's time to go! (throws their luggage onto the ship. then he grabs Cheesy and Sushi and throws them 90 feet into the air, only to land on the ship)

Crowd: (is utter shock)

St. Sebby: (does a super spring onto the ship)

Sushi: (on the floor, screaming in excruciating pain) MY LEG!!! I'M CRIPPLED!!!!

Cheesy: STFU!

St. Sebby: Okay...we should've used the stairs. Why didn't we use the stairs?!

Sushi: (stands up and brushes herself off) Because you're (2)Bankai.

St. Sebby: BANKAI!

Sushi: Shut up! I'm hungry. (pouts)

Cheesy: (shoves candy down Sushi's throat) There you go!

St. Sebby: Yay Sushi!

Sushi: (passes out on the floor)

Random Passenger: (steps on Sushi's stomach causing her to cough up the candy)

Sushi: (opens eyes) You saved my life!!!! (tackles the passenger) Yay!

St. Sebby: I must defend my family's honor in a game of handball!!! My enemies are...

Cheesy: Anthony, Kevin, William, and Brian, the God of Handball.

St. Sebby: (raises an eyebrow) You never met them before. How do you know their names Cheesy?

Cheesy: I don't know. I just know Brian. Duh, our little Sushi's boyfriend? Our twasted buddy?

St. Sebby: No s***. I'm gonna watch Invader Zim now if you don't mind. (picks up their luggage and walks to their room)

Sushi: (lets the passenger run free) I am ZIM!

Cheesy: (pulls out a random pen and draws a masterpiece on Sushi's hand) I am Picasso!

Sushi: What the flying fudge?! You drew a transmutation circle on my hand!

Cheesy: Uh wha?! What the heck?

Sushi: HUMAN TRANSMUTATION TIME!!!! (attacks some old lady)

Cheesy: (sighs) I'm going to sleep. (walks away)

(screaming can be heard from the old lady)

I hope you guys liked it! I know completely random, but it's funny! ^_^

(1)The word twasted is a combination of the word twisted and wasted. That is when you get completely drunk. Used by my friends and I! You may use it, but DO NOT CLAIM THIS WORD AS YOURS! I KNOW WHERE YOU LIVE!!!! © 2006 KhaoticWolf

(2)Bankai is a term used in Bleach. I heard it from my friends Sebastian and Kevin.

St. Sebby: What the? She's like a billion miles away. Plus the ship isn't gonna turn around for you.

St. Sebby: (currently outside on the deck fighting the monkey Family Guy style)

Monkey: (throws banana at St. Sebby)

St. Sebby: YOU LITTLE... (grabs a random flamethrower and tries to torch the monkey)

Random Lady: NOOO! HE'S GOT A FLAMETHROWER! RUN FOR YOUR WRETCHED LIVES!!!

People can be seen running around, screaming their heads off. Others are loading into boats or jumping of the ship.

Cheesy: Yay for alcohol! (passes out) ZZZZZZZZ....

Sushi: (blinks) SHE'S DEAD! NOT HER! WHY?! She was so young! (tears rolls down her face as she pulls up her snot)

While the ship is in a state of panic, the ship's captain announces something.

Captain: (oblivious to all the chaos) Ladies and germs, do not be alarmed, but the ship has just hit an iceberg. Please listen to the boat instructors for instructions. Have a nice day.

Sushi: What the doodie?

St. Sebby: (finally kills the monkey) I'M THE KING OF THE WORLD!

Sushi: (drags Cheesy outside with her) Yo, St. Sebby. Guess what...um what happened out here? (sees fire in random places)

St. Sebby: Don't ask. Now let's get of the wannabe titanic.

Ship: (thinks) That little ho!

Boat Instructor: Women and children first!

Random Man: (shouts) Screw that shizzle! EVERY MAN FOR THEMSELVES!

Everyone continues loading boats or jumping of the ship.

Sushi: (in a boat with her friends) What the heck is an iceberg doing out in the Gulf of Mexico?

Cheesy: (snores and mumbles) I wanted da tequila though mommy...

St. Sebby: (looks at Sushi) I dunno. You lost out on your one million dollar prize. You win no money.

Sushi: Darn it!

The sinking ship randomly explodes.

Sushi: Yay! Fireworks!

St. Sebby: (claps hands) Oh goodie!

Cheesy: (still sleeping)

There goes the second chappie!

Chapter 3: Survivor

Sushi- Kimberly (Me!)

St. Sebby- Sebastian (Best Friend)

Cheesy- Georgia (Best Friend)

Cheesy: So you're telling me we hit an iceberg in the Gulf of Mexico? (is now sober)

Sushi: Pretty much. Plus you have St. Sebby's flamethrower incident to blame too.

St. Sebby: It wasn't my fault! The darn monkey was trying to kill me!

Sushi: Yeah, and I know how to fly around the world in eighty days.

Cheesy: So you're telling me we're stranded on this God forsaken island?

Sushi: (sneezes randomly) Yes, but we aren't the only ones.

Some survivors from the cruise can be seen running around arguing and crying.

St. Sebby: I HAVE AN IDEA!!!

Cheesy: (crying) I hate you all! I need vodka!

Sushi: No more alcohol for you, Cheesecake! Tell me your idea St. Sebby.

Cheesy: (cries harder) VODKA! WHERE ARE YOU MY LOVE?!

St. Sebby: Let's build our own city! We can be the people's leaders!

Sushi: That sounds fun, but what if they want to assassinate me? I ain't having that.

Cheesy: They can serve me all the alcohol that I want! Yay for St. Sebby's idea!

St. Sebby: Yes, yes I know I'm awesome. BANKAI!

Sushi: Shut up! (tackles St. Sebby) ROOOAAARRRRRR!!!!

Cheesy: (holding bets with random survivors) 10 bananas if Sushi kills St. Sebby!

1st Survivor Dude: I bet 20 coconuts if St. Sebby kills her!

2nd Survivor Dude: NO! I bet 20 bananas and 10 coconuts if it's a draw!

Cheesy: (in shock) Oh my God!

1st Survivor Dude: That's so much fruits!

2nd Survivor Dude: I know right. (gives a big cheesy smile)

As a result of the battle, Sushi and St. Sebby end in a draw.

Sushi: NOOOOO!!!!

St. Sebby: Baka yarou!

Cheesy: No my bananas!

1st Survivor Dude: How am I going to support my family now without fruits?! (cries and runs over to his family)

2nd Survivor Dude: Yeah, fork it all over! (walks away with the fruits)

St. Sebby: That was a very retarded bet.

Cheesy: Oh well. (sits on the sandy beach)

Sushi: I miss my family!!! (howls like a wolf)

St. Sebby: Did you give Sushi crack or something Cheesy?

St. Sebby: (1)William of course. (yawns)

Sushi: No look! (points the crabs popping out of the sand) They look like spiders! (cries)

St. Sebby: FOOOOODDDDD! (grabs about four and throws them in some random pot that's already over a fire)

Crabs: AHHHHH!!!! (dies)

Cheesy: At least we have food now.
