# 1. Being An Idiot

Ways to Show You're an Idiot in Wal-Mart

Put cereal and milk in your mouth, and chew up the cereal a bit. Then, go into the clothing section in Wal-Mart. In front of some old ladies, spit out the cereal and milk onto the floor. Then say, "I think I've got salmonella!"

Go down an aisle with a lot of people, and fart loudly. Then, you can browse in peace.

Go to sleep in the furniture section on one of the chairs.

Pick your nose in front of everyone, then wipe your finger on a box.

Say out loud, "I'm suing Wal-Mart!!"

If you're a guy, run down an aisle screaming, "Michael Jackson's after me!!!!"

Try on the clothes in the baby/toddler section.

Start eating the food in the grocery section.

Act like you're blind, and repeatedly crash into people.

Go to the bottled water aisle in the grocery section, and open up all the water jug taps, causing the water to spill on the floor.

Go to the meat section, and take the meat, and put them in random sections, like the clothing section.

Act like you're drunk, and then say, "I swear to drunk, I'm not God!!"

Get inside a buggy, and act like you're driving a racecar. When someone fusses at you, say, "Whoa. I didn't know this wasn't a ride!!"

When you're on an aisle with a lot of people, say loudly to a friend, "I think I've got a S.T.D.!"

Run down aisles, screaming, "They're coming! They're coming!"

Bring three of your friends with you to Wal-Mart, and have all four of you act like the Teletubbies.

Part 1: In the clothing section, hide inside one of the racks that holds clothes. When an old lady walks by, jump out and scream, "BOO!"

Part 2: Do Part 1. But instead of screaming, grab a lady's leg as she walks by.

Go up to some senior citizens. Make your eyes very huge and big, and then say, "I see dead people. . . ."

Find a package of Pull-Ups Training Underwear, and put one on. Jump out in front of some people, and say, "I'm a big kid, now!"

Dress up as Leatherface from The Texas Chainsaw Massacre, and grab a chainsaw, and start chasing people with it (this COULD get you arrested, \*lol\*).

Hock loogies onto people.

Find a Bambi plushie, and pour red paint on it to look like it's bleeding. Then show it to a kid, and scream, "AH!! BAMBI'S DEAD!!".

Dress up as President George W. Bush.

Dress up as Adolf Hitler. Yell, "Actung!" and "Mein Kampf!" at people.

In front of some people, fake fainting.

In the grocery aisle, start throwing tomatoes at people.

In the grocery aisle, yell, "FOOD FIGHT!!".

Dress up as a samurai, and yell at some old ladies, "I challenge you to a duel!!".

Get three of your friends, and the four of you act and dress like the characters of "South Park". For even more fun, add expletives.

Yell, "Guess what's in my pants!!"

Yell, "I've got a lovely bunch of coconuts!" in the fruit and vegetable aisle.

\*Note: You must have seen "Legally Blonde" to get this one.\* - Wear a short skirt, and do the "Bend-and-Snap" in front of people. For even more fun, do it if you're a guy.

Take one of the bicycles down from a rack, and ride it around the store.

Take a buggy down an aisle. Get into it, and pretend you're asleep. If someone says something to you, say, "WTF are you doing in my house?!".

Act like a dog.
