.....i made this one for someone special.....

1. Fatal Dream

Fatal Dream

everytime i dream of you,
i wish you were real.
but, . . .
you keep telling me to wake up.
i could grab on to your hand,
but your grip would loosen and
i would be alone.
i could kiss your lips,
but you'd poison me
i wish you were here with me
so i could show you how much i love you.
but everytime i talk to you,
i could never say it.
the pain hurts me to not
see your pretty face. . .
to your friends,
i'm a guy. . .
but to you,
i'm a girl that you love,
dearly.
and yet you don't understand,
how you can love me like a boy would.
please don't cry if you read this,
i keep trying to make you smile,
but behind that smile,
is a broken heart that i mended
somehow.
