Guys, I really dont know what to do for this next chappy, so if you have any ideas, TELL ME NOW.

The little comic I made for you:

Sakura- I still dont get it.

Naruto- Me either.

Gaara- what's to get? It's a game.

Neji- But, Gaara is is a rather hard game... for the small minded.

Gaara- HOW COULD YOU NOT GET MONOPLY?

(later, at the end of the game, Gaara won with all the money, because Naruto stole it from everyone, and Gaara traded him the shiney car peice for it.)

## 11. The Mysterious Person Is!!

## 12. Shikamaru's PWNED!

"What's wrong with you people?" A boy about Naruto's age asked, walking in, rubbing his eyes. He had a short brown ponytail, brown eyes and an annoyed look on his face. He was wearing a green shirt and black shorts. "Sorry, Shikamaru!" Naruto said. Shikamaru sighed, "Whatever. I'm going back to bed, and you guys better shut up." After Shikamaru left, Naruto burst out laughing. "What's so funny?" Sakura asked, facing the boy. "Shika-kun's just sore because Temari whipped him! You should have seen it!! She got him to do everything for her!" Naruto laughed, remembering the previous day where Shika had to do whatever Temari wanted....because he lost a bet. Sakura sighed. Remembering that she had to choose a roomie, she immediately she went with Naruto. Naruto laughed hesitantly before saying, "Sakura....Gaara told me to give you three choices, but the ultimate decision is you're staying with Gaara."------(I am so sorry it took so long!! I'll update really soon! :P)

### 13. Meet Your New Room Mate

"WHAT THE HELL!?" Sakura yelled as loud as she could. How the heck could she stand being around that idiot (to her) Vampire!? This was not going to work!

"Shut up," Gaara said, from behind her, "Your so loud. I could hear you from down the hallway. You're going to wake everyone up, and they wont be to thrilled with that."

Sakura 'Hmph'ed and turned her head.

"Hey, Gaara, can she just stay with me for a while? Till she gets better acquainted with you?" Naruto asked, bowing slightly.

Gaara glared slightly but nodded. Sakura smiled and turned to him.

"Thank you, Gaara!" She smiled. Gaara closed his eyes and walked back into the dark, disappearing again.

"Wow, he's so wonderful to live with," Sakura said, rolling her eyes.

"You haven't seen the half of it," Naruto said, laughing.

## 14. Goodnight?

"Sakura, I'll show you to our room," Naruto said, laughing.

"Alright. Hinata, what time do I come and see you tomorrow morning?" The pink haired girl asked, grabbing her uniform.

"At about 8:15 will be good," Hinata said, thinking about the different tasks they needed to get done the next day.

"Alright, good night, Hinata-chan, we'll see you tomorrow," He said, blushing slightly, nodding to said girl.

Hinata smiled back, not looking at him in the eyes. 'I am so getting them together!' Sakura thought slyly, thinking of a plan.

"Let's go, Sakura," He said, ushering her out into the dark hallway. He took her hand in his, lightly, and lead her halfway down the insainly large walkway, till they met a door, that was in a goldish color. Sakura watched him open the door, and the lights flickered on, revealing a large, king sized bed with red and gold sheets.

"It's beautiful!" Sakura exclaimed, running and clapsing on the giant peice of furniture.

"You can have the bed, I'll take the couch," Naruto laughed, grabing a pillow and a spare blanket.

"Alright, if you're sure. Good night, Naruto-kun," Sakura said, crawling under the covers, and closing her eyes.

"Night," He replied, falling ungracfully onto the red leather couch.

## 15. Work!!

Sakura was awoken early in the morning, so early that the room was still black. She had been gently pushed by two petite hands, which turned out to be Hinata's.

"What's up, Hinata?" She asked sleepily.

"It's time to start work, Sakura-chan!"

(I'm going to edit this, but I have to go to work now~)
