those all my stories I'm working on right now read it and say if you like it!

1. All the stories for the next 3 years

All the stories I m making with description and stuff you need to know.

BUT FIRST:

I apologize that I didn t update the story Gears of Shadow. The Problem is the following: first my Computer is not doing what I want somehow I ve becoming Viruses with no end, and the Internet is running nuts second: School. In about two years I m out of school and the stress is getting bigger and bigger so I don t really have time for the stories. So don t be mad.

And third: the fourth chapter of gears of shadow is a really big chapter so you have to wait.

Thank you.

And now to the stories!

Livin Away

Live your life like it is!

The story is playing about fifteen years after Shadow defeated Black Doom. After that Shadow Married Amy and Sogt is what came out of this Relationship. But they didn t thought of Shadows Family. Shade the Hedgehog, One of Shadow s Brothers managed to find out where shadow lives and sends his best fighter to get Shadow. In the years, Sogt finds out what his father is and tries to help him.

Shadow the Hedgehog 2: Next Stage

You re not alone, Shadow!!

This story begins after Livin Away. Everything was going normal. Until one Day a secret ally of combat mechs are kidnapping Shadow and saying the world is in danger. to reward Shadow, they re telling Shadow entire past and that he wasn t alone. He also got the Help of Tiffany the Hedgehog. His Sister and Shade the Hedgehog. His brother.

Dimension Collaps

What if the world ends today?!!

A dark power takes over the world! Is the world over? The mighty god Sephiroth wants to destroy everything and rebuild it, and for that he needs the Alpha core who his brothers hid from him in three different dimensions. Three heroic hedgehogs have been chosen to protect the world from destruction and from the god of death and destruction! Is the world over?

Find it out before the Dimension Collapses!!

Gears of Shadow

Are you afraid of the dark?

The World after. Cold.

Alone.

Dark.

Destroyed.

A mighty race that hid under our feet rises up of the ground. They're called Lochog! At the beginning, only known as a myth. Now real and dangerous! They're destroying everything in their way! Killing soldiers, destroying world wonders. The secret government G.U.N is desperate; they don't know what to do. Then they came. A mighty bound of soldiers stronger than anything they saw. The Gears of War. Will they end the War? Will they write a new chapter in world History? This isn't known.

Other info: the Story Gears of Shadow is actually a trilogy. But then I had more and more ideas now there are five episodes of Gears of Shadow.

The legend of the Twilight Princess

The world has many faces.

In this story the great Sephiroth re-rises again. And realizes that he never will win when Sogt, Midnight, Flare still are alive. So he drifts from region to region to help people and forgive his sins. Then one day. He finds a mysterious girl with an ancient helmet on her head. The girl came from another world that's for sure. Because she speaks another language and is different than the normal creature. This mysterious girl is from a world, not far from ours, who lived the entire time in the shadow of our light world. The Twilight Realm. That mysterious girl called Midna is looking for the god Sephiroth. Why? Because the world is turning black!

Assassin's Creed

I Stand All Alone!!

The year 1191 AD. The third Crusade is tearing the Holy Land apart. Shrouded in secrecy and feared for their ruthlessness, the Assassins intend to stop the hostilities by suppressing both sides of the conflict. The story follows Altair, a disgraced master Assassin who embarks on an epic quest to restore his status within the Assassin Order. After failing to liquidate the Templar leader Robert de Sable and recover the legendary Templar Treasure, Altair is demoted to Uninitiated (the lowest rank in the Assassin Order).

But Sinan, leader of the Assassins, offers him an opportunity to redeem himself. Altair must venture out into the Holy Land and assassinate men said to be exacerbating and exploiting the hostilities created by the Third Crusade. In doing so, he will stabilize the region, allowing Sinan to usher in an age of peace.

Altair. Who is chosen to find the one who is responsible for the third crusade. Has sworn to the Assassins that he always will follow the masters. But he has a secret that only one person knows. He has a forbidden love with the daughter of the one he's looking for. What he doesn't know.

Other info: Did you ever see Altair's Left hand? Where his main weapon

That's because he has his ring finger cut off. Every time when a new member comes to the Assassins they will cut them will cut him the left ring finger off in a beginning ritual. For three reasons: 1st. it will show that he belongs to the Assassins. 2nd. the weapon called Assassin Stabber has a little sharp sword which will be pulled out by opening the hand and the sharp

sword comes by the ring finger out. To stab the prey.

3rd. Once you are An Assassin, you are a monk and can't change it anymore. So they are cutting the ring finger of so that the Assassin can't marry anymore.

Last info: Altair the Assassin is the grand- grand- grand- grand- grand-Father of Shadow the Hedgehog. In this Story there will be a lot of original character Like Sonic the hedgehog as the one Responsible for the third crusade and Amy as the Daughter of him. So don't be surprised.

Sonic the Hedgehog 2: CORRUPTED TIME Time to settle it!! this story will take after Gears of Shadow and is the story who a mysterious character come out of the corrupted timeline and says he wants to settle what he began with Shadow the Hedgehog, there are also come all the old character like Sonic, Silver, Amy, Tails... and also new faces like Sogt, Sephiroth Anna and a lot more. the bigger question is: who is that mysterious character? And how did he came here?

Those are all my Stories I'm working on right now! ask me if you have questions for a story or so don't be shy.

BIG QUESTION: which story should be written next?!!

Post it in my Profile!!
