Hinata explored around Traverse Town then suddenly she heard "They'll come at you out of nowhere." and Hinata said "W-who are Y-you?!" then the voice said "and they'll keep on coming at you as long as you continue to wield the keyblade." the guy who was talking to her looked like Iruka sensei but with long hair, a scar in between his eyes, lots of belts and a blade that looked like a gun, they fought over the keyblade and Hinata won and tiredly said "N-now you're gonna..." then she fainted and a girl behind the guy said "Aww you're slipping Leon." the girl behind him was also a ninja but not from the villages she almost looked like TenTen, then Leon said "I went easy on her." at another ally Donald and Goofy were looking for Leon and Goofy said "Gwarsh there's nobody here, sure is spooky!" then Donald said "Aw i'm not scared" then somebody tapped him on the shoulder and he screamed (some brave duck he is lol XD) and the person who tapped him said "Excuse me, did the king send you?" then they looked back and saw a beautiful woman with a braid with a bow and a long pink dress and brown boots her name was Aerith, back where Hinata was she was on a bed and somebody said "come on Hinata wake up!" then she woke up and Naruto was there, was she back home?, then Hinata said while blushing "I-i'm happy to S-see Y-you N-naruto." then "Naruto" said "Naruto? who are you talking about? i'm the great ninja Yuffie!" Then Jack went to Doctor Finkelstien's lab to ask him to give the heartless a heart, but they couldn't open the heart capsule, but Hinata with her keyblade opened it and Jack said "My! that was amazing... and you are?" Hinata replied "Hinata Hyuuga" then Jack said "Well done Hinata! I want you to be part of this year's Halloween!" then Hinata said "What is this heartless doing here?" then Jack told her what he was doing, then the doctor needed two more ingredients, so he told Jack and the other to go find Sally, the doctor's first creation. Then they had to find the mayor to give them the other ingredient, so they got it, back in the graveyard there were three kids in a coffin, they were Lock, Shock, and Barrel. They went to go tell their master named Oogie Boogie the Oogie Boogie man about the heart the doctor was making.
