1. Beautiful Red Rose

Beautiful Red Rose

if you knew how many
tears i cried for you,
you'd probably understand
but since you're too busy to notice,
i think i'll just walk away
good bye to the rose you left me
good bye to the happiness you never
gave me
but until you and i meet again,
we will remember each other
but our voices will be forgotten
we're at two different levels
and our blood is deeply poisoned
but over you're grave,
lies a beautiful red rose
