made sometime in december

1. Emo Note

Emo Note

the ABC game I suffered from
i'm a black fuckin Nigger!
i'm from the inner core of the earth
i feel depressed
i confess
i can't get enough of pain
why can't i lose myself control
i cry alot
and i don't know why
how can i live when you try to suffocate me?
you could shuun me away like i was nothing
you could cut me like paper and watch me
bleed
you shake me and cut me off
go ahead and damage me
go ahead and cut me
you couls either drown me in water or my
own blood
go ahead and try
go ahead and slit my throat
