# 1. One In A Million

How did I get Here?  
I turned around and there you were  
Didn't think twice  
Or rationalize  
Cause somehow I knew  
That there was more than just chemistry  
I mean I knew you were kinda of in to me  
But I figured it's just too good to be true

I said pinch me  
Where's the catch this time  
Can't find a single cloud in the sky  
Help me before I get used to this guy

They say that good things take time  
But really great things happen  
In a blink of an eye  
Thought the chances to meet somebody like you  
Were a million to one  
I cannot beleive it (o woah)  
You're one in a million  
All this time I was looking for love  
Trying to make things work  
They weren't good enough till  
I thought I'm through  
Said I'm done  
And stumbled into the arms of the one

You're making me laugh about the silliest stuff  
Say that I'm your diamond in the rough  
When I'm mad at you  
You come with your velvet touch  
Can't beleive that I'm so lucky  
I have never felt so happy  
Everytime I see that sparkle in your eye

I said pinch me  
Where's the catch this time  
Can't find a single cloud in the sky  
Help me before I get to used to this guy

They say good things happen take time  
But really great things happen  
In a blink of an eye

Thought the chances to meet somebody like you  
Were a million to one  
I cannot believe it (o woah)  
You're one in a million...one in a million  
All this time I was looking for love  
Trying to make things work  
They weren't good enough till  
I thought I;m through  
Said I'm done  
And stumbled into the arms of the one

You're one in a million
