Could be to any Nobody slain by the Key bearer, watching their closest friend die at their side...

1. I never wanted to see you go...

I told you
I never wanted to see you go.
Now tears fall from these eyes
As I silently watch
You fade away.
I remember
When we went through bad times
And good.
And now I silently watch
You fade away.
We helped each other
Make it through each day
And now without you here
I can barely make it
Through this moment.
If you could have only stayed longer
Only a little longer
But now
Without you here
Tears fall from these eyes
As I silently watch
You fade away.
