1. searching for myself

"Hey! Can you hear me?"

All alone

No one in sight

And no matter

How much I cry out

For help

Only my echo reaches my ears.

Can anyone hear me?!

Does anyone know that I'm here?!

Silence

Envelopes me

And I can find no comfort

No matter how hard I search.

Can anyone hear me?!

Does anyone know that I'm here?!

Why does it seem

That I'm the only one here?

Maybe I am the only one

Maybe all that ever will be...

Am I on my own now?

Is there anyone out there?

Help me! There's nothing out there!

Absolutely nothing!

It's surrounding me!!

And no matter how much I cry out

No one is responding!!

Roxas!! Help me!!

It's a never ending dream!

And my heart is beating faster

My fear growing

And nothing...

Nothing...

Nothing...

It's like I don't exist

For reality

But I do exist

For myself.

Why aren't you responding?!

I'm right here

Under your nose!!

And yet you still don't know I'm here!!

Emptiness...?

Am I even here...?

Searching for myself

In the middle of my sane life...
