# 1. Lucia Tyler

America, 2007.

Pleasant day. Bit breezy, but that's the weather for you.

Watch as a girl comes running round the corner of the street. See how she'll almost trip, then quickly bend down to tie her left shoelace. Then watch her get back up when they are half done and run up the street, she is so late for work.

As she runs see her pull out her glasses and shove them on her face, then pull off her jumper to reveal her work clothes.

Then she runs into a cafe, panting.

This is Lucia Tyler.

\*\*\*\*\*

Lucia Tyler ran round the corner of the street, almost tripping. She sighed and quickly stooped down, loosely did her left shoelace, then got up and ran.

"Oh go, I am SO late!" she said in her heavy cockney accent.

Lucia couldn't see far, so she pulled out her glasses and shoved them on her face. Then she pulled off her green polo neck jumper to show her work outfit, a green puffy dress and a white apron.

She rushed into the cafe she worked in, panting.

## 2. Mikayla

A girl with brown hair that went to her elbows was filing her nails behind a counter and blowing bubble gum. She had a work outfit like Lucia, but in dark blue.

"You're late!" she trilled.

Lucia sighed anime-style.

"Yeh, thanks for pointing it out, mate. Any other personal comments y'wish t'make bout me, go ahead!" replied Lucia.

The girl looked a bit puzzled, then understood what she said.

"Oh! Right. I'll never get used to your accent, you know."

"Yeah, well, we aren't all american Mikayla." snapped Lucia.

"Now, now! Don't snap!"

"I'm a mew mew wolf, naturally agresive."

Lucia threw her head up and howled.

Everyone in the cafe, where she worked, looked at her.

"What?" she asked. Everyone continued eating.

Mikayla smiled.

"Where's your pendant?"

Lucia smacked her head.

"Oh, no! I forgot it at home!"

"Well, I can't see us being attacked today, so don't worry."

Mikayla stroked her pendant, gold with a sapphire butterfly carved in it.

"Bloody mew mew bloody rainbow." muttered Lucia at her ego-centric friend, and came behind the counter to serve some cake.

### 3. Gina

A group of people came up to the counter to order, so Lucia got busy plating up the cake.

She felt a tap on her shoulder and turned to see her other best friend, Gina.

"Hi." she said, and starting helping her serve the cake.

She also wore a uniform like Lucias but in ice blue, because she was mew mew Snow mixed with a siberian tiger.

"Hi. I forgot my pendant!"

"Oh, no! If you need it, you can always borrow my bike."

"Thanks Gina."

"No probs! Now, how many slices of chocolate cake do we need?"

"Three." called Mikayla, ringing up the numbers on the till.

So the 3 girls worked hard until it was closing time for lunch, one hour.

"So, shall we eat cake?" asked Gina.

They put money in the till and grabbed the cakes they wanted.

Lucia had a piece of carrot cake with coffee icing. Gina had a scone with jam and whipped cream and Mikayla had a strawberry cupcake with sprinkles and a cherry.

The girls sat and ate, but the bell of the door rang.

A boy with silver hair that flopped into his eyes came into the shop.

"Umm..hi." he said, looking at the waitresses.

"Shops closed for lunch." said Lucia.

"No, it's not!" said Mikayla. She rushed over to the boy and sat him down.

"Thanks..." he said, but his gaze didn't falter from Lucia.

Lucia kept looking at him too, and suddenly was aware she had turned very red.

She shook her head.

"No, no!" she muttered to herself.

But the boy kept looking at her.

## 4. Mew mew catchphrases!

After they had eaten, Gina and Lucia put their plates in the kitchen and talked while they washed up.

"I love the cafe, don't you?" asked Gina.

"Oh, yeah! the mew mew cafe rocks!" replied Lucia.

"Cool. Hey, what do you think of Elliot?"

"....Cute."

"Oh. What do you think of that boy who was looking at you?"

"....OK. I don't ever think I'll 'ave a boyfriend, though."

"Why? Don't you think you're good enough?"

"Well, 'alf that and 'alf I don't need one. I 'ave friends, I 'ave eregot, wat more do i need?"

"A catch phrase! I made one up for me, wanna hear?"

"Hit me with it, Gina."

Gina span round in loops and jumped to a handstand.

"Mew mew's great;  
and Snow is strong;  
Mew mew snow will  
not go wrong!"

Lucia clapped.

Suddenly, Mikayla came in.

"Hi, guys! I couldn't help hearing chants-want to listen to mine?"

""Sure!""

"Ok!"

Mikayla jumped high and arched downwards so she was bent in mid-air, then she suddenly straightened and landed on her feet then did a foward roll.

"Mew mew passion,  
mew mew power,  
mew mew Rainbow  
Ain't no flower!"

Gina smiled and they both clapped.

Mikayla bowed.

"I made one too. Want to hear?"

"Cool!"

Lucia jumped doing a somersault, then turned into backflips. She landed on her head and span, then fell to her knees and howled. Why she was doing this, she sang:

"Mew mew strength  
and mew mew might,  
mew mew Autumn  
Wins her fight!"

More clapping from the girls.

There was another clap.

They turned to see the boy with silver hair.

Lucia blushed.

"So, you're british?" he asked. Lucia bowed.

"Yep, i'm a good girl I am!"

"Cool. I'm Matt. Why are you calling yourselves 'mew mews'?"

The girls exchanged glances.

"It's the name of our girl club. We made up names for ourselves." said Gina, quickly.

Matt smiled.

"Awesome. I'd better go, sorry for the trouble."

As he left, Lucia ran after him.

"Oh, you weren't no...Uh....You were not any trouble." she said, smooting out her accent. Matt smiled.

"It's sweet of you to say that. Can i come tomorrow? During open hours, obviously."

"It's a cafe. You can come any time you want! Besides, the parks always open."

Matt smiled, but almost sadly.

"Oh, ok."

He walked on.

"Of course, i'd like you to come." she called. Matt grinned.

"Then I will. bye...."

"Lucia."

"Lucia. That's a nice name. Bye, lucia!"

He left.

Lucia made sure Gina and Mikayla weren't there.

"He likes me!" she said.

## 5. Kisa!

Lucia Came back to the counter after re-opening the doors.

She noticed they were out of chocolate cake.

"Uh, I'll go tell the Baker."

Lucia gently knocked on the bakery door.

"Come in!" called a voice. Lucia opened the door.

The bakery room looked like a snowstorm, and everywhere was coated with dough.

A girl in a teal dress was making cakes and pastry.

"Hello?" she asked as she kneaded like mad.

"Umm....hi...."

The girl threw up the dough and karate-chopped it into pieces.

"Well? What do you need?" she asked, looking up.

"We're out of chocolate cake." said lucia. The girl reached under the counter and brought ut a huge cake.

"Here you go..."

"Lucia."

"Cool. Names Kisa. I'm 13."

"Bit youg to work 'ere, ain't cha?"

"Nah. I'm a mew mew too."

"Cool!"

"Ok, see you around."

"See ya!"

Lucia left with the cake.

## 6. Mew mew metamorphosis!

Suddenly, the whole cafe shook and Lucia dropped her cake.

Kisa came out of the bakery, dusting herself off.

Gina and Mikayla rushed out the kitchen.

"What was that?" gasped Mikayla.

"I don't know, but we'd better metamorphosise before we find out!"

"Mew mew Snow Metamorhosis!"

"Mew mew Rainbow Metamorhosis!"

"Mew mew Aero Metamorhosis!"

"OH NO! I FORGOT MY PENDANT!"

Lucia ran out the abck, grabbed Ginas bike and cycled off, as fast as she could.

## 7. Leo

Lucia got prretty far, until she remembered she didn't know how to ride a bike.

Promptly, she fell off.

But someone caught her.

She looked up to see she was in the arms of a tall blond, male, smiling at her.

"My, my. You seem in a rush." he said.

"I am. Now kindly take your paws off me!"

"What a coincidence."

Lucia looked down at his hands. They were like normal, but orange and black stripes had appeared on them and his nails had turned to tiny claws.

"ahhh...." mutttered Lucia.

The boy suddenly sprouted tiger ears and a tail.

"Where to?" he asked.

"My dads 'ouse!"

"Hold on."

Lucia put her arms round his neck and he started running. Then, at the end of the street, he jumped.

Very far.

They landed on the end of the next street, and he ran and jumped again.

"Who are you?" asked Lucia.

"Names leo."

"Mew mew?"

"Only girls are mew mews. But my DNA is infused with a tiger."

"Oh...."

Leo jumped and put Lucia down, outside her fathers house.

"Thanks!"

"Need a ride back?"

"I 'ave to find my pendant first!"

Lucia ran inside, up the stairs and into her bedroom.

There was eregot, with her pendant in his mouth.

He spat it out in her hand.

"Forgot something?" he asked.

Lucia sighed.

"Mew mew autumn metamorphosis!"

She transformed.

"Gottta go. Bye!"

Lucia jumped out the window, and landed on the pavement next to leo.

"Lets go!" she said.

So, Leo jumped and Lucia ran back to the cafe, where they were needed-desperately.

## 8. "Metamorpho-sword, Triple slice!"

The mutant ducks were on the rampage!

"HELP!" screamed mikayla.

Lucia put her hand in the air and a star-bell appeared!

"Apple Star Blow supreme!" she screamed. The red star shot a beam of light at the duck.

"Ribbon Rainbow Blast!" said Mikayla, and whipped in the duck so it became entangled.

"Metmorpho-rang. Ribbon Snow!" called Gina, throwing an ice-coloured boomerang to freeze the duck.

"Pear Aero flower power!" yelled Kisa, holding up her bell-like Lucias but in the shape of a tulip (It was green)-and a tube light surrounded the duck.

"Finish it, Lucia!" called Leo.

"Right! Mew mew katana!"

Lucia threw up her hand and a new weapon appeared in it, an star-shaped hilt and a blood red blade.

"Metamorpho-sword, Triple slice!"

The duck exploded, and turned back to a purple haired duck from the sailor sun chronicles.

"Well done team!" said Leo.

"Oh. Hi leo." said Mikayla.

"You know 'im?" asked Lucia.

"Well, technically he's our boss." said Gina.

"oh..."

"Come on, we have customers to serve!" said Kisa. the five went back inside.

From the top of the mew mew cafe, Matt watched them.

He turned round, started walking then disappeared.

## 9. How Lucia met the mew mews

"Do you remember how we first met?" asked Mikayla.

"Oh, yeah! I met you as mew mews ages before I met yourselves!"  
said Lucia.

FLASHBACK

Lucia was 12. She was walking down the street with Eregot, when she heard a roar.  
Behind her, this guy with mad ears sticking out the side of his head with silver hair comes out.  
He wears baggy jeans with a tank top, all in dark green.

"Hello, my little wolfie."

Lucia is puzzled.

"You're a mew mew." he continues.

Lucia looked shocked.

"Yeah! Are there others?"

"Oh, yes, my dear. Take my hand and join our 'team'."

Lucia reached out but someone yelled:

"Ribbon rainbow blast!"

He quickly took his hand away.

Two girls stood in blue mew mew outfits.

"Leave her alone!" said the one in light blue.

The one who had cracked the rainbow whip held it up again.

Lucia jumped in front of the boy.

"Leave 'im, you predasites!" she yelled.

The light blue one ran over to her.

"We're not predasites! We're mew mews! You'll join them if you follow him!"

Lucia looked at the boy.

"Leave this girl, Toidi!" said The light blue one.

Toidi smiled and faded.

Lucia looked at them.

"Mew-mews?"

They nodded.

"We have to go! Goodbye!"

They ran off.

"NO! DON'T GO!" screamed lucia.

\*\*\*\*\*

"That was how we met." said Mikayla.

"Yeah. Weird. Never saw Toidi again after that. Anyway, we have cake to serve!"

## 10. Team up!

"Hey, I was thinking, we need a cool opening!" said Lucia.

"Let's use the the original theme tune!" said Mikayla.

"Cool!"

(Na, na, na, na-na)

(Na, na, na, na-na)

"I didn't count on this  
Upon my very first kiss  
This isn't the path we chose  
But there's so much we could lose

Team up! (Team up!)  
Are you up for it?  
Put your hand in mine  
It's a perfect fit

Team up! (Team up!)  
'Cause it's up to us  
But it's hard to save the world  
When you fall in love

(Na, na, na, na-na)

If we band together  
Like birds of a feather  
We'll be friends forever  
We're going up, up, up!

Team up!  
'Cause it's not to late  
We could save the day if we collaborate

Team up!  
'Cause it's up to us  
But it's hard to save the world  
Yeah, it's hard to save the world  
When you fall in love..."

(Na, na, na, na-na...)

"That was random." said Kisa. Gina laughed.

"Well, we are mew mews!" she replied.

"Yeah, suppose."

## 11. Mew Mew who?!

A couple of days later, All the mews were called to the counter for an announcement.

"Girls, another mew mew has been found." said Leo.

They gasped.

"How?" asked Kisa.

"There was an article in the paper. She was caught on film."

"Was it one of us?" asked Gina.

"No. Are any of you infused with a red fox?"

Everyone shook their heads.

"We believe her name is Nash- and she is called mew mew Earth."

"Mew mew Who?!"

## 12. Uptown

Lucia looked at her friends.

"We 'ave to find this new mew." she said, a serious expression on her face. Then again, her expression was always serious. That was the thing with Lucia, she never smiled.

"Ok!" said Gina.

"Where do we start?" asked Mikayla.

Leo flicked through the magazine.

"...Um....Oh! Number 64, Cherry Blossom lane. Uptown."

"Isn't that where all the posh people live?" asked Kisa.

Leo nodded.

"This is gonna be 'ard. Remember 'ow akward it was for the original mew mews to convince Corina to join the team?" asked Lucia.

"You'll be fine." said a voice. Elliot stepped out from behind the counter. He had left the original mew mews from Japan for a while to help Leo get the hang of being in charge, and working the computers.

Lucia looked at him and paused. After a while she nodded.

"Fine. C'mon!" she said. The girls ran out of the shop.

Keo sighed.

"They aren't gonna be fine, are they?" he said.

"No. Not as such." said Elliot.

## 13. The limo...OF DOOM!

3 HOURS LATER

Lucia held up a map.

"Where the 'ell are we?" she asked.

Mikayla looked at the map.

"Well.....uptown is here, we're here, next to the Dunkin' doughnuts...."

"....And you've got the map upside down." finished Gina. Lucia and Mikayla did anime style falls.

"Ok, Ok, we 'ave the map upside down. Let's start agin."

"Right. We're here in downtown. Uptown is there, so we have to walk," Kisa did some calculations in her head, "Five miles to be in uptown, and another two to get to that street."

All the girls did anime-style falls.

"Hey! Maybe they can give us a lift!" said Gina. A limo suddenly rode by, and it looked like it was from uptown.

All the girls stuck their thumbs out like hitchhikers.

The Limo simply drove through a puddle. If there was a puddle there or not before doesn't matter, but there was now. And they all got soaked.

Steam came out of Lucia's head.

"Oh no. Lucia, don't get angry!" said Kisa, but Lucia was already running after the Limo.

As she ran, she sank lower, so she was more streamlined.

Then she jumped.

And landed on the back bonnet of the Limo.

Lucia bit into the back, with her very pointy canines.

A hole appeared in the back, and she ripped it open with superhuman strength.

She reached in, grabbed something, and pulled it out. The limo stopped, abruptly.

The Limo driver got out and looked in amazement.

"Kid! WHAT THE HELL DID YOU DO TO MY LIMO???" he screamed.

Suddenly, Lucia's ears popped out.

She hurriedly stuffed them under her hair and ran back towards her friends.

"LEG IT!" she screamed as she ran past them. The mew mews ran off hurriedly, with the limo driver-and the people in the limo, who happened to be bodyguards of the celebrity inside- hot on their tails. \*

\*Quite literally. Lucia's tail popped out too.

## 14. Just in time!

"Up 'ere!" said Lucia, pointing to an alleyway. The girls ran and...it was a dead end!!

"Looks like we'll have to fight!" said Kisa.

"No, look!" said Mikayla, "A ladder!"

Sure enough, there was a ladder in the side of the wall. Quick as a flash; the girls ran up it just as the limo driver and bodyguards came into the alley.

## 15. Reenee Roberts

The girls bresthed sighs of relief.

"Wow. That was close." commented Lucia.

"Yes. Too close." said Gina.

"But what about the limo?" asked Mikayla.

"We need to get rid of it." said Kisa.

Reluctantly, they all they agreed. The girls jumped off the top of the building and landed on their feet. They ran over to the supposedly empty limo and got into the front of it.

"Ok, how do we start this?" asked Mikayla, looking for the keys.

"I dunno! The driver probably took the keys when he left!" replied Kisa.

"Ummm....guys...." said Lucia.

Everyone looked into the back of the limo to see the famous singer, Reenee Roberts.

"Um...hello." said Lucia.

Reenee looked in disbelief at them.

Suddenly, the chain holding Ginas pendant snapped and it fell on the floor.

Reenee picked it up and looked at it.

"You're all mew mews, aren't you?" she asked. The girls held up tjeir pendats and nodded.

"Get in the back with me." she said. The girls crowded in the back.

The Limo driver came in.

"Well, we didn't have any luck with get-" he began. Then he noticed the girls.

"It was them!"

Reenee smiled.

"They're my friends. Where to?" she asked.

Lucia held up the map.

Soon they were off.

"I'm doing a gig in America. I'll be back in Tokyo by tonight." explained Reenee. The girls weren't listening-they were looking around the limo.

It was HUGE. There was a fridge, a TV-

Mikayla pushed a button.

A pool opened in the bottom of the limo.

"WOW!" said all the girls.

"We're here." said Reenee. The girls got out.

"It was nice to meet you American mew mews," she said, "I'll come to the American mew mew cafe when I'm back in town."

The limo drove off.

## 16. Meeting Nash and Miyu

The girls went up to the door of the mansion and kisa knocked rang the doorbell.

There was a scuffling and the door was opened by a butler.

"Yes?" he asked.

"Can we see Nash, please?" asked Lucia.

The butler looked at Lucia in shock.

Everyone turned to see her tail had popped out.

"Crap..."she muttered and shoved it into her jeans.

Suddenly a young girl with red hair came to the door.

"Hello?" she asked. She saw the girls pendants.

"You'd better come in." she said.

\*\*\*\*\*

Nash lead the girls up her stairs to her room.

Inside was another girl with dark blue hair.

"Oh." she said.

"Miyu, meet the others." said Nash. The four waved.

nash and Miyu held up their pendants.

" 'Ello, mew mews." said Lucia.

## 17. Some days later

Nash frowned and looked down at her poofy waitress dress, and tried to smooth it down.

Miyu smiled.

The cafe was reasonably busy, not crowded that day.

"Nash, will you stop fussing?" asked Mikayla.

"Girl, girls!" called Leo, "Look, we believe another mew mew id s going to reveal herself soon."

All the girls fell, anime-style.

"WHAT?!?! ANOTHER ONE?" asked Gina.

Leo sighed.

"Yes. Her name is mew nyanko."

Lucia rolled her eyes.

"Well, if we have to find her, make it the day after the day after tomorrow."

All the girl looked at her.

"Why?" asked Kisa.

"I have...things to do."

"Very well. Girls, haven't you got customers to serve?"

All the girls split up, except Miyu and Kisa.

"Lucia's acting weird, isn't she?" asked the baker.

Miyu looked up at the calender on the counter and gasped.

"What???"

Miyu pointed.

"Ok, it's the 27th today, look at the 29th!"

Kisa gasped.

THE 29th DECEMBER

FULL MOON

## 18. Tomorrow

### THE NEXT DAY

Lucia sat at a table in cafe mew mew, drinking some herbal tea.

Gina, Nash and Mikayla stood at the counter serving cake.

"One of us has to talk to her." said Nash.

"Yes. Gina, you go." said Mikayla.

"What?! Why me?!"

"I think she has the strongest bond with you. Besides, according to her, I'm 'egocentric'."

Gina put down the chocolate cake she was carrying and made her way over to Lucia.

[oh, just a note, lucia is pronounced

loo-see-ah

not

loosh-a]

"Lucia?"

Lucia looked up and Gina.

Her pupils narrowed.

Then she pounced.

"AAAAH!" screamed Gina.

Lucia scratched her face.

"Lucia!" yelled Leo.

Lucia looked up at her friend.

Then she threw her head up and howled.

She ran out of the cafe on all fours.

Gina put her hand to her cheek and looked at the blood from her face.

"Gina, are you ok?!" asked Miyu, running with the other mews to Gina.

"Yeah, I'm fine."

"But you're bleeding!"

"Only a little."

Leo stood up and looked at the doors.

"It isn't her fault. She's like this all the time when it's near the full moon." he said.

"But she seems worse. She's never attacked us before!" replied Mikayla.

"I know..." he muttered.

The girls knew Leo was at a loss what to do.

"Let's go find her and reason with her. She is no real threat to people-"

"- Unless she mewtamorphosises."

"Look, Nash and Kisa stay here. If we need you, we'll call. Me, Gina and Mikayla will go and find lucia." said Miyu.

"Ok!" agreed Kisa and Nash.

The girls went their seperate ways.

Nash and Kisa looked at each other, and stroked their mew mew pendants, and hoped in their hearts they wouldn't need them.

## 19. Predasite alert!

Mikayla, Miyu and Gina scurried through the park, looking in all the bushes, in every tree, behind every fence for Lucia.

"Look, she isn't in the park." concluded Miyu.

"Where should we go?" asked Mikayla.

"Who are you looking for?" asked a voice.

The mews turned to see Matt.

"Hi matt. Have you seen Lucia?" asked Gina.

Miyu looked confused.

"This is Matt, our friend." explained Mikayla.

"No, can't say i have." replied Matt.

Suddenly, There was a squeak from Ginas pocket and her R2003 came out.

"Predasite alert! Predasite alert!" screamed her mini mew.

"Matt, we have to go!" she said.

The girls ran away, behind some trees and took out their pendants.

"Mew mew Rainbow, mewtamorphosis!"

"Mew mew Snow, mewtamorphosis!"

"Mew mew Aqua, mewtamorphosis!"

The girls turned into their mew mew forms.

"Where, mini mew?" asked Gina.

Herr blue ball of fluff pointed into the city.

"In the town?"

"No! Mountains!"

The girls looked at the group of tall hills just beyond the town they called 'mountains'.

"Ok, let's go!"

## 20. Why?

Eventually, the girls got to the top of the tallest mountain, really puffed out.

It was mid-evening.

"Ok, where now?" asked Miyu.

Mikayla pointed.

The girls looked forward and saw The figure of Lucia squatting (Trying to sit like a wolf but failing) on the edge of the cliff.

"Lucia?" asked Gina.

Lucia turned and looked at them sharply, sniffed and turned her gaze back to the horizon.

"Lucia, why are you so upset?"

Lucia was silent, apart from her heavy breathing.

"She....died....tomorrow...." she said, quietly.

"Who?" asked Mikayla.

...

"My mother."

The girls gasped.

"I sit here every year...and howl at the moon....in her memory...."

Suddenly, Gina Mikayla and Miyu felt a great pain on themselves. Their friend was in such distress, and yet they failed to notice?

Slowly, Gina went and sat down by Lucia.

Lucia looked at her cheek.

"I hurt you....I sorry..." she said.

Gina shook her head.

"It's fine. May we sit with you."

Lucia was stiff, but then nodded.

The others girls came and sat by her.

But they had forgotten about the predasite.

Suddenly, a huge mutant mole flew up from the side of the mountain, causing it to rumble.

This caused Lucia to loose her balance...

and fall off the cliff.

## 21. Alot of things

Gina threw her hand down and grabbed Lucias wrist.

Mikayla took out her R2002.

"Get Kisa and Nash!" she screamed.

The tiny robot flew off.

"Juniper Bell!" said Mikayla, a dark blue bell appearing in her hand.

"Blackberry bell!" yelled Miyu, doing the same.

The mole looked at them, then turned back into the mountain.

"C'mon, after it!" said Mikayla.

Her and Miyu ran after the mole in the mountian.

Gina hoisted Lucia up onto the cliff.

"Lucia, we really need you to control your power and help us!" she said.

Lucias pupils flitted wildly, but she nodded, took a deep breath, and stayed still.

"Ok. I'm ready.

Mew mew Autumn mewtamorphosis!"

\*\*\*\*\*

R2002 flew into the cafe mew mew. Kisa rushed out to join them.

"Ok! Where?"

"Mountains! Mountains!"

"How do we get there?"

Suddenly, there was a mechanical-sounding roar from out side.

The two waitresses ran outside to find leo on a motorbike.

"How will we all fit on there?" asked Nash.

Leo pushed a button on the bike and two more seats appeared.

The girls clambered on and they rode off to the town.

\*\*\*\*\*

Miyu and Mikayla flew out the cave, landing hard on the ground.

"It has friends." said Mikayla.

Suddenly, three huge mutant moles game from the hole.

"Blueberry bell!" said Gina.

"Apple bell!" said Lucia.

Their bells appeared in their hands and all the girls pointed them at the moles.

"Rainbow ribbon blast!" screamed Mikayla.

"Blueberry blast!" conitnued Gina.

Two blue beams came from the bells and hit the middle mole, causing it to fall.

The largest mole opened its mouth and a huge purple laser, which hit the mews and caused them to fall to the ground.

"I can't move!" screamed Lucia.

The mole came over to them.

there seemed to be no hope for our heroes....

"Ice bell, snow storm!"

Suddenly, a blast of pure white hit the ole in the side of the head and it fell off the side of the cliff.

A girl in a white mew mew outfit with white and black spotted ears and tail came out with a white bell in her hand in the shape of a heart.

"...Who are you?"  
the girl turned, her white hair flying round her face.  
"I'm Mew Nyanko."  
Suddenly, there was the sound of a motorbike.  
Leo, Nash and Kisa appeared.  
"mew mew Aero, mewtamorphosis!"  
"mew mew earth, mewtamorphosis!"  
The other mews ran to the girls trapped in the laser web and pulled them free.  
"We 'ave to finish this last predasite!" said Lucia.  
She pulled out her bell.  
So did Mew nyanko and mew Earth.  
"Mew mew Bell Tri attack!" they said.  
A pink stream flew out and hit the last mole.  
It fell.  
Three predasites came out of the mutants and R2002 and R2003 ate them.  
Leo came over to Lucia.  
"i think you should have this." he said, handing her a small fluffy robot.  
It looked like a mini mew in red, but instead of a fluffy tail it had a spiked one and a pair of horns.  
"Mini monster!" it squeaked.  
"R2004. We made it for you, we know your not one for...fluffy things." explained leo.  
"Excellent..." muttered lucia, putting it in her pocket....if she had one.  
They turned to mew nyanko.  
"Welcome to the team!" they greeted.

## 22. Father

\*\*\*\*\*

Nyanko span around, her new grey waitresses dress flying round her.  
Suddenlt, she fell over.

As elliot came out the kitchen, he caught her.

"Nyanko, you really have to stop spinning around and falling just as i come out the kitchen." he said, walking off.

Nyanko squealed and blushed.

"Geez, girl, you've only been here a day and all ready your flirting with Elliot like it's an olympic sport!" said Gina.

Nyanko grinned.

"Eh, It doesn't matter. Lucia seems to have calmed." said Mikayla.

The 3 girls turned and looked and Lucia, who was serving cake to two enthusiastic young school children.

"Yehh...." muttered gina, stroking the scar Lucia had left on her cheek.

The girls got on with their work.

Lucia came over to Mikayla, a mop in her hand.

"Those kids were only in nursery!"

Mikayla looked blank.

"Kindergarden." sighed lucia.

"Oh! Lucia, are you still going to the cliffs tonight?"

"Yes. It's what i do."

Suddenly, the cafe bell tinkled as a new person came in.

Lucia turned to look at the customer.

He looked quite young, well, just over 30....

He was japanese and wore small glasses.

"oh, man..." muttered Lucia.

Then he noticed her.

"Lucia-chan!" he called, coming over to her.

"Ottosan\*!" she replied.

"Hajimemashite?"

"Daigobu desu...look, what do you want?"

"Here, you left this necklace in your room!" he said, handing her her pendant.

"Arigato. Ja!"

"Ja!"

he left.

"Lucia, who was that?"

"...My dad."

"WHAT?! You never told me!"

"No...."

"Are you fluent in japanese?"

"No, no...I just know the odd phrase..."

"look, are we gonna clean this floor or not?"

Mikalya nodded and they started cleaning.

\*is that the right word for father?

## 23. THE 29TH

Lucia sat on the edge of the cliff, legs dangling off, hands gripping it tighter than she ever had before.

Behind her, Eregot sat peacefully.

"It is three minutes until midnight, Lucia."

She nodded, and threw her self back onto the cliff.

"Two minutes."

Lucia was wearing a lime-green tank-top and a pair of battered Flares. Around her neck was a stripy scarf and she had a pair of clogs on.

Yes, wherever she went, Lucia tyler was a fashion statement.

She felt the usual things as it came to full moon.

Her canines grew so big they forced themselves out her mouth and her tail and ears grew.

Suddenly, another wolf (not eregot) came up to Lucia and sat by her.

Lucia looked at her.

And she looked back.

"Lucia, it is kidnight."

Lucia went to the end of the cliff, threw her head up and howled. So did Eregot and the new wolf.

After about 5 minutes, they had to stop.

"PREDASITE ALERT! PREDASITE ALERT!"

Lucia looked up.

There was a dark figure with long ears. He took something out his pocket-a fusion thingy- and threw it at the wolf next to Lucia.

"Mini monster! Go get the others!"

Her red fluff ball flew off to find allies.

"Mew mew

Autumn, mewtamorphosis!"

## 24. outcast

Lucia growled and looked at her enemy.

Eregot's ears flattened against his head-a sign of aggression .

"Apple bell!" called Lucia. Her red star-shaped bell materialised in her hand.

The mutant wolf growled. It was a lot bigger than she was, and it had terrible sharp fangs. Its fur had turned into metal battle armour.

Suddenly, mini monster came back.

"Mini monster! That was fast!" exclaimed Lucia.

"Have help! Have help!" it said.

Suddenly, Gina and Mikayla came along- Gina in a pair of ice-blue PJs and fluffy bunny slippers; mikalya in a long night gown which she kept tripping over.

"WOW! Now I see what mini monster meant by big." Said Mikayla.

Gina and her friend took out their pendants.

"Mew mew Rainbow, mewtamorphosis!"

"Mew mew Snow, mewtamorphosis!"

The girls span and they were in their mew mew outfits.

"Blueberry bell!"

"Juniper bell!"

The ally's bells appeared in their hands.

"C'mon! Let's bring it down!" said Lucia. They held their bells together.

"Mew mew Tri attack!"

A Deep purple light came from them, and it hit the wolf-

But the predasite was too quick. It crouched down and the hit directed off its armour.

The mew mews looked on in shock, as it swung out its paw and hit Lucia over.

"Lucia, are you OK?" asked Mikayla.

"I'm fine! GET IT!"

Mikayla looked blank. How could she defeat an enemy that had no weakness.

Suddenly, R2002 flew up to her.

"Combine your weapons! Combine your weapons!"

"How?"

"Whip and Bell! Whip and Bell!"

Mikayla raised her bell and her other hand.

"Juniper bell, rainbow ribbon Blast!" called Mikayla, her whip appearing in her hand.

The whip and Bell morphed together, and she whipped at the predasite.

Lucia held up her hand.

"Mew mew Katana!"

Her other weapon appeared.

"Apple bell katana, triple slice!"

Her weapons also combound into one, and she slashed at the wolf.

"Lucia! Together!"

"OK!"

"Apple bell katana, triple slice!"

"Juniper bell, rainbow ribbon Blast!"

Lucia's sword turned blue with mikayla's attack, and it sliced into the wolf's armour, leaving a hole.

"Gina!"

"Ok!"

"Blueberry Bell Metmorpho-rang,ribbon Snow!"

Gina's weapons glowed Blue as she threw her Bell like her boomerang and it went into the wolf, and exploded.

The shock threw Lucia backwards.

Gina caught her weapons and the wolf scampered off.

Mini monster ate the predasite.

"Disabled! Disabled!"

"Wow! We were brilliant!" said Mikayla.

The duo looked at Lucia.

"Yeah, you were."

"Lucia?"

"Open your eyes, Mikayla!" said Lucia, turning round, "I'm not cut out to save the world! I couldn't even save me mum! Man, I'm so weak! That's it. I quit!" she yelled, ripping her pendant off her mew mew outfit and throwing it down.

"Lucia, NO!" screamed Gina.

Lucia ran off, her tail and ears slowly drooping and her mew mew outfit fading to normal clothes. It began to rain as her friends stared on, knowing they could do nothing.

"Gina?"

"Yes?"

"What now?"

"We go home and tell Leo tomorrow."

The girls left the cliff.

From out a bush came eregot, the predasite had hit him when the girls didn't see.

"Lucia..." he muttered. Looking left and right, he decided to go after his friend.

And then the cliff was empty-

Apart from the alien sitting on the clifftop who had fused the wolf.

## 25. Suspicious...

Lucia ran and ran, until she hit some trees and bushes. She just kept running through them, the branches whipping her face and arms.

The blood was washed off her by the rain, but Lucia didn't notice. She had her eyes closed.

Suddenly, she fell hard on her face.

Lucia tried to look around her, but she didn't have her glasses.

Lucia groped to find something to get her up. In the end, she just pushed herself under a bush and hugged her knees to her head and didn't move.

\*\*\*\*\*

About ten minutes later, Eregot found Lucia in the same pose.

"Lucia, get ahold of yourself!" he snapped.

Lucia looked up at him, eyes cold with hate.

"I have no reason to go on. leave me here." she hissed.

Eregot sighed.

"I am going to wait by the first bushes. I expect you to come soon."

Eregot left. Lucia fell over and sprawled in the mud.

She shut her eyes and fell asleep.

\*\*\*\*\*

Matt came up to Lucia's limp body and sighed.

"They'll never find you here." he whispered.

He picked her up and jumped....

out of the bushes, to the place on the cliff where she was howling.

He gently laid her down on the rock and stood up.

He looked up at the cliff. The alien was gone.

Matt sighed and walked off, leaving Lucia sleeping in the moonlight.

## 26. random!

Mikayla and Gina anxiously waited at the door of cafe mew mew, before it had opened.

"Why is this taking so long?" asked Gina.

"Coz it's four in the morning." replied Mikayla.

Gina was fretting.

"We need Help now!" she said.

Mikalya sighed and picked up a rock.

"Gina, this will be mighty loud."

Mikayla flung the rock at Leo's window.

There was a crash as it hit and bounced off.

For a minute there was silence.

Suddenly the window was pulled open and leo popped his head out.

"What?" he asked.

"Leo! Help!"

"Look, if someone isn't dying, I ain't coming out."

"But Le-"

"Ok, I'm going back to sleep."

"It's Lucia!"

Leo stopped and looked at her.

"...Ok. I'll be down in a minute."

He shut the window.

Gina and mikayla looked at each other, worried.

But the door of Cafe mew mew was opened, and leo came out with a baggy pair of jeans and a short-sleeved top. His wild hair hang messily round his face.

On his neck was a cross-shaped locket.

"Ok, what's the deal?"

Gina and Mikayla explained about Lucia.

"Ok, c'mon, we have no time to lose!"

Leo pulled the cross off his neck.

"Tiger mewtamorphosis." he muttered.

His ears and tail popped out.

"C'mon, let's run!"

\*\*\*\*\*

The girls and leo made it to the cliff quickly.

"Ok, where is she?" asked leo.

"Um...there...." said Mikayla, pointing where Matt had laid Lucia.

Leo walked over to Lucia and picked her up.

"Let's get her back to the cafe."

## 27. Welcome back!

Is she OK?"

"Leo, check her breathing."

...

"She's fine."

"Oh, man, where did you find her, Gina?"

"On a cliff. it's a long story."

"Well, she looks really beat up."

"I know. She ran off through a bush!"

"Look, she's coming to!"

Lucia opened her eyes. She was on one of the tables of cafe mew mew .All the others were crowded around her, looking worried.

She jumped up, crouching like a wolf and snarling.

"Whoa, calm down Lucia!" said Nash.

Lucia jumped at her, but Leo grabbed her round the waist and wouldn't let go.

"No! Calm down! Calm!" he said. Lucia slowly stopped struggling and fell into his arms.

He stroked her hair.

"It's ok. You're with us. We won't hurt you. Ssshh."

Lucia sighed and fell limp against him.

"Can i have a cuppa?" she asked.

"What?"

"Cup of tea."

"Of course. Mikayla, put the kettle on." Mikayla walked into the kitchen.

Slowly, leo sat Lucia down on a chair.

"Now, tell me what happened."

Lucia looked at him.

She didn't move.

"Perhaps a chocolate muffin would loosen my tongue."

Leo sighed.

"Nash?"

Nash went and got her a muffin.

Lucia ate it up immediately.

"So hungry..." she muttered.

"What happened?"

lucia looked at him.

"I think as my wolf instincts become stronger, i become more wild." she said.

"Oh...."

"Yeah. Can i have some breakfast?" she asked.

"Make it yourself." muttered Mikayla, coming with Lucia's tea.

Lucia drank it, hungrily.

"Lucia.....do you want to be a mew mew?"

Lucia stopped and looked at Leo.

He held out her pendant, and Lucia looked at it.

She reached out and took it.

"welcome back." said Nyanko.

## 28. Secrets revealed!

AN: I'll try and do longer chapters for tuxedo\_mini\_mask, but i am typing this before school!

\*\*\*\*\*

Lucia, Gina and Mikayla came out of cafe mew mew.

It was new years eve, and Leo had insisted that they kept the cafe open.

"Ok, we need to find the alien who is making all the predasites!" said Lucia.

"AY! Mew mews!" called a voice. The girls looked up to see...an alien.

"Wow. Great timing." said Gina.

"I know. Anyway, i am personally challenging you 3 to a duel, here, in five minutes. Get any more help and you will be disqualified. See ya!" he disappeared.

"Random." said Lucia.

Suddenly, Matt came up.

"Hi matt." they all said.

"Hi. Who was that random floating dude?" he asked.

"We dunno. An alien." said Mikayla.

"Oh. Hey, can I talk to Lucia?"

Lucia shrugged.

"ok."

She walked off with him.

They strolled away from the others before Matt began to talk.

"Lucia, you're great, you know that?"

"Well, duh!"

Matt rolled his eyes.

Lucia looked at cafe mew mew, and saw leo looking out one of th windows at them.

"leo...." she muttered.

She looked a Matt.

"Put your arm round me!"

"Wh-"

"DO IT!"

Matt did as he was told.

"Good. Now what was it?"

Matt looked at Lucia.

"Will you go out with me?"

\*\*\*\*\*

"WHAT?!"

"Please?"

"No, Matt, I'm not one for boys. Ask Mikayla or Nash or someone."

"But Lucia, I like you!"

"Look, there are loads of reasons why this won't work...."

"You're telling me."

"What do you mean?"

Matt took Lucia's hands and put them either side of his head.

"Ok...." she said. There was a bulge, probably his ears.

Suddenly, lucia felt her hands being pushed out.

Matt's ears turned long and pointed-like an aliens- and his skin turned pale.  
His hair drooped, and his hoody and jeans faded into the outfit of a predasite.  
He turned into the alien they had just seen!

Lucia didn't gasp.

"Look at me. This is what i am. Lucia, I really like you, but htere is no way this would work!"

...

"Toidi?"

Matt stopped. A tear rolled out his eye and he noddod.

"Oh, Matt..."

"That isn't my name! Call me Toidi, i doin't care, I was the first alien you ever set eyes on. I fused the moles that almost killed you. I fused the wolf that made you cry. But i also saved you, that night, but...Go ahead. Just hate me."

"I don't."

"What?"

"You must know I'm a mew mew. We are both....freaks of nature. And we're mates, so it's Ok."

"...Thanks. But this doesn't mean the duels off!"

"I know. But let's make it one on one."

"...Ok!"

Lucia took her pendant off the chain she kept round her neck.

"Mew mew autumn, mewtamorphosis!"

## 29. Duel, forest and predasties, predasites!

Lucia turned into mew mew autumn.

"Ok, 'ere's the deal; if you win I'll give you all our stock of mew aqua, If I win..."

"What?"

"You 'ave to take me to the karaoke night at cafe mew mew tonight!"

Toidi looked blank, but nodded.

"Ok!"

Gina and Mikayla heard Lucia transform, and ran to help her.

"NO! This is a one-on-one match!" she said.

The others stopped.

"Ok. Beat him!" said Gina.

Lucia held up her hand, and swooped it down and clenched it into a fist.

"Apple bell!"

Her apple bell appeared.

"Apple bell blast!" she said. A red beam flew out and hit Toidi.

"Good, mew mew. Predasite katana!"

A sword appeared in Toidi's hands. It was black and very, very long.

"Crap!" said lucia. Her apple bell wouldn't let her win now.

"Mew mew Katana!" she said. She threw her apple bell in the air, it disappeared and her Katana appeared.

Lucia roared and threw herself at Toidi, thrusting her blade at him.

Toidi held up his sword and pushed her away.

"Good. Not good enough!" he said, striking.

Lucia jumped, but Toidi still hit her tail and cut of a few hairs.

Lucia looked at it. Her expression of shock turned to that fo anger.

"OW DARE YOU TOUCH MY TAIL!" she screamed, raising her blade above her head and bringing it down on Toidi.

He held up the predastie katana, but Lucia knocked it out his hands.

He fell to the ground.

Lucia held the mew mew katana to his neck.

Toidi smiled.

"See you tonight."

And a a blue swirl swallowed him up.

"Whooo!" screamed Gina and Mikayla, running to lucia as she turned back to a normal human.

"Cool! You won!"

"Yeh. I 'ave to go now, get ready for Karaoke night."

"We'd better too. Bye!"

"Bye!"

The girls parted their seperate ways.

\*\*\*\*\*

Lucia skipped down the road, ready to change for her evening out.

As she got to her door, she stopped.

Suddenly, she heard raised voices.

Lucia went round the corner of her street to see an...unlikely sight.

Two predasties stood over a green-haired girl woith her hair in buns.

"Where is he?" screamed one.  
"Toidi?" asked Lucia, looking at them.  
The two predasties turned around.  
Neither of them were her friend, one was a purple haired girl and the other was a indigo haired boy, who looked like the girl but taller.  
"You seen him?" asked the girl.  
Lucia didn't reply.  
"Why are you 'urting this girl?"  
The boy sniffed.  
"She won't tell us where our friend is, stupid mew mew."  
Lucia gasped, and ran to the girl, pushing the predasites either side.  
"Are you OK?" she asked the girl. She was dressed gothicly in black and green, and rubbing her head.  
"Yeah, i'm fine. Who are you?" the last bit was directed at the predasites.  
"I'm Hctib. This is my brother, Diputs. We are Toidi's friends. Seen him?" said the girl.  
Lucia stood up.  
"Girl, transform!" she said.  
"I'm called Natasha. And what do you mean transform?"  
Lucia looked at her.  
Around her neck was a black choker, with a green and yellow mew pendant on it.  
"Sha-"  
"What?"  
"-It's quicker than saying Natasha-Take that pendant off your neck!"  
Natasha did as she was told.  
"Now, do you feel a strange power in you?"  
"Yeah!"  
"Do you wanna yell something?"  
"YEAH!"  
"Do it!"  
"Right!"  
"I want an ice-cold soda!"  
Lucia did an anime-style fall.  
"Fine, i'll fight them."  
"Mew mew autumn mewtamorphosis!"  
Lucia turned into a mew mew.  
Natasha looked in shock.  
"Wow! You're a dog!"  
"WOLF, IDIOT!" she snapped.  
"Girls, are you are quite finished?"  
Lucia looked up.  
"Yeah. Are you gonna fight me?"  
"Course. Blizzard fan!" said Hctib. An elegant fan appeared in her hamnd.  
"Fire punch gloves!" said Diputs. A pair of boxing gloves appeared on his hands, and lit on fire.  
"Apple bell!"  
Natasha watched all this in amazement.  
"I have to help her! Two on one isn't fair!"  
Natasha looked at her pendant.  
"I don't know if this will work, but mew mew...."  
she looked around for inspiration.

"Mew mew forest, mewtamorphosis!"

A mew mew outfit appeared on her that looked alot like Ichigo's, but In green and black Lace. A black tail and ears appeared on her.

Her skirt wasn't as puffy.

"Mew forest! Cool." said lucia.

"Ok, what do i do?" she asked.

"old up your 'and and yell out a bell!"

"Ummmmm....Leaf bell!"

A green-leaf shaped bell appeared in her hand.

"Leaf bell Strike!" she said.

"That's it! Appple bell blast!"

The red and green attacks combound and hit the predasties.

They disappeared into blue hole in time, back to the...place where predasties come from.

Lucia tyrned and looked at natasha.

They turned back to humans.

"Ok. Good job!"

Lucia told her about cafe mew mew.

"I'll be there tonight!" she said, running off.

Lucia went back to her house, and went in.

Her father was there, in the kitchen.

"Ottosan!" she screamed, letting her father know she was there.

"Lucia, are you going out tonight?"

"Hai."

" So am I, I'll be back here after midnight."

"So will i. I'll be at cafe mew mew. it'll be safe. i'll eat there."

"All right. Go get changed."

Lucia ran upstairs, ready to change for her outing.

### 30. The start of something new

Lucia looked at herself in her mirror, and tied a ribbon in her hair. Then she tried to smile-then got the feeling she had changed who she was.

"I just can't get the hang of this!" she squealed, looking at herself. She was wearing a long kimono with gold shoes.

She sat on her bed and screamed.

"I have to be in cafe mew mew in 5 minutes, and I hate this dress!"

She lay on her bed.

"I'll look in my wardrobe." she said, throwing off her dress.

She pulled a comfortable short-sleeved top out and some black jeans which she hastily pulled on, then brushed her hair, ran downstairs and went into the street yelling:

"Bye ottosan!"

She ran and ran, until she got to the park.

Cafe mew mew was lit up by neon lights and loads of people were queuing.

She saw Natasha.

"Come with me." she said, pulling her green haired friend to the entrance.

Miyu was on security.

"New mew mew." she said.

Miyu nodded and they went in.

The tables had been cleared to the sides and the middle of the floor was a dance space.

Lucia saw Mikayla at the counter, serving a customer.

"Mikayla! She's new. Where's leo?"

Mikayla pointed to the kitchen.

Lucia led Natasha to leo.

"Oh! The last mew mew. Good. Here's your work clothes, but don't wear them right now."

Natasha nodded.

Lucia ran out to find Matt.

He was on the farthest table with two bowls of rice and smooties.

"Hi!" said Lucia, sitting with him.

"Hi! I got you di-"

His sentence was cut off by Lucia devouring the rice.

"Ok."

"Hi, cafe mew mew-ers!" called a voice.

A stage had come from nowhere and Elliot was standing there with a microphone.

"It's 11:57, who wants to be the first singers?"

Lucia and Matt looked at each other, his predaite green eyes glinting, and they nodded.

"US!" they screamed. they came up.

"What do we sing?" he asked.

"Seen high school musical?"

"Who hasn't?"

"Ok, get ready."

A music tape began to play, and Matt looked at it and began to sing.

"Living in my own world

Didn't understand

That anything can happen  
When you take a chance  
I never believed in  
What I couldn't see  
I never opened my heart  
To all the possibilities  
I know that something has changed  
Never felt this way  
And right here tonight,

For some one who couldn't smile, Lucia was a great singer!

This could be the start  
Of something new  
It feels so right  
To be here with you ..oh  
And now ... looking in your eyes  
I feel in my heart  
The start of something new

Now who'd of ever thought that  
We'd both be here tonight  
And the world looks so much brighter  
With you by my side  
I know that something has changed  
Never felt this way  
I know it for real

This could be the start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart  
The start of something new

I never knew that it could happen  
Till it happened to me  
I didn't know it before  
But now it's easy to see

It's a start  
Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart

That it's the start

Of something new  
It feels so right  
To be here with you  
And now looking in your eyes  
I feel in my heart  
The start of something new  
Start of something new"

Lucia looked at Matt.  
The bell stroked midnight.  
"HAPPY NEW YEAR!" called all the people in the cafe.  
lucia did something she had never done before.  
She smiled.
