Kairi asks sora for his shoe size...

1. Sora's candy

Sora,Kairi,and Riku are just sitting at their island by the paoupu tree when...

Kairi:Sora,What's your shoe size?

Sora:I don't know.Why do you ask?

Kairi:Because,your feet are huge.

Riku:She's right Sora,Your feet look like big Mickey Mouse feet.They're not usually that big.

Sora:What's that supposed to mean?!

Riku:Your_feet_are_huge.

Sora:look who's talkin',BIGFOOT!

Riku:*attacks Sora*So you want to fight,do ya'?

Kairi:I shouldn't have asked

Just then,Sora's shoe falls off and lots of candy pours out of it.

Riku:*stops fighting*So...You're hiding candy from us are you?

Sora:ehehehe...I was gonna show you that.I didn't_*backs up so far that he falls in the water and riku takes the ladder off the side of the rock.*

Riku:Great,now you can swim back to shore and run back over here,while I quickly devour all of your candy.

Kairi:*giggles*Sora, it's not that long of a swim,but it'll be a long walk back over here.

Sora:That's not fare.I want to eat my candy too.*tries to swim back to shore but is caught on a rock.*Aww,come on!!!

THE END
