Gnarly's Trick Gets Big Cheese Together with Polly For Xmas

Gnarly the Gecko was visiting Little Tokyo when he saw a cat looking a bit depressed in a doorway.

He asked her "what's wrong?"

Polly said "I invited a guy I like to go to this party.

but I don't know if he will show up because I don't think he likes me."

He said "I will try to find him for you."

She said "thanks but it's no big deal"

He walked on his way when he noticed a fox looking depressed.

he asked him why he looked so down.

The Big Cheese said "I got invited to go to a party but don't know if I should go.

And I have a crush on the girl who invited me but I don't think she likes me.

I think I may go to the party with her for a bit to see what she's wearing.

But I don't think she will notice me"

"Okay I will go with you two to the party so it won't seem like you're trying to ditch so soon"

"Thanks stranger"

"My Name's Gnarly The Gecko I surf and stuff."

"Cool okay let's go" The Big Cheese said.

So they get to the Pizza Cats place and go in Polly notices Big Cheese.

But he tries not to notice her even though he does notice she's under the Mistletoe.

Gnarly gets an idea to get Big Cheese to notice Polly.

He goes over to her, takes her in his arms, and kisses her cheek.

Polly blushes but figures the gecko likes her but she does not even know him that well.

So she feels gloom and wishes it was Big Cheese doing this.

Big Cheese gets jealous blushes and says with anger

"Hey Get Yer Hands Off Of Her!"

Gnarly said "No Way Fox dude!" then he went on to say "why should I"

Big Cheese said because that is the girl I love please stop it.

Even though she does not like me I can't bear to see some other guy hit on her.

"I thought you did not like me big Cheese I do like you in fact I love you."

Gnarly said "okay I will let her go.

now was that so hard dude letting her know how ya truly felt?"

So Big Cheese and Polly ran to each other and kissed each other on the lips.

"Gecko" Big Cheese said "don't ever do that again oh and thanks."

"Merry Xmas you two go enjoy the party.

"oh" they said "the party would be fun but we think we'll sit it out and have some fun on our own."

Gnarly said "you're a Lucky Fox to have a cute Kitty like that

now I'll be off bye."

Gnarly left them to have some fun and they did on that Xmas Night.

The End
