Something I did... LONG ago. You might have to know of Legend of Spyro, Sly Cooper, Star Fox, Warriors, Green Day, Fall Out Boy, and the dark tresses of my mind... oh well. Just enjoy the randomness. O_o

The Answers to Life

Little kid: Why is grass green?

Sly was walking down the street when Spyro jumped out of the wall and stole his pudding. "Not Mr. Chocolate pudding!" Sly cried. Then, Dimitri flew by with a little bottle of SunnyD. "DRINK YOUR ORANGE JUICE!" he screamed. Sly sighed. Then, Power Puff Adam flew by. Sly pulled out the .45 he used to kill Rex and shot Power Puff Adam. He fell, screaming gayly. Then, Slippy Toad (Michael Jackson) blew up because Falco lifted his arms next to a tank of gasoline. Then Dan the magical Alkaline battery powered Johnny the Mystical CD player who liked peanut butter. After that, St. Loser the fluffy cotton ball got attacked by Lionheart, who farted on him. "Ewww!" St. Loser said. Then, Carlos the evil break dancing chicken killed George Bush and took over America. Jerald wanted America, so he fought Carlos. As they fought, St. Loser tried to take over, but Cynder got there first. "No you don't," she said in a psycho voice. So Cynder blew up Carlos, Jerald, and St. Loser with Spyro's burp. So Cynder the psycho dragon and Spyro the retarded dragon ruled over America with the power of Dr. Pepper and Pedro the magical sea monster. And that's why grass is green.

Little Kid: Why is the sky blue?

Sly was yet again walking down the street when Billie Joe came up to him in a bikini. "Hey baby," he said. Sly screamed and Boochi came and made Billie Joe a baby. He then toddled off. Sly walked past Billie Joe and tripped on an apple. "Why is there an apple here?" he asked. "Cuz’ I like apples," said The Magical Farting Tree. Sly was confuzzled, but Spyro came and took the magical pudding fountain that was in Panda King’s pants. "Pudding Powah!" Spyro roared as he flew away on a pudding rainbow. Then Cap’n Crunch murdered Tony the Tiger because he didn’t like exercising. Then Pete Wentz flew by and threw poop at Sly. "Take that, mutha fucka!" Sly screamed as poop got in his eyes. After that, Checkers the Chicken beat Lucifer at checkers. "CLEAN OUT MY shoot BOX, dog!" she screamed to Tre’. He did, and shoot got in his nose. He sneezed. Then Will raced by in rainbow swimming trunks. "I’m, like, going swimming!" And then Chester the Cheetah took Venus’s magical cranberry sauce. And that’s why the sky is blue.

Little Kid: How do doggies poop?

Well, Sly was walking down the street (again) when he saw Clockwerk dancing like a ballerina. "Clockwerk!" he screamed. The owl screeched girlishly. "Oh noes!" Then Lionheart gave Tom the potato a vision of gravy. Jaypaw attacked Lionheart. "I MUNNA RULE YOU!" Sushi Master then made sushi and fed it to Pedro the sea monster who had explosive diarrhea afterwards. As Pedro screamed, the Gay Fume attacked Zorro. "YOU'RE MINE!!" it roared as he fled. And then the Poop Monster ate the number eight because it bought drugs from a calendar named Jed. And zombies ate Goldilocks because she ate their pudding of immense pudding-y DOOM! And so Big Bad Wolf got pissed and shot the zombies with a plastic cat because he liked eating little girls. But the plastic cat killed a tree instead because it called him mean names. But the tree farted, and the plastic cat blew up in a shower of poopoo. The poopoo landed on Fred the worm, and he screamed and jumped in a lake to commit suicide. Mr. Sardine didn't like that and he turned into a giant ball and ate Fred. "I finally had food!" he screeched. Martin Luther King Jr. then took Martha Stewart's Towel of Magical Dish Soap power. But Martha didn't like that so she blew Martin up with a Super Disco Ball of Crayon power. And that's how doggies poop.
