## 1. As per, lucia is late.

America. 2008. Midday.

A girl is running down the park lane to cafe; mew mew.

A pendant that is tied around her neck hits her as she goes.

"Why does the main character always have to be late in the beginning of these type of stories?" she asks.

Notice how her green waitress dress flies behind her as she runs, into the doors of the cafe; .

Lucia ran along the park road, pendant slapping against her chest as she ran to cafe mew mew.

"Why does the main character always have to be late in the beginning of these type of stories?" she asked.

Her waitress dress flew behind her, as she threw open the doors to cafe; mew mew and ran in.

There was her friend Kaili (Everyone called her that instead of Mikayla now. If you ever called her otherwise, she'll kill you. And you do not want mew mew rainbow to kill you.)

"Kaili...." puffed Lucia, falling to her knees.

"Lucia, for the last time, you don't need to run just coz it's free chocolate cake week." She said.

"yes I do."

She rolled her eyes and pointed into the cafe;.

"Matt's there." She remarked.

Lucia nodded and walked in. She saw her friend-secretly a predatee in disguise-Matt.

"Hi." She said, walking and sitting down at the same table as him.

Matt passed her a slice of cake which she ate quickly.

"Ssssssssssssoooooo.....still don't want to go out with me?"

Lucia looked up, giving him her evil eyes. Well, evil-er.

"Ok, ok!" he said, eating his own cake.

"Look, it's been at least a month, why must you follow me?" asked Lucia.

Matt smiled at her.

"Because your amazing beauty is irresistible."

Lucia hit him with her fork.

"Ow!" he said, squeezing his hand until he couldn't feel the pain.

"Good, now shut up."

Suddenly, Lucia's friend Natasha ran up and surprised her.

"LUCIAAAAAAAAAAAAAAAAA!"

Lucia turned and glared at her.

"Sorry! Leo wants you."

Lucia ate her last bit of cake and went off to find her boss.

## 2. ....ANOTHER!?

Lucia walked into the office to find Leo.

He was sitting with his back to her, facing the computer.

"HOI! LEO!" she said.

...

"that's what I love about you, lucia, your simple bluntness."

Lucia rolled her eyes.

"look, you wanna see me?"

"Yes."

Leo turned on the swively chair and looked at Lucia.

"Lucia, I received your detailed report about the 3 predasties-Toidi, Diputs and Hctib.

"But you have only seen them once, correct?"

Lucia nodded. She hadn't told anyone about 'Matt'.

"Ok. I want to keep you safe."

Lucia groled, deep in her throat. Her ears popped out and stood on edge.

"Don't flirt with me." she hissed.

Leo turned back to the computer.

"I need you to take the mew mews to Tokyo bay. There has been readings of predasite activity there."

"Ok then."

"Oh, and Lucia..."

"mmm?"

"There is one last mew mew."

Lucia blinked.

"You're s\*^ting me." she said.

"hey! Don't use that language. Anyway, her name is Isago, or mew mew darkness."

"Is she Japanese?"

"Yes."

"Then why isn't she on the japanese mew mew team?"

"Why aren't you on the English mew mew team?"

"There isn't one."

"Oh?"

Lucia frowned.

"Make sense or shut up. Now, i'll take the mew mews to tokyo bay."

"Good."

"Goodbye."

...

"Leo?"

"Yeh?"

"There are mew mews in england?"

"Yes. One is mixed with a narwhale, another with and Orangutan , the third with a Panda and the last...."

"Yes?"

"With a bearwolf."

Lucia looked at him, then silently left.

If there was an english mew mew team, she would meet them. if it was the last thing she did.

### 3. Isago

Lucia walked into the cafe and clapped her hands.

All the waitresses gathered around her.

"Right....." she said, thinking, "We're all going to Tokyo bay, there's been some predasite activity going on there."

"OK!" they all chirped, running off.

"There's another eason, isn't there?" asked kaili.

"We're looking for another mew mew." sighed Lucia.

"Another?" gasped Gina. Lucia nodded.

"C'mon, let's go." said Lucia, going into the changing room.

"Hey..." said natasha, coming up to her.

"Yeh?"

"Do you think i should stay here to...y'know....look after stuff?"

"Like the free chocolate cakes?"

Natasha smiled.

Lucia nodded.

"Ok, then. Stay here. C'mon," she said, taking off her waitress outfit and revealing her normal clothes, "It's show time!"

\*\*\*\*\*

Isago run down the boardwalk of Tokyo bay, desperate to get away.

A bolt of lightning whooshed past her ear, missing her by millimetres.

Isago turned. Diputs stood there, more energy gathering in his hand as he got ready to strike again.

"Leave me alone!" She said, holding up her fists.

"Make me." he sneered, throwing another attack.

"Uh! Fine, i will!" she screamed, holding up a mew mew pendant.

"Mew mew Darkness, Mewtamorphosis!"

Suddenly a pink and purple mew mew outfit appeared on her, and her hair was swept backwardds.

"Crap." said Diputs.

Isago got ready to strike.

"Darkness rises!" she screamed, holding up her hands. A ball of shadow appeared in he hands and flew at the alien.

Diputs jumped to the side.

"Kitty Bell!" said Isago, a purple bell in the shape on an ankh appeared in her hand.

"Snow storm!" called a voice.

Isago turned to see girls-all with ears and tails-running at the predastie. All with Bells.

"Who are you?" she asked.

A girl with blonde hair smiled at her.

"We're the mew mews!" said Nyanko.

"Pear bell, full power!"said Kisa, throwing an attack at the alien.

He dodged and laughed.

"Hoi, yer Munter! Take this...apple bell katana, triple slice!" called Lucia, slashing at the alien with her sword.

Diputs growled and disappeared.

"Thank you." said Isago.

"It's ok-Mew mew darkness." said Lucia.

"You are?"

The girls introduced themselves.

"Oh! How cool." said isago.

"You should come work at the cafe mew mew." said Kaili.

Isago thought a bit.

"it's free chocolate cake week!" said nash.

"OK!" said Isago, quickly.

"To the cafe!" said miyu.

## 4. Miyu and lucia's heart-to-heart

-----THE NEXT DAY-----

Lucia flopped down on the table opposite Nash, sighing.

"I have been working all bloody day." she sighed, rubbing her back.

"I feel your scorn." muttered Nash, looking spitefully at her mop.

"It's ok for you! YOU CAN BE BOTHERED!"

"And why can't you?"

"Because i'm a lazy cow." said lucia, simply.

Nash shrugged.

"Fair enough." she said. lucia made comments like that about herself all the time.

"LUCIA! GET BACK TO WORK!" screamed Kaili.

"ok, i'm going, i'm going." sighed Lucia, getting up, grabbing her broom and sticking two finger up at Kaili.

Kaili saw this.

"Lucia. Don't do that." she growled.

"What? the archers salute?" she asked, innocently.

"Just coz I'm american doesn't mean i don't know what it means." she hissed.

Lucia gripped the broom so hard her knuckles turned white.

"that's it. En Garde!" she said, throwing her broom at Kaili.

Kaili ducked and grabbed a mop and countered Lucia's attack.

All the customers looked up and watched Kaili and lucia fencing with cleaning equipment.

"Fight! Fight! Fight! Fight! Fight! Fight!" chanted Gina, throwing down her cleaning cloth.

Everyone was laughing at the dueling duo.

Lucia leapt up on an empty table, and Kaili followed.

Lucia and Kaili were beginning to enjoy themselves.

Parry. parry. thrust. Parry. Slash.

they were getting into a pattern, when suddenly:

"LUCIA! KAILI!"

Leo walked out the door, holding a notepad and glaring angrily.

The girls stopped.

"Ohhh!" said the customers and cafe waitresses.

"Give 'em a break, dude. they were only having fun." said a voice.

Everyone turned to see Matt, holding two plates of chocolate cake and smiling at lucia.

Lucia felt a warm glow inside her, and it almost cracked into a smile.

That was until kaili interrupted.

"ooh! Matt, you're too kind! Sticking up for me and buying me cake!" squeaked Kaili, running up to him and taking his arm.

"actually, this is for-" began Matt, but kaili dragged him to a table where they sat down, opposite each other.

Lucia stayed on the table, not taking her eyes off the duo, mouth a little slack.

Was it possible?

No.

Yes.

Kaili had a crush on Matt.

\*\*\*\*

Lucia was behind the counter, silently dishing out cake for customers, when up came Miyu.

"Luci, what's up?" she asked.

Lucia pointed the cake server at Miyu.

"First, don't call me Luci." she said.

"Ok. I just thought you needed a nickname." muttered Miyu.

"Lucia is my nickname. My full name is Lukanoki Aki Akutagawa-Tyler." she said.

Miyu blinked.

"Yeh...my parents made my first name up. My second name means Autumn. My last names are were my parents seperate family names-but For me to fit in at school, my parents gave me the name 'Lucia tyler' to simplify things, ok?" gabbled Lucia.

Miyu blinked.

"Your name is Luca Nocky?!" she asked, surprised.

"No. L-U-K-A-N-O-K-I. Ok? Now, can i help you?" she asked.

"I was wondering why you were upset earlier." said miyu,looking at the orders.

Lucia looked at Miyu, and for a split second, her eyes shot towards where kaili and Matt were sitting.

lucia hoped her friend didn't notice this.

But Mew Aqua had VERY sharp wildcat eyes.

"Oh. Matt?" she asked, taking out a carrot cupcake and cinnamon roll from the cake display.

Lucia kept her eyes on the surface she was cleaning. But nodded.

"I thought you hated him."

Lucia sucked air in through her teeth.

"I do."

"So you would rather him fawn over a girl he can't get rather than him go out with one who's head over heels in love with him?" asked Miyu.

Lucia threw down the cloth, grabbed Miyu by the collar and pulled her foward so their noses were millimetres away.

"He loves me. It's a wonderful feeling to have someone feel that way about me. I shun him because of my personality. Don't piss me off." she whispered. As soon as she said that, she got back to cleaning.

Miyu smiled.

"Ah. Right. You love him, don't you?" she asked.

Lucia growled.

"My feelings are not made up about him yet." she muttered.

Miyu put the cakes on plates and smiled.

"I'm glad we had that heart-to-heart." she said, then left.

"Hey lucia!" said a farmiliar voice. She looked up to see an overexcited Kaili.

"What?" she asked.

"Don't snap! look, I have some great news! I think matt's gonna ask me out!"

Lucia looked up at Kaili, then at Matt. He was smiling in kaili's direction.

That was when she felt her heart snap in two.

She pushed out the counter, shoved Kaili aside and went straight up to Matt.

Matt looked at her, terrified.

She could only mutter one word to express herself:

"Bastard."

Then she walked off, out the cafe.

Matt looked at the place where Lucia had left.

"What did you say?" he asked Kaili.

Kaili blushed.

"oh, she's got PMS and thinks you were talking about her, so she got angry. Anyway..." she said, taking the seat next to him this time, "Wanna make a date?"

matt was still looking at the door.

"Sure....Thursday? Cinema?" he asked.

Kaili squealed.

"it's Wednesday today! Sure!" she said, got up and walked off, wanting to spread the news of her date with a REALLY hot guy.

Matt smiled.

"I hope she tells Lucia the time of the date. i don't want Lucia to be late...I hope kaili is a responsible messenger." He said.

Miyu had heard all this and shook her head.

Kaili thought Matt had asked her out.

But Matt wanted Kaili to tell Lucia that he was going to take Lucia to the cinema, no kaili...she would only be the messenger girl.

mew Aqua shook her head and went to serve cake.

"well, this will be entertaining." she muttered, and left.

## 5. Rogue

Lucia sat in the top of a tall tree, her ears and tail out and on end.

"Hey!" called a voice. Lucia looked down.

Nyanko was waving at her, a plate-with chocolate cake on-in her hand.

"What?!" asked Lucia.

"Cake!" said Nyanko.

"Yes. it is. Very good, have a merit." said Lucia, and turned her gaze away.

Nyanko sighed, put the plate in her mouth, kicked off her shoes and then jumped up the tree using her nails as claws.

Then, carefully balancing, she sat next to Lucia in the branches.

"I brought it up here, you take it." she said, giving it to her.

Lucia took the cake. Her gaze never faltered.

"Lucia, what's up?" asked her friend, worried.

Suddenly, a blue butterfly flew in front of their faces.

"Oh!" said Nyanko, clapping her hands in delight. "It's like Kaili as a butterfly."

Lucia shot out her hand and crushed it.

Nyanko gasped, horrified.

Then she understood.

"kaili?"

Lucia nodded.

"Go now." she whispered.

Nyanko jumped down from the top of the tree and landed on her feet.

"See ya round!" she called, and walked back into the cafe mew mew.

-----

Kaili was still in her happy place.

Gina sighed. Suddenly, Kisa came out the bakery, dusting the flour from her hands.

"Whys Kaili so happy?"

"Date."

"With who?"

"Matt."

"Lucia's Matt?"

"Yup."

"She taking it well?"

"No."

"Ah. I figured."

Kisa picked up a rolling pin and went back into the kitchen, shaking her head.

Meanwhile, a brother and a sister, both with Ginger hair, sat at a table.

"So, what's our next plan of action, Danny?" asked the girl.

"We have a new mew. But she's evil, she's with us, Hctib."

"Shhh! In my human form, I'm called Hilly, ok?" said Hctib to her brother Diputs in his human form.

"Sorry."

"Right, we'd better start on this. Is the Rogue all ready?"

"Yes."

"Good." hctib smiled and sipped her strawberry smoothie, "Good."

-----

Lucia was thinking about coming down and talking this over with Kaili, when a person appeared next to her in a grey and black mew mew outfit.

"Hello Wolfie." she said, smiling.

"Who are you?" asked Lucia.

"I'm mew mew Rogue. I've come to help you." she said.

"Help me what?" asked Lucia.

"DIE!"

Rogue pushed Lucia out of the tree.

Luckily, she grabbed a branch as she was falling and landed safely.

"What the 'eck are you?!" asked Lucia.

"I'm the the aliens! I'm gonne be the strongest mew ever....byt wiping out all the others!"

## 6. Hmm....

Lucia growled.

"Try it. Mew mew Autumn, mewtamorphosis!"

"Apple bell!"

Her mew mew outfit appeared on her and her bell in her hand.

"Oh, two can play at that game, wolfie. Blackcurrant bell!"

A black bell appeared in her opponent's hand.

"Awww, sh-" Began Lucia, until there was a loud clapping.

Mew mew Darkness came running out with her Kitty Bell.

"I would advise you to keep away from my friend. Scarab attack!" she said, sending a dark beam that hit Rogue.

Mew mew rogue hissed.

"Oh, two can play at that game. Blackberry bell blast!"

She slammed her weapon into the ground and a fissure opened in it. Out of the fissure came plants, like tangle webs.

"No fair." whispered both the girls as the plant reared up at them.

"MOVE!" screamed Isago, pushing Lucia out the way and jumping at the same time.

The plants drove themselves into the floor where they had been.

"Guys!" called a voice. Out of the cafe ran Mew Mew Nyanko.

"Nyanko! Use your bell!" said Isago.

The girls put their bells together.

"Mew mew Tri Attack!" they said together.

A white, pink and red beam came out of the bells and hit Rogue again.

She fell to the floor.

"This is not over." she said, disappearing along with her plants.

"Thanks." said Lucia.

"It's ok." said Isago.

Lucia ripped off her pendant and her waitress outfit appeared again.

"If it's all the same to you guys, I'm gonna head home. It hasn't been the best day for me today..." she muttered, and went into the changing room.

Nyanko and Isago exchanged concerned looks, but said nothing. They simply walked back into cafe;

## 7. Kaili's and Lucia's fight

-----SOME TIME LATER-----

Lucia sat on her bed with her knees up against her chin, tears staining her tights.

"Knock, knock." Said her father, coming in with a plate of chocolate chip cookies.

"Arigato, Ottosan." Sniffed Lucia, reaching out to take one.

"What the matter, Luca-kun?" he asked.

"Oh, Ottosan, there's this boy I really like but he's taking my best friend to the movies tomorrow and I have no idea what to do!" cried Lucia.

Her father raised his eyebrows, and muttered:

"My little Lucia with a crush. You are growing up fast," Then louder: "Well, why don't you talk to his boy?"

"Because he's a git."

"Lucia!"

"He is, Ottosan! But I like him. It's weird."

"Ah, but you're a teenager. You hate who you like and you like who you hate."

"Don't do that weird thing when you change two words around."

"All right then."

Lucia stood up.

"Well, since I won't be able to find the boy, I'll go talk to my friend," Said Lucia, picking up her backpack, "Come on Eregot."

The wolf obediently followed her out, slightly cowering behind. Lucia didn't have the :  
&lsquo;l&rsquo;m gonna visit my friend&rsquo; look . She had the &lsquo;l&rsquo;m gonna visit someone And is gonna get ugly.&rsquo; Look. But Eregot said nothing.

---

Kaili skipped down the stairs and into her living room, back into her nice squishy leather chair and picked up her Game Cuboid&trade; remote and continued playing.

"Kaili! Don't play on that for too long or you'll get eyestrain!"

"OK Mom."

The doorbell rang.

"Kaili! Can you get the door? I'm doing lunch!"

"OK Mom."

Kaili paused the game and went to her front door and opened it. Standing there was Lucia, looking really annoyed.

"Oh....hey Lucia."

"Hello Kaili."

"H-how do you know where I live?"

"The mew mew official records. I wanna talk to you, Kaili."

"&lsquo;bout what?"

"Matt."

"Oh. Come in. Take off your shoes, please." Kaili stood aside and let Lucia in.

Lucia marvelled at the inside of Kaili's house as she kicked off her trainers . The living area was huge by itself. They had shea-butter coloured walls and chocolate-coloured carpet that was really soft under her feet. There was lots of brown leather furniture that matched the walls and a huge plasma screen that had a Game Cuboid&trade; plugged into it. There were doors scattered around the place and one of those slidey window things that when the doors

are open you can see into another room-this case the kitchen. There were end tables and a coffee table with various magazines piled up on them. Oh, and of course, the token thing you have with every household living room, a lot of crap everywhere.

"This is such a mess!" said Lucia, then covered her mouth.

"Yeh. Sorry about that. My little cousins came over earlier and wrecked the place. Sit down."

Said Kaili, gesturing to a seat. Lucia sat down, Eregot at her feet.

"Kaili, dear, who is it?"

"My friend, Mom."

"Oh. Would she like something to eat?"

A face appeared in the slidey-door-window thing and peered at Lucia.

"Oh, how rude," She said, coming out, "I'm Kaili's mom."

"I'm Lucia. Nice to meet you."

"I can see from your accent you aren't from around here."

"No. I come from England."

"Well, that-WHAT THE HELL IS THAT?!" asked Kaili's mother, pointing to Eregot.

"That's Eregot. He's with me." Said Lucia.

"I'm sorry, I don't allow animals in the house. Can you put him outside please?"

Lucia shrugged and turned to her wolf.

"You heard her, Eregot. Out."

Eregot growled but grudgingly walked out the still-open door.

"Oh, how sweet, you and Kaili have matching pendants!" said the woman, clapping her hands in delight.

"Yeah. They're best friends forever pendants. Can I have some juice please?"

"Orange?"

"Great."

As her mother left the room, Lucia turned to Kaili.

"What's the deal, girl? Matt likes me. Not you. Me. So why are you interfering?"

"I'm not the one who shot him down in flames so many times when he asked me out. I'm cute, have a wonderful personality and a sense of humour. It's only natural he'd ask me out. I'm better than you."

Lucia twitched wildly.

"What did you say?"

Eregot had his face pushed up against the window and shook his head, howling:

"Shut up! Shut up!"

"I said 'I'm better than you';."

Lucia moved faster than you could see. In one movement she had jumped at Kaili, grabbed her neck and forced her to the wall.

"If we fight, butterfly girl, I'll win." She hissed, and let Kaili go as her mother came into the room.

"Oh. Are you going. Dear?"

"Yes, Mrs Kaili. I suddenly feel very sick." Said Lucia, and walked out the door.

"What a weird kid." Said Kaili's mother, when Lucia had gone.

Kaili didn't reply. Something was choking her, and she was pretty sure it was guilt.

---

Hctib and Diputs looked down on the scene from Kaili's roof.

"This is excellent. All is going according to plan! The girls hate each other!"

"Cool. So, now they ate each other's guts-"

"That isn't hate." Said a voice. Mew mew Rogue appeared.

"Well, then, please acknowledge us with what it is." Said Hctib, crossing her arms.

"Well, the Kaili girl feels guilty about betraying her friend, but also a little annoyed b the fact her friend chose to talk o her about this, it&rsquo;s her decision, her choice, and it shouldn&rsquo;t be made an argument out of. Lucia, on the other hand, has a broken heart by the fact her best friend has chosen to go out with the boy she has a crush on and she&rsquo;s confused a why he&rsquo;s agreed to go out with her. No it&rsquo;s not the, it&rsquo;s a squabble."

"Oh, SHUDDUP! It&rsquo;s hate. We&rsquo;re gonna go on with plan B whether you like it or not, OK?!"

Mew mew Rogue shrugged.

"OK then." She said, and disappeared.

"So, when do we start plan B?"

"Tomorrow. When they go out to the movies. We strike then." Hctib said, and ook out a syringe,

"With the Mew-X."
