Cain?

I don't understand what are you talking about, where I'm I?

Don't fool with me kid you wont last in a fight with me.

Why are you telling me this?

You want to help what can you do, Alviss will not allow this I hope you know this you will be punished?

It does not matter you say well be afraid he wont go easy on you if finds out what your doing.

Cain may I ask something of you if I write a letter will you deliver it for me?

Oh thank you Cain thank you, if you talk to him tell him I'll be there as soon as I can.

No, no don't do that maybe he would be happy to know I'm alive but he can't save me I must save myself.

I don't know if he will understand but I have to try please, come back.

Cain, thank you.
