sorry about the confusion before

its always been hard for Maora to fit in but when she hocks up with the most popular guy in school it seems easier or at least untill she learns his secret.

1. fist time

He's handsome talented and those eyes he has are hard to turn away from....i know my twin sister has a crush on him but...i can't help it....I guss i should start at the begining it all started at school where most things start for me. "Maora....Maora....." the teacher called "Maora!" i jumped up papers flew off my desk along with my favorite drawing pencil. "y-yes sensei?" i said hurrying to pick my things up. "it would be appreciated if you pay attention in my class you may actually learn something..." i slid down in my seat "s-sorry...i'll try..." i heard my sister snickering a couple seats behind me. i turned my head glaring at her "yuri....!!!" i mumbled. "look out yuri, Maora the yanki is gonna get you" Ariri said leaning over to her."don't worry i have my Toya to proect me...right sweet heart?" she said turning to the boy behind her. He did nothing but stare at us.Toya is one of those boys all the girls go after....which means i'm out if luck....or so i thought. that day when gym rolled arond i was more surprised by each second. "alright children chose your partners..." the coach said. i stood leaning agianst the wall waiting for the couch to ask if everyone had a partner than i would i didn't then i would all the wok instead having it cut in half by a partner. "Maora, right?" i head. i cracked open my eyes seeing Toya standing there "oh my god!!!!" i screamed falling over. he gave a small chuckle "yup you're Maora alright!" he said "hey i need a partner...and" i shot up are you asking me???" i said dusting my pants off. "yea..." okay i had to admit i has happier than hell but still i couldn't believe it he was my partner and soon after that my life changed forever.

2. a better time

i stood there amazed. "ah..." i was shaking after we got done playing. "that was fun!" he said. "y-yea.." i said leaning over for breath "that actually was fun!" i stood back up smiling. " y'know...if you ythought THAT was fun..." he said putting up his arms pinning me against the wall "i may have to kidnap you and show you a BETTER time at my house." "what...do you mean?" i said. "heh" he chuckled "lets just say i'll show you a GREAT time." he said sticking out his tongue and tracing my lips with it. my face turned red."ah...!"i said. "T-T00000YA!!!!!"he looked at me "i'm being summoned by your sister, i'll wait for you up front" he whispered dropping his arms and walking off. " a better time?" i said. i ran to the locker rooms, got changed, and ran up front. i saw him leaning against his black porch. "ready?" he said. i nodded taking his hand.

3. fallen for

i sat in his car as we drove to his house. he gripped my hand every now and then when he didn't have to change gears. "maora?" he said. i looked over to him. "yea?" "we're almost there. are you okay?" his voice calmed me down a bit. "yea" i said "i've never been to a guys house alone before..." i smiled. "so this is nerve wracking for you?" "a little bit..." i squeezed his hand. we pulled up in a driveway of a huge mansion. "this is where you live?!" i said leaning forward. "yup!" he stepped out of the car as i took my seat belt off. my car door opened i looked up as his smile beamed down on me. i smiled back as he helped me out of the car. i held his hand tight and leaned my head on his shoulder as we walked to the house. i stood in doorway, looking around the room. "TOYA!!" a girl's voice called. i turned my head. huh? i thought. a girl about my age, wearing a gothic lolita style dress, with short black hair and a bow fastened in her hair, had come running in. "arina..." he said looking over to her. "i thought you said we wouldn't have any more visitors?" she said crossing her arms. "well Maora is different." he said putting his arm around my waist and giving me a small kiss on my forehead. my face turned bright red. "Now" he said "we're going up to my room. Don't disturb us" he shot a cold look towards her as we walked up the stairs. she stood there glaring up at us. i sat down on his bed as he shut the door. "toya...?" i said. he turned around "yes?" "is every thing ok?" he knelt down next to me, taking my hands in his. "maora" he lifted his head up "i think you're the one i've been looking for..." "huh?" i said. he stood up above me. "maora..." he whispered "how do you feel about me?" "uh..." i said as he put his arms around me " i do like you alot...why?" trying to get some space i laid down only to have him hover over top of me. "because i think i have fallen for you"

4. true nature

i gripped the covers of the bed " T-Toya?" i said. "yes?" his voice was calm. his tongue ran along my neck. "uh..." i tried to say something but i was seduced, i couldn't do anything. He moved his kisses to my lips. and slid his hand down to my shoulder trying to slip my shirt off. i didn't realize what was going on until he slipped almost all the way off. i put my hand on the back of his head. he broke away for air sliding his tongue out of my mouth. "T-Toya!!" i said "yes?" he responded. "s-stop! I'm not ready for this yet!" "what ever do you mean?" he slid his tongue up from my chin to my lips "i'm preparing" "p-preparing?" my voice cracked. "to make you mine"i had to admit, i was LOVING this but it was hard to say no....but he licked my neck again. "toya..." then out of no where a sharp pain went through my neck. i looked down and...blood poured from where his fangs had dug into my neck "ky-" i couldn't hold it in"KYAAA AAAAAAAAAAAAAAAAAAAAA!!!"and then i knew, Toya, was in fact a vampire

5. what ever it takes

i sat there as he continued to devore me. " T-T...toya... s-s-stop please!" i lifted my hand in the air striking it against his face which made him break away from me. blood shoot from my neck. "sorry..." he said whipping blood from his mouth " got to carried away...its been awhile sience i last fed...." he chuckeled "you can run if you want..." i put my shirt back the way it should be and gave a guilty smile "no..." i said as he glanced up at me. "what?" he said. "i won't leave i know ths is really sudden but i'm willing to do what ever it takes to help because I" i took a deep breath " i love you." his eyes were wide "you mean it?" he said " after what i just did?" "of course... i mean like i said it may be sudden but..." i leaned forward setting my hand on his face "i do absolutly love you with all my heart" i set my mouth to his. his eyes shut and placed a hand on the side of my head leaning into the kiss. what am i doing? i thought, my sister will kill me!!! oh well. i lifted away and looked into his eyes "i mean it"

6. thought you should know

"TOYA!!!!!!!!!!!!!!" Arina burst in "WHAT THE HELL!?" "Arina..." he said getting up "i thought i told you not to come up here..." "b-but i heard her scream..." she said "plus i see blood EVERYWHERE!!! not to mention she barly has a shiirt on!" I sat there staring at them bicker, then my phone went off. "huh?" i reached in my pocket and pulled my phone "hello?" "MAORA!!" my sister yelled over the phone. "h-hi?" i said. "don't give me that!" she shouted "i know who your with!" i stayed quiet "you little--" she started "UGH!!" click. "she hung up on me..." i said looking at my phone. "hmp..." arina said looking away " fine i'll let it slid but if you continue and she ends up pregnante, don't blame me!" "WHAT!?" me and toya shouted. "Hee hee!!" she quickly ran out "ARINA!!!!" Toya ran out after her. i pulled my shirt up and ran out also. I laughed watching them dart back and forth through out the mansion. that night.....i sat on toya's bed half asleep. i could feel something next to me. i slowly slid my eyes open seeing toya staring at me. "hello love" he said. i gave a weak smile "hello" he kissed me on the fore head "go back to sleep..." i shut my eyes "o...k" i driffted off to sleep. toya stood up and walked out. "stupid..." he turned seeing a boy his age there. "what?" toya said shutting the door. the boy swaied up right "you really think you have the right to fall in love with a human?" "shut up, Nero!" toya yelled. nero ran his fingers through his firey orange hair "man, you never learn do you?" Toya barred his fangs reaching in his coat. "I thought you would at least learn from last time..." "SHUT UP YOU BASTARD!!!!" he whipped a gun out and pointed straight at his head. "heh.." BLAM!!! BLAM BLAM BLAM!!!!!!!!!!

7. not living till you die

my eyes shot open hearing gunshots wizz through the air. i shot out of the room "toya!" i screamed seeing him pulling the trigger. he stopped and froze "so this is her?" nero said stepping down from the swiss cheese ceiling "interesting...." he circled around me inspecting my body. "hey!" i yelled as he looked up my skirt "what are you doing?!!" i threw my fist through the air, knocking him in the face. he hit the ground with giant thud, arina started laughing, toya stood there shocked. "pervert!!!!" i yelled. he sat up and stared with a dazed look. "DON'T LOOK AT ME LIKE THAT!!!" i swung my hand across his face. "ok maora thats enough..."toya said walking up to me. "i don't like him..." i said "i'm going back in the room..." i slowly walked away.

i slammed the door to the room shut "what a freak..." i said. "you're not what i call perfect either..." i looked up seeing nero standing there. "h-how did you...?" i said looking back and forth between him and the door. "i'm a vampire. i can do alot of things..." he said walking closer "but what i haven't done is met a creature such as you. i have never met a female that refused me or beat me in such a way... i find it attractive..." "gah!!" i rose my hand up to smack him again, but it froze as nero grasped it tight in his hand "nuh-uh good girls behave or else they get a time out!" he said he snapped his fingers and everything went fuzzy.

"where'd he go?!" toya yelled. "master!" arina yelled running around the corner "miss maora is missing also!" "damit nero!" he said "he took maora!"

8. its the way he makes you fall in love

my eyes slowly slid open "Toya..." i whispered as i sat up rubbing my eyes "wait... this isn't... toya's house..." i looked around. "good job" he clapped his hands as he walked out of the shadows "you're smart" "nero!" i yelled backing away "where am i?!" "my mansion..." he grabbed my wrists forcing me down on the bed again "h-hey!" i yelled. "leave him..." he said keeping his head down. "what?" he couldn't mean leave toya...could he? "leave him" he licked my lips "stay with me" "n-no i--!" he forced his tongue in my mouth. 'NO STOP!' i screamed in my head. he used the exact same movements as toya, except they were more forceful. i pushed his head away "s-stop...!" he set a hand over my mouth "shh" his tongue slid up my neck as his pale fingers undid my shirt. 'NO ONLY TOYA!!' i thrust my knee into his gut and quickly ran off. "owww!" i could hear him yell. "only toya is allowed to do that!" i yelled as i ran off.

"have to get out!" i said holding my shirt together, "toya..." tears ran down my face. "toya...!!!"

"here we are..." arina said "man i thought we would never have to come here again..." "as long as we find maora i could care less..." toya said jumping the fence. "wait up!" she flew over landing next to him. "shall we go?" "ya..." they slowly trudged into the rundown mansion.

9. born for this

"this plac is still a stye..." toya said walking in. "did you expect diffrent?" arina said following close behind him. "not really but..." he looked out towards the house "i didn't expect to see his food everywhere..." "thats not his food toya-sama..." she said "those are his maids..." "with nero, whats the difference" toya popped his neck and started walking. "toya-sama?" one of the maids said as he walked past them "its stramge to see you home" "nero brought home a young girl last night where is she?" he said dodging the subject. "oh! the master took her to his room. he said she was asleep by the outter wall" she said. "that lying bastard!" arina said. toya was frozen in shock. "toya-sama?" arina looked at him. he ground his teeth, fangs barred. "toya-sama?!" he darted off down the hall. "toya-sama!!"

"how in the world can he live here!?" i said opening another door leading to a brick wall "mmmm how can he do it? i would get lost so many times..." i sat down leaning against the wall letting out a sigh "are you even looking for me toya?" would he? "maora!" nero called. 'OH NO!' i quickly crawled away looking back 'I HAVE TO--' not even relising where i was going i went to the stairs, my body already was half way down the stairs "WAAAAH!" i went head first down the steps. "maora!"

toya froze in mid-step "toya-sama!" arina called as she walked up to him. "whats wrong?" "i heard something upstairs..." he looked up hearing thuds. "thats definatly her..." they said. they sighed and started walking.

"owwww" i said sitting up. "thats my stomach your sitting on..." i looked down, seeing nero underneath me. "oh! sorry!" i quickly got off 'HE FELL WITH ME?' i looked up at the giant flight of stairs "did you... fall too?" i said. "no i jumped over tring to save you but..." he said sitting up "i guess i slipped" 'A VAMPIRE SLIPPING?' i giggled 'FUNNY...' "what are you laughing at?" he said "nothing!" i said putting my hands up. he stared at me and then stood up "c'mon" he held out his hand "we should make sure you weren't hurt" i reached up grabing his hand, i tried standing up but a pain ran through my annkle "ah!" i fell to the floor. "easy..." he bent bck down "i think its sprianed..." he slid off my shoe and sock. "oww..." i whimpered as he rubbed his fingers against it. "its sprained all right" tears formed in my eyes as he pushed his fingers into it "Ow!" i yelled "maora!" i turned seeing toya ad arina. "toya! arina!" i stood up and tried running to him but pain shot through my leg making me fall to the floor. "maora-sama!!" arina ran up to me. "nero what did you do!?" toya yelled walking up to nero "easy there!" nero said as toya picked him up by his shirt. "don't give me that shoot!" toya yelled. ""hey hey!" nero said. "toya!" i said sitting up. "you don't wanna ruff your little brother up in front of your girl do you?" nero said. "huh?" i stared ".....brothers?!"
