1. Under his watchful eyes..

I see my brother
he's standing therewith his girlfriend
they are so cute together...

As i look at them,
they seem so perfect.
almost like vampire perfect..

As i look at my self
i seem more like a werewolf than a vampire.
J.T looks so happy there with Vee.
It makes me smile to see them happy.

She's so pretty standing there beside him
she makes him happy
her hair blowing in the breeze...

As i look at them
they don't seem to notice i'm here
that's good

i can see them now
vampire,hand in hand
perfect beings of this earth

needing each other more than anything
he hugs her
and promises never to let go...
