1. rude awakening

run! you scream to yourself at a desperate attempt to get your frozen feet to go any faster. i...i have to get away....if i dont i'll die! you think. without warning, your legs give out ad you fall into the fresh snow-covered ground. "I....can't go any.....farther....." you whisper as though someone was listening. within five minutes, you are covered in fallen snow and asleep.

where..... am i? am i asleep? you think to yourself. you slowly open your eyes to see a blond haired boy looking right at you. "AGGHHH!" you scream almost jumping 5ft in the air. "hey sensi! she's awake!" the blond boy yells. "wh-where am i?" you asked a little confused. "your in the konaha village. i found you on a mission in the land of snow sleeping in the snow" a lazy voice says. you look up to see a gray haired man accompanied by a pink haired girl and a black haired boy. you look up him with a very bewildered look on your face and ask "who are you 4?" the gray haired man chuckles and responds, "oh where are our manners! my name is kakashi hatake." the blond boy pipes up, "hi im naruto uzumaki!!!!" as he grabs your hand and shakes it roughly. the pink haired girl slapped him upside the head and yells "naruto be carefull! lady tsunade said she's in bad shape and try not to jerk her around!!! oh by the way, im sakura haruno :D" you smile weakly at sakura. and that means theres 1 more. the blacck haired boy. you look at him expecting him to introduce himself but he just looks away. "thats sauske uchiha... he's always in a bad mood!" naruto chuckles. this time sakura punched him in the head and yelled "DONT YOU DARE UNSULT MY SAUSKE!!!" right in naruto's ear. ouch that HAD to hurt you think to yourself. "and whats you name miss...?" kakashi asks pulling out his 'exotic book' you respond "oh right! im seto chicknadoe" (idk if chicknadoe is a real last name but roll with it!) "well seto, we'll leave you to sleep. lets go guys" kakashi replies as he leads naruto sauske and sakura out the door. "nice meeting you!" you reply as you lay back down and try to relax. i better get some sleep.. you think as you fall asleep peacefully.

2. nightmare

you run hurriedly down a small corridor very fast. all you can think about is making it to your destination fast enough. you slide slightly as you jerk open the door to your parents room.

"MOM!! DAD!!! HURRY WE HAVE TO-" you yell. only to see your parents dead in pools of their own blood on the ground. "wha-whats..?" you breathe. suddenly a shaky hand grabs your shoulder. "S-Seto.." a voice coughs. you spin around quickly to see your brother completely covered in bruises and cuts. "Reaja... whats.....?" you struggle for words. "Seto theres.....no time.....i want you to...run.... far away" your brother struggles. you stare blankly at your brother. "leave him here alone?" you think to yourself. "Seto- go!" your brother commands giving you a small nudge towards the door. you pause and look back at him.

"i love you."

"i know"

your brother quickly runs across the room and leaps out your parents window. "gotta.....run....." you think. quickly you run the opposite way to go outside.

the site outside was worse than you thought. your families entire army was battling for their lives against a huge crowd of people. "they'll never win" you think to yourself in despair. yet, all you could do was stand and watch. one by one, your parents army fell. before you could think of anything else, they were all dead.

the other group had won. and as you quickly ran, all you could wonder is how you could possibly get those images- the sounds of screams- out of your mind.

you wake up screaming and sweating terribly. someone quickly covers your mouth.

"would you be quiet??" an annoyed voice says. you didn't need light to know who it was. Sasuke. "wh-why are you here?" you sniffle. you didn't realize you were crying. "im supposed to watch you. you had a nightmare. calm down and go to sleep." sasuke demands. as you settle back down to go to sleep, your last thoughts were "im not quite sure if that was just a dream"
