1. Maybe One Day

Maybe One Day

What were you thinking?
I want to know.
 Maybe one day.

You left.
I tried to stop you.
But no.
You already made up your mind.

You had this absurd idea.
Do you really think this is for the best?
To leave me here with nothing but a memory of your embrace.
Those times we laughed.
Had a wonderful time.

I tried to tell you that but... alast you still feel this way.
 Maybe one day....You won't.

I look to that day with anticipation.
I really do believe that that day will come.

I remember those wordsd you said to me.
I remember them like the back of my hand.
I cherish them with all my heart.
 Maybe one day I can return the favor.

And not masquerade as this helpless little girl anymore.

Maybe...Maybe that's why you left.

I finally realize now.

I can return the favor.
You have showed me that I can be strong.

I can be me.

So now I say the words that you said to me that night.
The words that mean the world to me,
The words that made me realise you mean the world to me.

THANK YOU.

I hope you guys like that.
