

# Songs of Eternal Snow

By Moon\_Princess

Submitted: February 5, 2008

Updated: February 5, 2008

*These are the songs that go with any of my stories.<br />  
(Eternal Snow, Eternal Snow: Love Chronicles, A Light in the Shadow Game, Songs of Eternity,  
or Memories of the Moon.)<br />*

*<br />*

*I DO NOT own any of these songs! <br />*

*<br />*

*<br />*

*~Moon\_Princess*

# 1. A New Day Has Come

Story: Songs of Eternity  
Artist: Celine Dion  
Character: Cat Tsuru  
Do they sing it?: Yes  
Anime it's from: Not from an anime

A/N: None

I was waiting for so long  
For a miracle to come  
Everyone told me to be strong  
Hold on and don't shed a tear

Through the darkness and good times  
I knew I'd make it through  
And the world thought I had it all  
But I was waiting for you

Hush, love

I see a light in the sky  
Oh, it's almost blinding me  
I can't believe  
I've been touched by an angel with love  
Let the rain come down and wash away my tears  
Let it fill my soul and drown my fears  
Let it shatter the walls for a new, new sun  
A new day has...come

Where it was dark now there's light  
Where there was pain now there's joy  
Where there was weakness, I found my strength  
All in the eyes of a boy

Hush, love

I see a light in the sky  
Oh, it's almost blinding me  
I can't believe  
I've been touched by an angel with love  
Let the rain come down and wash away my tears  
Let it fill my soul and drown my fears  
Let it shatter the walls for a new, new sun  
A new day has...come

A new day has...come  
Ohhh, a light... OOh

## 2. Ashita Moshi Kimiga Kowaretemo (Even if Tomorrow Dies)

Story: Eternal Snow

Artist: Okui Masami

Character: None

Do they sing it?: No

Anime it's from: Yu-Gi-Oh! (1st Ending Theme)

A/N: If Eternal Snow was really a show I would have this as one of the ending themes. Even though it really is one of the ending themes to Yugioh! Lol! :D

"Call my name," that voice of someone calling  
The deep sadness of the darkness  
Your pale skin fills me with light

Without knowing if it was black or white  
I wonder if this type of love is old-fashioned?  
For the entire day  
We just waited for the sunrise

Even if you could shatter tomorrow  
I won't run from this place  
It cures the fatigue of my body  
Your smile

Lonely heart, feelings beyond my control  
It's like a wide hole has opened  
Unable to control myself, I became angry at something

"I can't forget that love"  
That's what you had said when we first met  
Your face hides your true intentions  
Is there any redemption for me?

Even if you could shatter tomorrow  
I guess that I'd still keep wandering  
Loving you, I discovered for the first time,  
That fear of losing you

Even if you could shatter tomorrow  
Even if I should lose my sight  
We'll start walking  
In those times, when we were at peace

It's a ghost of you

### 3. Believe In

Story: Eternal Snow

Artist: Dan Metreyeon (I think...)

Character: Yugi, Yami, Cat, Kay, Joey, Honda, Anzu, Kanya, Duke, and Kate.

Do they sing it?: No

Anime it's from: Yu-Gi-Oh!: The Movie

A/N: I probably forgot some people in the character list. But this song is basically about friendship, so yeah. ^^ I picked the people that would fit it most.

You always find me  
Making time for you  
So many dreams to come true  
No room to figure  
We've had it all

Take a look at what we've got  
Each other, for one another  
Friends to the end  
Here we go

We stand together through these hard times  
Don't let these days pass you on by  
I believe in, you better believe that  
I believe in you, oh yeah

So now you look at me  
While I'm lookin at you  
I think to myself  
I'm watching out for you  
Let's take a chance together  
We never have before

When I think about thinking of you  
It feels like there's nothing else to do  
We took a chance together  
Here we go

We stand together through these hard times  
Don't let these days pass you on by  
I believe in, you better believe that  
I believe in you, oh I know that  
You want it all

(Ah ah)

(Ah ah)

We stand together through these hard times

Don't let these days pass you on by

I believe in, you better believe that

I believe in you, oh

I believe in, you better believe that

I believe in you, oh yeah (yeah)

(Oh yeah)

(Oh)

## 4. Candle On the Water

Story: Eternal Snow

Artist: Robin Hutson

Character: Cat

Do they sing it?: No/Undecided

Anime it's from: None (But it's from "Pete's Dragon")

A/N: The version of this song that I have is kinda rare. I always wanted Cat to sing it, but I haven't decided if she will or not.

I'll be your candle on the water  
My love for you will always burn  
I know you're lost and drifting  
But the clouds are lifting  
Don't give up you'll have somewhere to turn

I'll be your candle on the water  
'Till ev'ry wave is warm and bright  
My soul is there beside you  
Let this candle guide you  
Soon you'll see a golden stream of light

A cold and friendless tide has found you  
Don't let the stormy darkness pull you down  
I'll paint a ray of hope around you  
Circling in the air  
Lighted by a prayer

I'll be your candle on the water  
This flame inside of me will grow  
Keep holding on you'll make it  
Here's my hand so take it  
Look for me reaching out to show  
As sure as rivers flow  
I'll never let you go  
I'll never let you go  
I'll never let you go...

## 5. Desert Rose

Story: Eternal Snow, Memories of the Moon

Artist: Sting

Character: Atemu/Yami (For Luna/Cat)

Do they sing it?: No

Anime it's from: None

A/N: I'm getting a picture ready to go with this song. I really like it. ^^

I dream of rain  
I dream of gardens in the desert sand  
I wake in vain  
I dream of love as time runs through my hand

I dream of fire  
Those dreams are tied to a horse that will never tire  
And in the flames  
Her shadows play in the shape of a man's desire

This desert rose  
Each of her veils, a secret promise  
This desert flower  
No sweet perfume ever tortured me more than this

And as she turns  
This way she moves in the logic of all my dreams  
This fire burns  
I realize that nothing's as it seems

I dream of rain  
I dream of gardens in the desert sand  
I wake in vain  
I dream of love as time runs through my hand

I dream of rain  
I lift my gaze to empty skies above  
I close my eyes  
This rare perfume is the sweet intoxication of her love

I dream of rain  
I dream of gardens in the desert sand  
I wake in vain  
I dream of love as time runs through my hand

Sweet desert rose  
Each of her veils, a secret promise  
This desert flower  
No sweet perfume ever tortured me more than this

Sweet desert rose  
This memory of Eden haunts us all  
This desert flower  
This rare perfume, is the sweet intoxication of the fall

## 6. Eternal Snow

Story: Eternal Snow  
Artist: Myco (Changin' My Life)  
Character: Cat  
Do they sing it?: Yes  
Anime it's from: Full Moon O Sagashite

A/N: This is one of the songs that inspired my story. As you can tell this song and my story have the same title. :D

How long has it been since I fell in love with you?  
My feelings only increase  
Will you notice them  
Even though I've never once put them into words?

Like the snow, they just  
Quietly keep accumulating

Hold me tight- if this is how it feels  
I didn't want to know  
What it was like to be in love with someone  
I love you- my tears won't stop  
And so I wish  
That I had never met you

How long will I be thinking of you?  
My sighs fogged up the window glass

Can a candle flame  
Still melt my trembling heart?

Hold me tight, tight enough to break me  
So that even in an icy wind or a blizzard  
I won't feel cold  
I miss you- every time I think of you  
Tonight, too, I hold  
This half-finished muffler, all alone

If there was an eternally falling snow  
Could it hide my feelings for you?

Hold me tight- if this is how it feels  
I didn't want to know

What it was like to be in love with someone  
I love you- the feeling wells up in my chest  
I want to shout to the wintery sky  
"I want to see you right now"

## 7. Genki no SHAWAA (Energy Shower)

Story: Eternal Snow  
Artist: JAM Project  
Character: Everyone  
Do they sing it?: No  
Anime it's from: Yu-Gi-Oh! (2nd Ending)

A/N: This is one of my most favorite Yugioh songs. If Eternal Snow was an anime, I would have this as one of the ending songs. ^^

the flask sparkles  
wait for me in the science class  
by placing our cold hands together  
and rubbing it together will make it warm

like fireworks  
everyone holds a beautiful loneliness  
and fights as an angel

the shower of happiness  
I'll shower you with it  
I'll support your lonely back  
the shower of happiness  
you're not alone  
you're being protected by a ring of friendship

placing the prism before me  
I gaze at you  
when we pass each other by in the hall  
I feel like the whirlwind

the cocoons of dreams  
all break apart their shells and  
fly off as warriors

the shower of happiness  
on those days when you're feeling low  
I'll let you feel these radiance droplets in my hands  
the shower of happiness  
I'll softly brush down  
your fiery hair

the shower of happiness

I'll shower you with it  
I'll support your lonely back  
the shower of happiness  
you're not alone  
you're being protected by a ring of friendship

## 8. Kawaita Sakebi (A Yell of Thirst)

Story: A Light in the Shadow Game, Eternal Snow

Artist: Field of View

Character: None

Do they sing it?: No

Anime it's from: Yu-Gi-Oh! (1st opening)

A/N: This is one of my favorite Yugioh songs as well.

Just walk a bit further along the road like this, shoulder to shoulder  
Counting the dreams that are becoming further away  
Seeing the gradually lessening friends  
At this moment, I am lost in the familiar streets  
and created the other side of myself in the darkness

A yell of thirst,  
as if piecing the heart already filled with depression.  
I want to invite you to see this world with me.  
Inside my heart are answers which no one else have.  
Find the crucial key.  
FLY AT HIGHER GAME

Together we cross countless sadness.  
Never stopping, we seek the both of us on that day, until we become  
apolegetic  
If the times were resetm maybe we might still meet somewhere.  
Until that day comes, never give up.

The gradually coldening thoughts,  
no matter how I am unable to deny them  
But a change to fall in love isn't a bad idea  
Not worrying, not panicking  
Praying faithfully  
As if flowers will bloom inside the heart  
JUST TAKE MY HEART

A yell of thirst,  
as if piecing the depression-filled heart  
I want to invite you to see this world with me.  
Inside dreams are answers which no one else have.  
You can trust me  
JUST TAKE MY HEART  
This journey continues...

## 9. Love Chronicle

Story: Eternal Snow  
Artist: Myco (Changin' My Life)  
Character: Cat  
Do they sing it?: Yes  
Anime it's from: Full Moon O Sagashite

A/N: I think this song matches Cat and Yami/Atemu pretty well. I'm almost surprised I didn't make this the main song of the story.

why? I've completely forgotten how to love  
meetings will come someday with the beginning of parting  
somehow, I have decided upon that idea

you tied my loose shoe laces of my dirty sneakers  
your shy smile suddenly shone in the sunlight

it's not that I love for want of love  
you gave me the courage to love straight-forward

the two swear to the journey from now  
that no matter what occurs, the two hands will never part

it's weird, the everyday landscape begin to seem special  
the flowers, birds, and sea the wind, mountains, sweet sun  
when everything shines and cuddles together

I found the last piece to the unsolvable jigsaw puzzle  
your broad back protects me and I'll continue to follow you  
for eternity

until now, I've took the longer way around but  
I'm finally able to love straight-forward

the two will head to the dream of tomorrow  
no matter what occurs, the gaze won't be shifted

it's not that I love for want of love  
you gave me the courage to love straight-forward

the two will head to the dream of tomorrow  
no matter what occurs, the gaze won't be shifted

it's not that I love for want of love

you gave me the courage to love straight-forward

the two swear to the journey from now  
that no matter what occurs, the two hands will never part

## 10. Memories

Story: Eternal Snow  
Artist: Within Temptation  
Character: Cat  
Do they sing it?: Yes  
Anime it's from: None

A/N: Cat sings near the end of Eternal Snow for her memories of her friends and Atemu. But I won't spoil it for those who haven't read. ~\_^

In this world you tried  
Not leaving me alone behind  
There's no other way  
I'll pray to the gods let him stay  
The memories ease the pain inside,  
Now I know why

All of my memories keep you near.  
In silent moments,  
Imagine you'd be here.  
All of my memories keep you near,  
Your silent whispers, silent tears

Made me promise I'd try  
To find my way back in this life.  
I hope there is a way  
To give me a sign you're okay.  
Reminds me again it's worth it all  
So I can go home.

All of my memories keep you near.  
In silent moments,  
Imagine you'd be here.  
All of my memories keep you near,  
Your silent whispers, silent tears.

Together in all these memories  
I see your smile.  
All the memories I hold dear.  
Darling, you know I'll love you  
till the end of time.

All of my memories keep you near.  
In silent moments,

Imagine you'd be here.  
All of my memories keep you near,  
Your silent whispers, silent tears.

All of my memories...

## 11. My Heart Will Go On

Story: Eternal Snow  
Artist: Celine Dion  
Character: Cat  
Do they sing it?: Yes  
Anime it's from: None

A/N: This was sang near the end of Eternal Snow as well. Same thing with the song "Memories".

Every night in my dreams  
I see you, I feel you,  
That is how I know you go on

Far across the distance  
And spaces between us  
You have come to show you go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

Love can touch us one time  
And last for a lifetime  
And never let go till we're one

Love was when I loved you  
One true time I hold to  
In my life we'll always go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

There is some love that will not go away

You're here, there's nothing I fear,  
And I know that my heart will go on  
We'll stay forever this way

You are safe in my heart  
And my heart will go on and on

## 12. Myself

Story: Eternal Snow  
Artist: Myco (Changin' My Life)  
Character: Cat  
Do they sing it?: Yes  
Anime it's from: Full Moon O Sagashite

A/N: This is used the most in my story. It's one of my top favs.

Why, oh why do I love you so much?  
My tears overflow this much

Back in that time, there was so much to lose that I couldn't sing  
anything  
A place just a little ways away--That was where I was

That day, deep in your eyes, I saw the loneliness  
Are the two of us really alike?  
If I'd realized it, you were always by my side

Why do I love you so much?  
Your voice rings inside me so much it makes me sad  
Just what it was that supported me so much  
From afar, I realize it now

Like a lost child, crying and searching  
But there was no such thing as forever

"It's okay if you don't believe in anyone" you whispered  
Were the two of us really alike?  
And I decided then I would protect you

Why can't I turn them to memories  
You're too far, too near for me to reach  
The more I tell myself "I will forget"  
The larger you loom in my thoughts

Why do I love you so much?  
Your voice rings (inside me) so much it makes me sad  
Just what it was that supported me so much  
I realize it now from afar

Why do I love you so much?  
It's so easy I just can't answer

## 13. New Future

Story: Eternal Snow (Other's? Maybe)

Artist: Myco (Changin' My Life)

Character: Cat

Do they sing it?: Yes

Anime it's from: Full Moon O Sagashite

A/N: I don't think this is in the actual story. But I really like this song, so I'll stick it in sometime.

Just one thing doesn't change  
That dream I painted  
How did I appear as I am now  
In my young eyes back then  
Hey, look up at it, it's such a vast night sky  
So that soon, so that you understand  
You will shine at your best soon so hurry  
Look for the FULL MOON

Let's sing a song!  
Together forever Everything I can do for you right now  
Day by day  
Your destiny until now From tomorrow, clutch your hopes to your chest  
Let's sing a song!  
Together forever If I'm with you I can overcome any hardship  
More and more  
More and more and more I want to be closer Please stay right here  
many thanks for you!

Wonderous chance meetings  
As long as they keep happening  
We have ever more precious things  
All those days full of chance mischief  
Now I can laugh and love them  
That's right, I always yearned for the wide stage  
Now I'm no longer alone  
Everyone is full of smiles  
Because this is where I am

Let's sing a song  
Tonight, rather than the spotlight, it's me that will shine now  
Day by day  
Those passionate looks and cheers shine upon my streaming sweat  
Let's sing a song  
Tonight I want to believe there are never ending burning thoughts

More and more

More and more and more I want to scream this song, this dream will  
never end

Let's sing a song!

Repeat and repeat

Let's sing a song!

Repeat and repeat

This is the song for you!

## 14. Rakuen (Paradise)

Story: Eternal Snow

Artist: CAVE

Character: None

Do they sing it?: No

Anime it's from: Yu-Gi-Oh! (3rd Ending song)

A/N: This was one of my first favorite Yugioh songs.

The unsetting sun rises endlessly  
Can't it make the stuff about "dreams are dreams" end?  
"Please don't throw it away easily", the bud that have started to bloom  
In your opened hands is a....."secret paradise"

A straight rail and a treacherous route  
Whether you'll go or not, it's all of yourself  
I'm already fed up with counting on my fingers inside the cage

Respect! Boys, show me your bluffs  
Even if you're clumsy, sketch the map  
And then, let's walk without stopping

The unsetting sun turns what's impossible into possible  
And dreams won't speak of themselves  
"Please don't bury it alive" the desire germinating  
Lurking in the depths of the sprout is a....."secret paradise"

A good-feeling beat and a rusted rhythm  
Whether you'll let them live or kill them, it's all your freedom  
I'm already fed up with licking clean the candy that I got

Respect! Girls, guard your fears,  
We don't need faked smiles anymore  
So let's laugh without being poisoned

If the unsetting sun became more like you  
Turn your unfreedom into freedom and overcome common sense  
"Feels like you wanna believe in yourself," you have gotten lost on paths  
But hiding in your chest is a..."secret paradise"

"For how long are you going to have endless dreams?"  
To what point are you let yourself pass by...?  
young voice never give up, more than what God thinks  
The miracle will continue on more and more, right...?

## 15. River Lullaby

Story: Eternal Snow and Memories of the Moon

Artist: Amy Grant

Character: Luna

Do they sing it?: Yes

Anime it's from: None (But it's from the movie: Prince of Egypt ^.^)

A/N: This is one of my top favorite songs. I made the song match with Luna because its the song she sings to her baby before she -SPOILER- dies  
-END OF SPOILER-

Hush now, my baby  
Be still love, don't cry  
Sleep like you're rocked by the stream  
Sleep and remember  
My lullaby  
And I'll be with you when you dream

Drift on a river  
That flows through my arms  
Drift as I'm singing to you  
I see you smiling  
So peaceful and calm  
And holding you, I'm smiling, too  
Here in my arms  
Safe from all harm  
Holding you, I'm smiling, too

Hush now, my baby  
Be still, love, don't cry  
Sleep like you're rocked by the stream  
Sleep and remember this river lullaby  
And I'll be with you when you dream  
I'll be with you when you dream

## 16. SMILE

Story: Eternal Snow

Artist: Myco (Changin' My Life)

Character: Cat

Do they sing it?: Yes/No/Undecided

Anime it's from: Full Moon O Sagashite

A/N: Cat sang this song in the old Eternal Snow Chapters, but I dunno if I'm going to put it back it. I probably will though. I like this song.

if the sky was crying for you  
I'll turn into a sea and embrace it  
even if we're swallowed by the storm and lose our map  
your back is the signpost for me now

like the moon and sun, even when near or far  
please be close enough to capture my light

smile smile  
watch me always, watch me forever whenever  
smile smile  
want to believe, want to feel it forever  
smile smile  
being able to understand happy mornings and sad nights  
I won't forget to smile  
I cannot live without you forever

N and S, like magnets, when we notice someday  
we'll be pulled together as if that was ordinary  
like that secret, unstopping clock that noone knows  
the two continues to move on the same face\*

I dream about your long hand  
the small hand overlaps to deepen the love

smile smile  
watch me always, watch me forever whenever  
smile smile  
want to believe, want to feel it forever  
smile smile  
being able to understand happy mornings and sad nights  
I won't forget to smile  
I cannot live without you forever

smile smile  
watch me always, watch me forever whenever  
smile smile  
want to believe, want to feel it forever  
smile smile  
being able to understand happy mornings and sad nights  
I won't forget to smile  
I cannot live without you forever

## 17. Stardust

Story: Eternal Snow  
Artist: Myco (Changin' My Life)  
Character: Cat  
Do they sing it?: Yes  
Anime it's from: None

A/N: This song is in the story. But used only once.

My ears are telling my burning chest  
That they can hear a familiar sound  
This face that said I can't show anyone,  
I wonder if you knew it was right before you

The homeland you grew up in can be seen from this hill  
And now, my tears are getting a little in way way, though I can't see it

The stars in the sky are close to everything  
Please stop time for just a bit  
As long as you're here, I don't need anything else  
If that kind of wish can be granted

Each time the glow in the building lights up,  
I want to throw away everything that happened back then  
If there is anything that changed,  
It's your heart and the space to the right of it

It's surprisingly this easy to create memories, and yet  
Forgetting them is this difficult... Why?

The stars in the sky are close to everything  
But you are no longer here  
Who are you becoming closer with right about now?  
Surely, I've become just a memory

The stars in the sky are close to everything  
I want to see you, yet I feel like I won't  
You won't let me call anymore because I cry too much  
And you won't let me selfishness trouble you

My emotions are hidden in the stars in the sky  
This time, please grant my wish  
From now on, even if my body unexpectedly fails,  
It can't be as fierce as not meeting you

I hope that I can express this feeling

## 18. Until

## 19. We'll Be There

Story: Eternal Snow  
Artist: Jim Steed (I think...)  
Character: Honda and Anzu  
Do they sing it?: Yes  
Anime it's from: Yu-Gi-Oh!

A/N: I think that they actually sang it. That's what I've heard at least. But I do know it's supposed to be Anzu and Honda's image song. (I think. XD)

Think of us and we'll be there,  
In your heart forever.  
Sometimes when you're unsure,  
Sometimes when you're afraid.

At times its hard to live,  
With the choices you have made.  
Turn around and we'll be there,  
Always by your side.

When its time to stand the test,  
I know you'll shine above the rest.  
When you try and find your way,  
We'll be there...

[ We'll be there... ]

Hold out your hands,  
Promise to be true,  
Will make us always a part of you...

[ Always a part of you... ]

When its time to stand the test,  
I know you'll shine above the rest.  
When you try and find your way,  
We'll be there...

[ We'll be there... ]

Stick together through thick and thin,  
That's the meaning of being a friend.  
And when it's time to stand the test,  
Friendship shines above the rest...

## 20. You're Not Me

Story: Eternal Snow  
Artist: John Siegler  
Character: Seto Kaiba  
Do they sing it?: Undecided  
Anime it's from: Yu-Gi-Oh!: The Movie

A/N: This really is supposed to be Kaiba's image song in the Yugioh Movie. So... \*shrugs\*

You think I've got it all  
Everyone thinks I've got it made, well  
How come my only friends  
Are the ones I pay?

No one understands  
What I would do to change my life  
For just one day

Don't say if I were you (say if I were you)  
Or tell me what to do  
How things would be if you were in my shoes  
'Cause you're not me

You know what I need  
And it's not another serenade  
I get so tired of  
All the things you say

Give me what I want  
If it only would I'd gladly  
Throw this all away

Don't say if I were you (say if I were you)  
Or tell me what to do  
How things would be if you were in my shoes  
'Cause you're not me  
Please take me as I am (take me as I am)  
This isn't what I planned  
I guess I don't expect that  
You could understand  
'Cause you're not me

I know you think you're being nice  
But spare me all your lame advice

Time to play my hand and roll the dice  
Everybody's got their price

For far too long I've been denied  
I'm making my move, so just step aside  
No one can say I never tried  
To do everything to get back my pride

Yeah, you were never me  
Why can't you see  
That you're not me

Don't say if I were you (say if I were you)  
Or tell me what to do  
How things would be if you were in my shoes  
'Cause you're not me  
Please, help me if you can (help me if you can)  
This isn't what I planned  
Guess I don't expect that  
You could understand  
'Cause you're not me
