This is a poem I was inspired to write while I was in my english class the other day.

1. Snow

Snow
Your friend one minute
Enemy the next

Can you trust it?
Must you trust it?

Be wary of it
The snow that is deceiving
Beautiful
Yet dangerous
Inviting
Yet suspicious

Can you trust it?
Must you trust it?

Be wary of it
The snow that is deceiving
Warm
Yet cold
Light
Yet dark

Can you trust it?
Must you trust it?

Snow is like humans
The same as you and me
That makes me wonder...
Can I trust you?
