This was an English assignment that I thought I'd share with you. Our topic was "write about something in your life that brings you joy." I took music, love, and friendship and rolled it all into one. Enjoy!

1. Melody and Harmony

Friendship is not just notes on a page
It is a melody all its own
The song of the world would be incomplete
Without the melody of friendship

Love is not just notes on a page
It is the harmony that binds us together
The song of the world would be incomplete
Without the harmony of love

Melody
Harmony
Friendship
Love
Two of the most important things
In the song of the world
In the song of life
Both are essential

Friendship and love go hand in hand
Much like melody and harmony
One can't be without the other
They depend upon each other

The song of the world
Full of melody and harmony
The song of life
Full of friendship and love
