A girl with long brown hair that that went just alittle above her waist truned off her Alarmed clock and yawned while opened her sapphire blue eyes to look at the time.

" Hmm it's 9:00am."Alley said to her self.

She then got up and looked at her cleander to see what day it was and when she looked todays date had a red heart curiled around it and that day was Thrusday Feb,14.Also it means no school.

" Omg it's Vlinetimes day i have a date with Jaden at 2:00pm,I better get ready for it."She siad to her self again.

She goes and opens the door to see Jaden standing there.

" Hi Jaden."Alley greeded.

" Hey Alley,you ready to go? " Jaden said.

" Yup."as Alley smiled at him.

" Ok then lets go" He said.

And with that they both left and started to walk, side by side each other, holding hands. They walked for a while and Alley started to wonder where her boyfriend was taking her to, so she decided to just ask him.

"Umm Jaden where are we going?" Alley questioned him.

"Sorry that I can't tell you because that will ruin the surprise I want to show you, so you'll just have to wait and see when we get there." Jaden told her.

"Fine." Pouted Alley.

He Jaden just smiled at how cute she looked like that, then leaned in and gave a light kiss on her cheek then pulled back to see her blush with a smile on her face.

+ One hr later +

They soon arrived to the place where he took her to, and there in front of them was a BIG HUGE garden.

"Well here we are at the new Domino Garden." Jaden said.

"Omg, Jaden this place looks so amazing." Alley said.

So they both started to walk into it as Alley had a bright smile on her face, with bright shining sapphire blue eyes as she looked at all of the flowers, and then she saw all of her fave ones which were - Cosmos Blossoms, Cherry Blossoms, Peach Blossoms, Apple Blossoms, Sunflowers, Morning Glories, Moon Flowers, Roses, Carnations, Daisies, Lilies, Forget me nots and she saw many more types of flowers and plants.

They spent most of the day walking and looking at all of the pretty flowers, while Alley had a big huge grin on her face as she laughed, spurned, and danced with Jaden in the beautiful garden. Soon Jaden stopped to see what time it was.

"Hey Alley it's getting late, and I have one more surprise to show you, so let's go." Jaden told.

"Awww do we have to, I really don't want to go. Can't we stay here a little longer it still has some sun light left." whined Alley.

"I'm sorry Alley but we can't." Jaden said.

"But why?" asked Alley.

"Because I want to show you something at sunset ok." Jaden said.

"Fine." Said a bit disappointed Alley.

With that they both started to walk out of the pretty garden.

+ Half hr later +

They walked for what was like forever, Alley and Jaden soon found themselves at the bottom of a large hill and at the top of the hill was a single tree filled with Peach Blossoms flowers.

" Jaden what are we doing here? " questioned Alley.

" You'll see, now let's hurry up to the top." Jaden Told her.

So they both started to walk all the way to the top of the large hill. when they got there Jaden stood in front of her.

" Alley I got this for you, so I hope you like it." He said.

Then he pulled out a small black box, then he opened it in front of her, and there was a gold ring with a pink heart shape diamond with 1 smaller clear diamond each side of the pink heart diamond (A/N yeah I know it sounds like an engagement ring but it's NOT)

" OMG, Jaden this is so amazingly Beautiful, I really love it." Alley said.

"Yeah and I'm glad you love it, and it's a Promise ring." He told her.

" Thank you Jaden so much for it." She said to him.

" And my Promise is that I will always love you, only you and I will forever be yours and your only and the same as you mine." Jaden said.

"Awww that is sooo sweet of you." Alley said.

With that she put the promise ring on her finger on her right hand and leaned in to kiss him on the lips while wrapping her arms around his neck, as he kissed her back with just as much passion as her while he wrapped his arms around her waist tightly bringing her closer to him.

A few minutes later they pulled apart to breathe as they both smiled at each other. Jaden takes her hand in his and walks over to the Peach Blossom tree and sat down with his back against the bark of the tree while he pulled Alley down to sit in his lap and wrap his arm around her waist tightly again as she relaxed with her back on his chest with a smile on her face.

"Hey Alley, look over there." Jaden said with his chin on her shoulder pointing in front of them.

Alley looked in front of her and saw the most beautiful sunset she has ever seen before. As she looked at the sunset she could see lots of types of pinks, reds, and some purple in the sky, which she thought was very awesome to look at.

" Wow it looks amazing." Alley said as she smiled.

She started to really enjoy the scene before her as she felt really happy being in the arms of the one and only guy so truly loves with her heart for she knew he felt the same way about her. While he was enjoying having her there in his arms as they both enjoyed the romantic sunset before them both as happy can be with no one but each other.
