1. Meeting Places Are Supposed to be Fun, Right?

Sakura had wanted to meet up with the sand siblings, to get to know them better, but Temari had cancelled, saying that she wanted to catch up with Shikamaru. And so, she was going to hang out with Gaara and Kankuro for the day. Now, she just had to figure out a great place for them to meet... It has to be adult, but fun and serious but not..... Sakura thought she was going to crazy trying to find a place, as she was walking down a crowded street, a tall red head caught her eye. Gaara was also walking down the street with Kankuro, probably off to find her. 'Quick! We have to find something!!!' Inner Sakura yelled. Sakura looked around, and found a bar right down the block. Maybe that'll go over well? What if it didn't? Oh, well... She'd just have to ask them... (I know it sucks!!! I only started this because I was bored, and it came to me in a dream last night/ morning..... dont ask me why.)

2. The Evil Cat Bar!

As the boys were walking over to her, she started to get nervous, so she blurted out while pointing to the bar, "Let's go there!!" When she did, Kankuro's head twirled around to see where she was pointing to, and turned back to her with an 'I-agree-with-you-a-hundred-percent' look. All the while, Gaara just stood motionless, except the slight nod of his. She sighed in relief, and started for it, along with the others. Kankuro practically ran in his haste to get to the door, which was decorated in a fine gold and maroon color. It had a large olive colored sign above their heads reading 'The Evil Cat Bar' in fancy lettering. "What a 'fancy' name," Sakura said sarcastically. Gaara chuckled for a moment before putting his expressionless face back on, and walking in.
