1. Life

Life

the uncontrollable substance to withstand
everything,...
i sometimes wish i could make it better,...
i don't think it'd work
life is like a movie
plays and plays until it runs out of film
and then that's it,...
nothing else more,....
all the enjoyable moments in mine,...
have suddenly,..disappeared,...
I can't bring them back
and they won't come back to life
as i'm left here,
having them flash through my mind,
tears of tomorrow flood my eyes,
roll down my cheeks and repeat
....now if only,...life was like,...
a millanum,...
long time to wait
and a short time to pass
