1. A1

You lean in quickly to kiss her, She leans back embarrassed and blushes. "i think I left something in the car" Jamie says, and now you can go after her or stay here and wait till she comes back, to go after her, go to A2, to stay here, go to A3.

2. A2

You run after Jamie to help her with what she left in the car, you look around and find her glasses wedged in between the seat, then you both walk back to the spot where you were sitting, smooth jack, smooth, you still gotta chane

3. A3

you wait patiently for Jamie to get back, suddenly you hear a car engine start, headlights flash and Jamie's car peels out and leaves you stranded in the woods

4. B1

now that you found Jamie's glasses, she thanks you with a kiss on the cheek, but not exactly your first kiss, suddenly, Brad, the school bully starts flirting with Jamie, you can bravely stand up to him, or ask Jamie to come with you, choose wisely

5. B2

you bravely stand up to Brad, but courage, sadly, doesn't cover up for fighting skills. he gives you a swift punch to the gut, then to the face, you stand there, a beaten pulp, while you go to the hospital, Jamie hops in Brads car and rides off

6. B3

You ask Jamie to come with you and away from Brad, Jamie comes with you behind a cabin, you have 2 excuses, tell her you like her and you just wanted to be alone with her C1, or tell her you can't move you broke your leg and she should take you to the hospital C2

7. C1

you tell Jamie that you love her and you just wanted to be alone with her, she thinks your so sweet, and is ready to kiss you, you scan for a private location, the old abandon mill C3, or the hotel right across the street D1

8. C2

you tell her your legs are broken and she thinks your a creep for faking that, she hops in with Brad and drives off

9. C3

you have chosen to kiss her in the old abandon mill, you really did? WHAT THE HELL MAN!
YOU NEVER GO INTO THE OLD MILL, NOW A GUY WITH A CHAINSAWS CHOPS BOTH
YOUR HEADS OFF
