1. Nina Yakushi

It was a gloomy day at Orochimaru's hideout and Kabuto was in his room looking at his picture of him and a girl, she was his only friend when they were little but then one day there was a fire in their home and Kabuto thought she died, the girl in the picture was also a sound ninja, But then one day while Orochimaru was thinking of a way to destroy the leaf village the door bell rang and Orochimaru got the door and at the door was a sixteen year old girl and she said "Hi I'm Nina!" then Orochimaru saw her headband and said "You're a Sound Ninja?" Nina nodded then said "I'm looking for Kabuto Yakushi." then Orochimaru said "why?" then Nina said something unexpected "I'm looking for him because I'm his twin sister!" then Orochimaru said "What!? You're his twin sister?!" "Yup!" said Nina then Orochimaru yelled to Kabuto "HEY KABUTO GET IN HERE!!!!!" then Kabuto came and said "What is it Lord Orochimaru?" then Orochimaru said "This girl says she's your twin sister." then Kabuto looked at Nina and said "Nina?" then Nina said "Hi there big brother!" then Orochimaru asked "How did she get lost from you Kabuto?" then Kabuto said "Well there was a fire and Nina was still in the building and I thought she died and that's how we got separated." then Kabuto and Nina talked about what they did.

2. Orochan, Orochimaru's child

One day in the Forest of Death a man named Orochimaru and his minion Kabuto were walking then Orochimaru found a baby and it was a snake girl like him and he picked her up and said "You will be my child." then Kabuto said "Lord Orochimaru what will you name her?" then his master said "I will name her Orochan." then they went back to their hideout back there the sound ninja 4 came and Tayuya said "Who's the baby?" then Jirobo said "That must be Lord Orochimaru's new minion." then Kabuto said "No it's his kid" then Kidomaru said "What's the kids name?" then Kabuto said "Her name is Orochan." then Sakon said "She's kind of cute." then Orochan grabbed his hair and Tayuya said "Wow she has a strong grip!" and so Orochan became apart of Orochimaru's family and grew each day.

(Side note: When Orochan was a baby it was before Naruto was born ^_^).

3. The three hippy ninjas

It was a beautiful day in the Leaf Village and Team 8 was training, then suddenly they heard music coming from the forest, Hinata said "Who's making music?" then three hippies came from the trees and Kiba said "It's three hippies!" then a hippy with triangles facing upward said "Big brother?" then Kiba said "Kida?" then Kida said "It's Sharp Tooth now!" then a hippy with sunglasses said "Hey big brother." then Shino said "Shina?" then she said "It's Sunshine now." then Hinata said "Yumi? big sister is that you?" then Yumi said "Yeah but my name is Rainbow now!" then Hinata asked "What are you guys doing back in Konoha?, I thought you were going all over the world to spread your peace?" then Rainbow said "We were but we felt a little homesick, so we came back." then Kiba said "Hey Sharp Tooth where your dog mom gave to you?" then Sharp Tooth said "Little Paw's right here!" then a little black and white dog came and barked to her big brother Akamaru and he bark to her too, Then Shino asked Sunshine "How is your bug jutsus?" then Sunshine said "Their great." then Hinata asked her big sister "Are you coming home?" Rainbow nodded then they went home and Hinata said "Father look who's home!" then Rainbow came in and said "Hi father." then Hiashi said "Yumi? Welcome home!" then Rainbow said "I changed my name to Rainbow is that okay?" Hiashi nodded then Neji, Hinata's cousin, came in and said "Lady Yumi?" then Hiashi said "Her name is Rainbow now Neji." then Neji said "Oh! I mean Lady Rainbow?" then Rainbow said "Hey Neji Peace man!" then Hanabi, Hinata's little sister, came in and said "Bigger sister?" then Rainbow said "Well if it ain't Hanabi! you've grown!" then Rainbow told them her adventures back at the Inuzuka house Kiba said "Hey mom, sis look!" then Kiba's mom saw Kida and said "My baby!" then Sharp tooth said "Mom your embarrassing me!" then her mom said "When did you come back Kida?" then Sharp Tooth said "Me and Little Paw came back today but my name is Sharp Tooth now!" then her mom said "Okay you changed your name that sounds cool of your new name!" then Sharp Tooth told them about her adventures, at the Aburame house Sunshine told her father about her adventures too, so Team 9 is living in Konoha once again and meeting new friends.
