0. Crushing depression

Falling to my own pain.
Into to the unknown
So scared and so alone
In a world of hurt and pain
No one believes me
I cry for my aching heart
I no longer live
Just leave me in my sorrow
Walk away, I don't want to see you look at me like this
I fall to the deep depths of my sorrow
Unknowing when the pain will end
I feel like a weight is crushing my chest
I can't breathe
I want to cry
With a soul so tortured no more to feel
I will fall to the depths of my sorrow
I feel so numb
Depression hurts, but when it comes from the heart.
