## 1. Jakes Dream

Jake awoke screaming why had the dream kept coming back over and over again and each time his dream went a little further. This time Spud had pulled off his orange and green hoodie to reveal a plain white T-shirt just like the one Jake wore under his jacket. Jake helped him as he pulled the shirt off to reveal the finely sculpted torso of his best friend. Spud slowly started to unbutton his pants and that is when Jake woke up. Sweat trickled down his face he was damp all the way down his body. His sheets felt soggy under him. "Great what time is it?" he asked himself as he looked over at the clock sitting on the table by his bed which at that time said 4:28 "Great he thought to himself. Well might as well get up now since in laying here in this nastiness." He got up to get the sheets off of his bed when he noticed a particular stain on the front of his boxers, "Even better he thought to himself well that is just gross, I am going to get a shower and get this smell off of me. Once Jake got out of the shower he made his way back to his room having already taken his sheets off all he had to do was get back in bed and go back to sleep.

## 2. Jakes dream returns

Jake finally got back to sleep, he was ready for the dream to continue like it always did. Now all Spud had on was a pair of black and red boxers, Jake knew he had an erection coming on, all he wanted to do was take those boxers off of Spud and just make love to him then and there. Spud walked over to Jake and gave him a gentle kiss while at the same time unbuttoning, and unzipping Jake's pants, Jake's pants fall to the floor, as did his jacket and T-shirt, finally what Jake wanted they were in the same room about to do what he always dreamed of, just as Jake was pulling Spud's boxers down he woke up Awwman! As Jake woke up from his dream he thought of something "What if Spud finds out that I love him, what will he think or say I had better not tell him or our friendship might come to an end. But if by some slim chance that he loves me back the void in my heart will be filled.
