my character- Akira

1. My Character

Name: Akira
Age: 16 years
Gender: Male
DOB: 8/27
Sign: virgo

Village: none at the moment
Rank: none
Clan: none
Family: Jaryia (uncle)
Sensei: Jaryi-sensei / met kakshi and learned chidori off him.
Squadmates: none
Specialty: hand to hand combat. tracking

Personality: has a short temper, very impatient at times, but he developed a thing for flirting by watching his uncle jaryia he always tries to get to the point and trains very fast. always tried to make freinds, had done. lost them because of his short temper. he is kind to his freinds but in battle he always

Habits: The one thing Akira enjoys most are training. He can often be found on the training field sparring with one or two of his shadow clones; the best he done was 10 shadow clones fighting him at one time other than that he likes to flirt with girls his age.

History: Akira refuses to talk about anything of his history, and normally puts him in a bad mood when mentioned;
