*Hi. I got the inspration from my sis's story, 'The Fate Of The Two Crystals' THANKS SIS!! -^\_^-*

## 1. ~The Fight Against Two Sisters~

Once upon a time, there were legendary crystals. There were some crystals with the power to heal. There were some with the power of the four elements. And there were some with the power to control the weather. There were some rulers who possess its power for evil, and those who possess it for good. Then there was a war from the seven elements. Two years past and all of the seven diamonds were hidden. All except two. The ice crystal and the fire crystal. A five-year-old girl Kikiro and her six-year-old sister, Zorri got two of the crystal. Kikiro had the ice crystal, and Zorri had the fire crystal. "Hay Kikiro lets see whos crystal is stronger." Zorri said. Kikiro knode her head as her aggrement. They went to the battle field. One side was Zorri's, which is the side of fire, and one was ice and water, which was Kikiro's.

"Ready! Set! Begin!!"

Zorri's crystal glowed and she made a fire ball and said, "Fire ball strike!"

Kikiro's crystal glowed as well and made a ice wall to block Zorri's attack. Kikiro jumped in the air, curl like a ball, water came around her, she spun around, and said, "Whirlpool spin!" and she attacked Zorri. She landed on her feet, taunted at her and contened, "Just because I'm little and one year younger than you, it dosn't mean I can't kick your butt."

Zorri became furious and stormed out of the palace. Kikiro felt sorry for her and ran after her.

"Zorri! Zorri, wait!"

"What do you want, Kikiro!? Come to make my life more miserable, I persume?"

"Zorri, I'm sorry for what I said. But please you can't stay mad a me forever. Please just come ba--"

"Just shut up! I don't care what you or anyone else dose or say! I'm not going back! I'm going to the dark side so I can learn how to be evil and more powerful and victorious. And there's nothing you can do to stop me, Kikiro!"

"I won't stop you. What kind sister would I make to stand in your way?"

"Huh? Why are you saying like that?"

"You have two opptions: Being good or being bad. It's your diction to make, Zorri!"

Kikiro tried not to make herself cry.

"I know you don't like it when I cry. Never wanted me to be sad. I try, Zorri, but it hurts. Is it true you're not coming back home?"

"Yes."

"Maybe if your alive someday we can both see each other someday, okay?"

"Yes. I would like that vary much."

"And, Zorri, maybe someday, if you're dead, I can visit you in Heaven okay? And that's a promise."

Zorri turn around slowly looked at Kikiro with tear-stained eyes

"Ki- Kikiro. KIKIRO!!!"

They both hugged each other and cried.

"P-please, Kikiro, please keep that promise."

"Zorri, I sware to you, I won't brake that promise."

## 2. ~A Year Later~

Several years past and Kikiro grew older. She was more wiser and more confident with her crystal. She was sent on a journey to find Zorri. As much as she didn't want to, she had to. Later, when she was in the forest, she saw two men popping out from the trees.

"I'm brother Tashi Dangi."

"And I'm brother Rashi Dangi."

Then they both said in union, "And were the Dangi brothers!"

Kikiro gave them a evil smirk and giggled.

"Hi, I'm Princess Kikiro. I'm looking for my sister, Princess Zorri."

"Ah did you here that, Rashi? She wants to find her little sister."

"Well, Tashi, she won't find her little sister."

Kikiro got furious.

"For your information I'm the one that's the little sister! And what makes you think that I can't find her?!"

"You better wach your tone, Princess Kikiro or we're the ones that's going teach you a lesson. If you must know, your sister has been kept 'captive' with our master, Hiro. And he ordered us to kill anyone who even tries to step another foot near us, him, or Princess Zorri."

She smiled and took a step forward.

"You're begining to be a real pest."

She closed her eyes, her crystal glowed, and the water from a river beside her went up, attacked Rashi, and knocked him out. Tashi, which he was behind Kikiro, fell down of scarce. Kikiro turned around and looked at him.

"Lesson closly because I'm only going to ask this once, where is my sister, Zorri?!"

"J-just at the end of this forest."

"It better be or I'm the one that's going to kill you."

Tashi grabed a dagger from one of his boots and stabbed the back of Kikiro's leg. He smiled at her.

"You can't go now can you."

Then, all of a sudden, rocks came out of under Tashi, flew him up in the air, and he landed onto the ground. Kikiro fell on the ground from losing all of the blood from the back of her leg.

"Hey, hey. Wake up. Hey, you, wake up."

All she saw was blurr. But for a few seconds, she saw clearly and saw a boy about her age.

"Hey, are you okay?"

"No."

"Jezz! You need to git a look at that leg. It looks like it's pretty deep. Here let me help you."

"Wait. Before you do that, I want to ask you, who are you?"

"My name is Goru. You?"

"Princess Kikiro. I'm tring to find my sister, Princess Zorri."

"I'm sorry but I don't want to sound rude, but you can't go surching for you sister at a condition like this."

"Maybe you're right."

He put her on his back. Then, they saw a big anonymous villiage. Later, they saw a hospital in the middle of the village. When they went inside, the nurses and doctors rushed over and took

Kikiro into a emergency room. Kikiro was scared because this was her first time that she went out of the palace. Then, moments later, they were finished and they told Goru that she was good as new. He made a sigh of releaf and smiled. He went to the emergency room where Kikiro was in.

"Huh? Goru. Thanks for comming in to see me." she said smiling and while she slid up from her bed.

"No problem. Your leg, is it feeling any better?"

"Yes, it is."

"The doctors said that you can walk now."

"Well I don't know. I mean, I--"

"Come on you can do it." Then he sang, "Put. . .one foot. . .in front of the other. . .and soon you'll be walking out of the door."

He kept singing it and singing it and that encouraged her and made her vary happy. And, few moments later, she could walk again. Thanks for her trusted friend, Goru and the nurses and doctors in the hospital.
