# 1. The First Seeing

Disclaimer: I do not own the Naruto characters, plots, or anything.

Warnings: Even though it does not have it in this chapter, I will tell you when there will be boyxboy stuff that you should be aware of.

FYI: In this story Naruto & Sasuke are in the same grade [frosch] and are the same year age, but Sasuke is a little bit older than Naruto. Itachi is a senior and you probably really wouldn't care about his age [17] but he is in his Junior year in High school.

Now onward to the good meaty stuff! ^w^

Sasuke Uchiha walked over to the gigantic new High School in Konoha. Well, it wasn't actually technically new, since him and his family had just moved to the town, they call it the new school. Anyway, Itachi Uchiha, Sasuke's older brother, walked with him.

"Are you nervous about the first day of school?" Itachi asked. They stood in front of the principal's office. [they get to places very quickly]

"A little bit..." Sasuke said, almost whispering it. Itachi laughed.

"But you'll do fine!" He said back at his brother, taking him by the head and giving him a noogie. They both laughed as they went into the office. Sasuke sat in the chair furthest away from the door and Itachi sat next to him. The principal was talking on the phone when they had made it up there. Sasuke and Itachi eyed each other, but kept quiet.

"Yes...Do not send them up here just yet...yes..." That was how the one-sided conversation went. "Goodbye." He finally turned and looked at the two brothers. "So I'm guessing you are the Uchiha sons."

"Yes." Itachi said so quickly that Sasuke didn't even get to open his mouth. He looked over at Itachi with a face of surprise, but Itachi didn't pay attention.

"Okay," The principal was a girl and smiled very sweetly at them. She took out some papers off of her desk and scanned them. "Sasuke?" She looked at him. "Here is your schedule."-she handed him a piece of paper-"And Itachi, this is yours."-She also handed him almost the same exact paper.-"You probably will be able to find it from here. And if you need anymore help with anything, just ask me or any of the class presidents." She smiled and signaled them to take their leave.

They got up very slowly not really knowing at all what happened. [Really...it took them like 3 or 4 minutes just for that WHOLE session ^-^"] Itachi got to the door first and opened it for his little brother. "That was kind of weird..." Sasuke said as soon as they got out of the office.

"Just a little bit." Itachi agreed. He took the paper out of Sasuke's hand and looked at it. He started laughing. "You have P.E. first. That sucks..." He rubbed Sasuke's head
