1. Prince Charming

i've been searching for someone
such as you
you've been there
for every tear
for every scar and wound
i'm glad i can love again
you give me so much
just for being a freak
you took my hand in yours
my lips to yours
so sweet and tender
i give you my heart to hold forever
in your eyes and hands
you've helped me alot
through my problems
you've dried my tears
and you were there for me
when i needed you most
my love of my life
my puppet
it's my turn to give it back to
you
by staying with you
forever
my dear prince charming
i love you
