*This is Crystals Fourth of
July

Guest starring: Luna!!! Tala777's character*

Auron: *backs up car and drives away from the house* well, maybe next year he'll go instead of me.

Crystal: next year. gee. Thats comming REAL soon.

As they drove to the stadium, they finally found a parking spot, and they got their stuff, and ran to the line, that was going to be packed.

But Crystal saw someone she didnt intend to see. Infact, two people she didnt intend to see.

Crystal: HOLY CRAP! ITS META KNIGHT AND LUNA!!!!

Auron: yeppe.

Kenny: *muffled voice* yaaay!

Stanley: *pokes Kenny* you like Luna dont you?

Kyle: *snickers* yeah!

Kenny: *muffled voice* nu-uh! I just said yay cause....I was bored.

Stanley and Kyle: riiiiight....

Meta Knight: *is talking with Luna, not noticing Crystal* So, Luna, that is why you must practice playing different songs with your ocarina.

Crystal: MEEEEEEETAAAAA KNIIIIIIIIIIIIIIIIIIIIGHT!!!! *runs towards Meta Knight*

Meta Knight: eh?

Crystal: *glomps MK* I thought you said you werent going to be here!!

Meta Knight: I thought about it. But I just came because I wanted to be with you.

Crystal: aw thanks MK. *gets off of MK* Hiyah Luna!

Luna: hey Crystal!

Meta Knight: *gets up* well, you brought the ones that wanted to come eh?

Crystal: yeah...I wish everybody would of came... So, did you bring Luna?

Meta Knight: no, I just saw her and said hello.

Crystal: oh. Well, atleast we can watch the show! By the way, how did you get here?

Meta Knight: I flew here. *smiles under his mask*

Crystal: Ha. Very smart MK, very smart.

Kenny: *muffled voice* so we just wait here for....*checks watch, and its 3:00 pm* three hours untill the gates open?

Crystal: yup. see those tall white gates over there? when those open, we can get in.

Stanley: alright. wait here for three hours. *sits* Im cool with that.

Kyle: This. Is. going. to. be. boring.

Crystal: maybe so, but atleast MK and Luna are here!

Auron:I think I'll just stand.

Crystal: alright. *steps closer to MK in the line*

There was no shade, and it was hot. With an occasional breeze, like I had said. Some people sat next to us in the line, and had brought umbrellas and ice cold drinks.

So, 2 hours and 30 mins past, and it was 5:30 pm. Time for everyone to start packing up there umbrellas and chairs, and stand up.

Which was very easy for the Crystal and the group, since they didnt bring chairs or umbrellas.

When it was finally time for the gates to open, it was packed. Crystal and the group had walked

patiently in somewhat of a line to the bleachers, where they chose their seats, all the way at the end. Crystal sat in the middle of Meta Knight and Kenny. Stanley, Kyle and Auron were on the other side of Kenny, and Luna was on the other side of Meta Knight. On the far side of the field, there was another side with bleachers, and it was getting filled by the minute. On the grassy field with the track around it, were people and their umbrellas and blankets. Then, in front of the field, which was the north, there was a stage. It had drum sets and guitar amps and microphones. At 7:00 the show would start. The speaker came up on the stage and welcomed everyone in, and made all the people wait 1 hour listening to orchestra music. Which was literally KILLING Crystal.

Crystal: AUGH! Meta Knight this music is killing me. I hate it.
Meta Knight: Its alright, my dear, just bare with me.

Once the hour past, the planes started to fly over. First, it was the dolphins, with their team of three, flying over the stage 3 times.
Next, it was the C14, flying slooooooowly over the stadium.
And finally, the last of the evening events, was the skydiving event.
then they had to listen to 60's music. which wasn't that bad sometimes.

Crystal: come on u guys! lets go on the track and dance or something!!
Auron: no thanks. I will just save your seats.
Kenny: *muffled voice* sure!!! as long as I dont get killed.
Luna: um, maybe.
Stan and Kyle: yeah. maybe.
Meta Knight:alright, if it makes you happy.
Crystal: WOO! LETS GO! *runs on the track and starts dancing with the other people*
Kenny: *muffled voice* wait for meeee!!! *follows Crystal*
Meta Knight and Luna: *slowly walk down on the track*
Stan and Kyle:why not? *runs down on the track and starts dancing like weridos*
Crystal: *takes turns dancing with MK and Kenny*
Kenny: ^_^
Meta Knight: *dances with Crystal very, how do you say this, romantic like*
Luna: *plays orcarina with the music*

When the music was FINALLY over with, it was fireworks time. The speaker announced that everyone would please be back to their seats. Which they did.
And they all enjoyed the fireworks, with the music, and the bright lights it casted and the popping and screaming noise it thundered, was, what Meta Knight said, the best part. But then he added real fast: "Of course, none of it would be fun without you, My dear."
and, about a good 20 mins of colorful, noisy fireworks, it was over with. It was time to get out.

Crystal: Alright! lets go to our car. *notices MK and Luna wont be in the car* Um, hey guys, why dont you ride home with us?

Luna: I cant, I have to go home.
Crystal: crap. How about you MK?
Meta Knight: hold on, *turns around* Luna, I could teleport you home
Luna: no thats okay, I cant teleport home. Bye guys!! *plays ocarina and teleports home*
Kenny: *muffled voice* well that was fast.
Stanley: yup.
Kyle: agreed
Crystal: well?
Meta Knight: ...If I can be with you, my dearest, then yes.
Crystal: alright! *hugs MK* lets go!

So they walked to their car, and poor Auron was kicked in the back, with Stan and Kyle. Because META KNIGHT WAS DRIVING!!!
Kenny was in the second row in the car. With three seats all to his little southparky self.
But, as they backed out, and started to drive away, THEY GOT STUCK IN TRAFFIC! OH NOES!!!!

Meta Knight:traffic...
Crystal: hey, look on the bright side! atleast I can be with you!
Meta Knight: oh, hm hm. Yes.... yes that is always good, *takes one hand off of the steering wheel and holds Crystals hand* my beloved.
Crystal: thanks, Meta K.
Meanwhile, in the very back,
Stanley: dude! Auron! move!!! I dont have any room here!!
Kyle: no! Auron! if you move, then you'll squish me!
Stanley: jeez your fatter then cartman!
Auron: ...*sighes* shut up. *moves up on Kennys row*
Kenny: *muffled voice* hiyah Auron!
Auron: shut it.
Kenny: *muffled voice* ...jeez. your a pain in the a-
Auron: I said shut it.
Kenny:
Crystal: dont make me reach back there!
Kenny: *muffled voice* Auron started it!
Auron: I didnt start it!
Meta Knight: I dont care who started it, I'll finish it!
Auron: o_o
Kenny: o_O
Stanley and Kyle: *snickers*
Crystal: and take off that darned hood of yours! *reaches back and takes off Kennys hood* I cant hear a word you say!
Kenny: *blushes* h-hey! t-thats my hood! I only take it off!
Stanley: I dont think you want hear what he says.
Kyle: trust me, we been with him since preschool. I think
Stanley: you think? dude whats wrong with you?
Kyle: I dont know! Im just tired.
Stanley: oh. ok.

Auron: you guys bore me.
Everyone except Auron: O_o
Auron: I was kidding!
Everyone: *laughes*

So they drove off home, and slept well.

and there you have it.
Crystal's Fourth of July.
