some of these i've done, some of these my friends have done and some are just random thoughts that popped into my head.

1. fwee

ARE YOU TRULEY OBSESSED WITH INUYASHA???

- 1.)you win an inflatable baseball bat at a carnival game and named it tetsaiga.
- 2.)you name your clarinet Shippo.
- 3.)you don't have a clarinet, so you named some random person's clarinet Shippo.
- 4.)you've stolen a clarinet named Shippo because it was named Shippo.
- 5.)you carry a white blanket over your shoulder and demand people say "lord" before your name.
- 6.)you've drawn a black circle on your right hand, covered it with a towel, and wrapped a beaded necklace around it.
- 7.)you're convinced your cat is kirara's second cousin twice removed and turns into a giant flying cat when no one's looking.
- 8.)you plan on going to japan and jumping down every well you find until you either end up in the feudal era, or killed by the girl from the ring.
- 9.) you've seen every inuyasha episode so many times, you're starting to hate the show.
- 10.)you make ramen in hope that inuyasha will be lured to your home.
- 11.)you plan on getting a piece of quartz surgically implanted in each of your legs so you can run fast like Koga.
- 12.)you get mad when people say inuayasha's hair is white because you know it's silver.
- 13.)you got a pink bouncey ball, cut it into a few pieces, and told everyone it's the Shikon Jewel.
- 14.)you think Miroku's staff is sexy
- 15.) JAKEN IS YOUR BISHIE!!!!!!!!!!!!!!!!!!!!!!
