## 1. Falling from the sky

Girl falling down the sky  
With little hope she can't fly  
Sleeping inside her winged shell  
So evil wont cast a wicked spell

Fate guiding her fall  
So her destiny may stand proud and tall  
Not knowing of what shall come  
But still hoping she can find her home

Worried about her one true love  
Hoping he is not in the heavens above  
Missing that warm feeling  
Of a kiss and the sound of him breathing

Heading towards a new world  
To learn of her destiny word by word  
In the care of a king  
And carrying a special ring

With now a special gift  
For the hope of the people will lift  
Searching now for the one with the key  
Now it is not the time for her to flee
