a really good poem about Sesshoumaru-sama, Rin-sama, and Jaken-sama. Very interesting! A must-read!

1. Trio Beheld

Lord Sesshoumaru-sama, Standing tall,
You're hair so long, the color of snow...
You hardly ever rest, unless Rin is tired,
Other than that, you're always on the go.
I would try to watch you when you stopped,
But sadly, I never caught a view;
So I'd wander long through forests...
Always searching for you.

Small Rin, just a small girl...
Very sweet and cute, and a daughter to one.
Sesshoumaru is cold-hearted sometimes,
But leaving a girl alone? He's not dumb.
why would anyone do that?
Leaving alone a poor little girl...
Sesshoumaru would not,
He'd let her follow him in this world.

Annoying, green, strange Jaken...
How he annoys Sesshoumaru, words cannot describe.
Rin certainly cares for him,
Only she knows why.

If Sesshoumaru tolerates him, Then so can she.

Jaken hates Rin, no one knows why,

Jaken...An idiot, is he.

All three together, The beheld Trio.

No one completely understands them all,

Sticking together, high and low.

Sesshoumaru, with many fans,

can only be taken by one, and that's Rin.

For now she's his daughter, so they are kin.

Jaken will always follow up,

trying to stay ontop of Rin's place.

But he fails miserably, so he weeps.

But he will never leave this case.

The beheld Trio, Never separating, always together.

Technically, they would be heavy.

But with wings of love,

They're as light as a feather.

Sesshoumaru, Rin, and Jaken.

The Beheld trio...

Like a beautiful feather... Always together.
