1. A Morning In My Life

I was rollerblading down the Rockies when I realised that my yeast was rising. I dashed to my grandma's house and ate the wolf with a spork instead of an ax! I USED THE WONDERFUL SPORK!!!! ahem... I saw GIR breakdancing in the hallway with a giant bag of cheetos and told him to pick his nose with a shovel. He ate more cheetos and gave me some so I gave him a puppy. Dib came in and told me that his hair wasn't listening to his pleas to stay down for one day. I got some glue and threw it at his head and he walked away happy. I saw little piggies and I sent them to bed with a giant teddy bear to chew on. Zim came in and I glomped him.
END
