2. Kill me Kiss me

Tell the people that we're coming here
Kill me Kiss me
And they've got nothing left to fear
Kill me Kiss me
Tell them we're on our way
Kill me Kiss me
And we're here to save the day
Kill me Kiss me
Cause' we're superheroes

Kill me kiss me my superhero
Take me and fly so high
Kill me kiss me my superhero
higher and higher into the sky
Kiss me kill me superhero
Take me down into the ground
Kiss me kill me superhero
where I'll never ever be found

Somewhere a building's burning
Kill me Kiss me
And people's hearts are yearning
Kill me Kiss me
But they know we're drawing near
Kill me Kiss me
Cause' the crowd begins to cheer

A hero-day parade is on the way
Kill me Kiss me
and they've everything to say
Kill me Kiss me
Just a simple 'thanks' would be so nice
Kill me Kiss me
But their song I'm sure will suffice
Kill me Kiss me
