1 - As the Mourning Grows...

As the Mourning Grows...

*Grief is the antiseptic of the soul.
It's torment and haunting-
It's everything you wish you weren't.*

*Asphyxiate on the pain and the agony
You once felt...
Drowning in stark words
As your world turns blue and grey.*

*It's too late, it's become too deep.
Doomed, never to see the light of day.*
