1 - Frozen Lake

Frozen Lake

*A black lake lies in the distance.
Dark and placid,
Easily pleasing to the eye.
It's cold, icy texture is reflected
Amongst the sky.*

*Though it feels hard, the taste is
Still the same- chilling, frosty, fresh.
The smell of pine is strong surrounding all.
It's new, the lake pierces the air
With the scent of crisp familiarity.*

*Listen close and you can still hear
It's tranquil, calming breath.
In winter it's still, but soon
The spring arrives and the lake is
Filled once again with life.*
