1 - a poem

ApologyApology

In the beginning we were friends
But then you moved and our feelings fled
My absent minded thought
Kept me from feeling hurt

For once you moved I felt
Like a lonely man with no feeling
For the feeling I felt was gone
Like a ghost with no place to haunt
And a man with no wife

A woman with no child
A Pearson without a name
A brave warrior without a horse
Or a king without a country

A friend with no place to go
For his feelings were woe
And then in the absence of my mind
My feelings said go... go.... Find your friend
Before he is dead due to dread.... For he fled

To make a shed out of love sweat and tears
For in the end my emotions fled.....
