## 1 - Untitled

I'm falling apart. She is my water, my air. I'm dying of thirs and can't brethe. The dark walls of reality are falling on me and i cant take it. I wont accept it. It's not real. We're not real. She...isn't real... I'm staring at the sky as the clouds gather over me. Soon my heart will melt and pour into the abyss. I will be left, an empty orange peel. No life, just a shell of something sweet
